7.1. SSI Community Transit Service Update

The report was received for information.

Discussion ensued regarding the Max levy increase for the SSI transit service.

**MOVED by Commissioner Rook, SECONDED by Commissioner Baker,
That the Salt Spring Island Local Community Commission (LCC) request the LCC
Chair Commissioner Rook contact the CRD Board Chair regarding the following
points**

**-That the request to the CRD Board for a significant increase to the Transit levy of
July 17, 2025 is no longer urgent due to changing circumstances**

**-That the LCC endorses the motion currently before the CRD Board to increase
the levy by 25% as sufficient to meet current operating needs**

**-That the LCC requests staff to prepare a report on options for transit expansion
and long term, sustainable funding at the spring Provisional Budget meeting for
the 2027 budget**

Commissioner Rook amended the motion

"That the Salt Spring Island Local Community Commission (LCC) request the
LCC Chair Commissioner Rook contact the CRD Board Chair regarding the
following points:

-That the request to the CRD Board for a more significant increase to the

Transit levy of July 17, 2025 is no longer urgent due to changing circumstances

-That the LCC endorses the motion currently before the CRD Board to increase
the levy by 25% as sufficient to meet current operating needs"

The question was called on the motion as amended.

**That the Salt Spring Island Local Community Commission (LCC) request the LCC
Chair Commissioner Rook contact the CRD Board Chair regarding the following
points:**

**-That the request to the CRD Board for a more significant increase to the Transit
levy of July 17, 2025 is no longer urgent due to changing circumstances**

**-That the LCC endorses the motion currently before the CRD Board to increase
the levy by 25% as sufficient to meet current operating needs**

CARRIED

OPPOSED Webster

**MOVED by Commissioner Rook, SECONDED by Commissioner Baker,
That the LCC requests staff to prepare a report on options for transit expansion
and long term, sustainable funding.**

CARRIED

Fare Review Salt Spring Island Transit System

November 20, 2025

Fare Review Objective

- Utilize BC Transit's recommended Fare Strategy to account for inflation and operational costs in proposed fare recommendations

Maximize revenue

Attract and retain ridership

Consider affordability

2025 Fare Review Objective

- Increase Revenue
- Align with BC Transit Fare Guidelines
- Consider a multi-year fare change schedule

Salt Spring Island Transit Fare History

Bank of Canada's Inflation Calculator estimates a **\$2.25** fare in 2012 to be equivalent to **\$3.04** in 2025

Fare Product	Audience	September 2008 – June 2010	July 2010 – June 2012	June 2012 – April 2017	May 2017 – September 2021	October 2021 – Present
Single Ride	Children	Free under 5	Free under 4	Free under 4	Free under 4	Free under 12
	All	\$2.00	\$2.00	\$2.25	\$2.25	\$2.25
DayPASS	All	-	-	\$5	\$4.50	\$4.50
Tickets (10)	All	\$15	\$15	\$20.25	\$20	\$20
Monthly Pass	Adult	\$50	\$50	\$50	\$50	\$50
	Student / Senior*	\$40	\$40	\$40	\$40	\$40

*Reduced fare with valid ID for persons 65 or over and students in full-time attendance to Grade 12

Fare Strategy Guidelines

Fare Type	Fare Strategy Guidelines	Salt Spring Island Fare	Variance
Single Ride (Cash)	Base Fare	\$2.25	-
DayPASS	2 times Base	\$4.50	Aligned
Tickets (10)	9 times Base	\$20.00	8.9x times base, 25 cents variance
Adult 30-Day Pass	20 – 30 times Base Fare	\$50	Aligned, 22.2 times base fare
Concession* 30-Day Pass (Student, Senior, College Student)	Adult 30-Day Pass less 15%	\$40 for concession	20% discount, 5% variance

Transit System Fare Comparisons

Average Adult Cash Fare in 2023 for 102 Transit Agencies across Canada is **\$3.50**

Transit System	Population Served*	Ridership*	Adult Cash Fare	Adult Pass	Concession Pass**
Salt Spring Island, BC	8,792	110,417	\$2.25	\$50.00	\$40.00
Merritt, BC	8,644	65,383	\$2.50	\$50.00	\$42.50
Agassiz-Harrison and Hope, BC	15,108	33,596	\$2.50	\$50.00	\$43.00
Nelson, BC	16,459	339,402	\$2.25	\$60.00	\$45.00
Moose Jaw, SK	33,665	183,954	\$3.25	\$80.00	\$54.50
Whitehorse, TE	32,197	734,352	\$3.00	\$75.00	\$44.50
Stratford, ON	33,000	551,160	\$3.00	\$70.00	\$60.00

* Statistics from 2023 Canadian Urban Transit Association Report

** Where multiple Concession Pass fares are available an average was used

Salt Spring Island Transit Current Fare Structure

An aerial photograph of a coastal town. In the foreground, there are residential houses with brown roofs and a paved road with a yellow double line. A car is driving on the road. To the right of the road is a dense forest of tall evergreen trees. In the background, a marina with many sailboats is visible, surrounded by forested hills. The sky is overcast with grey clouds.

Public Engagement

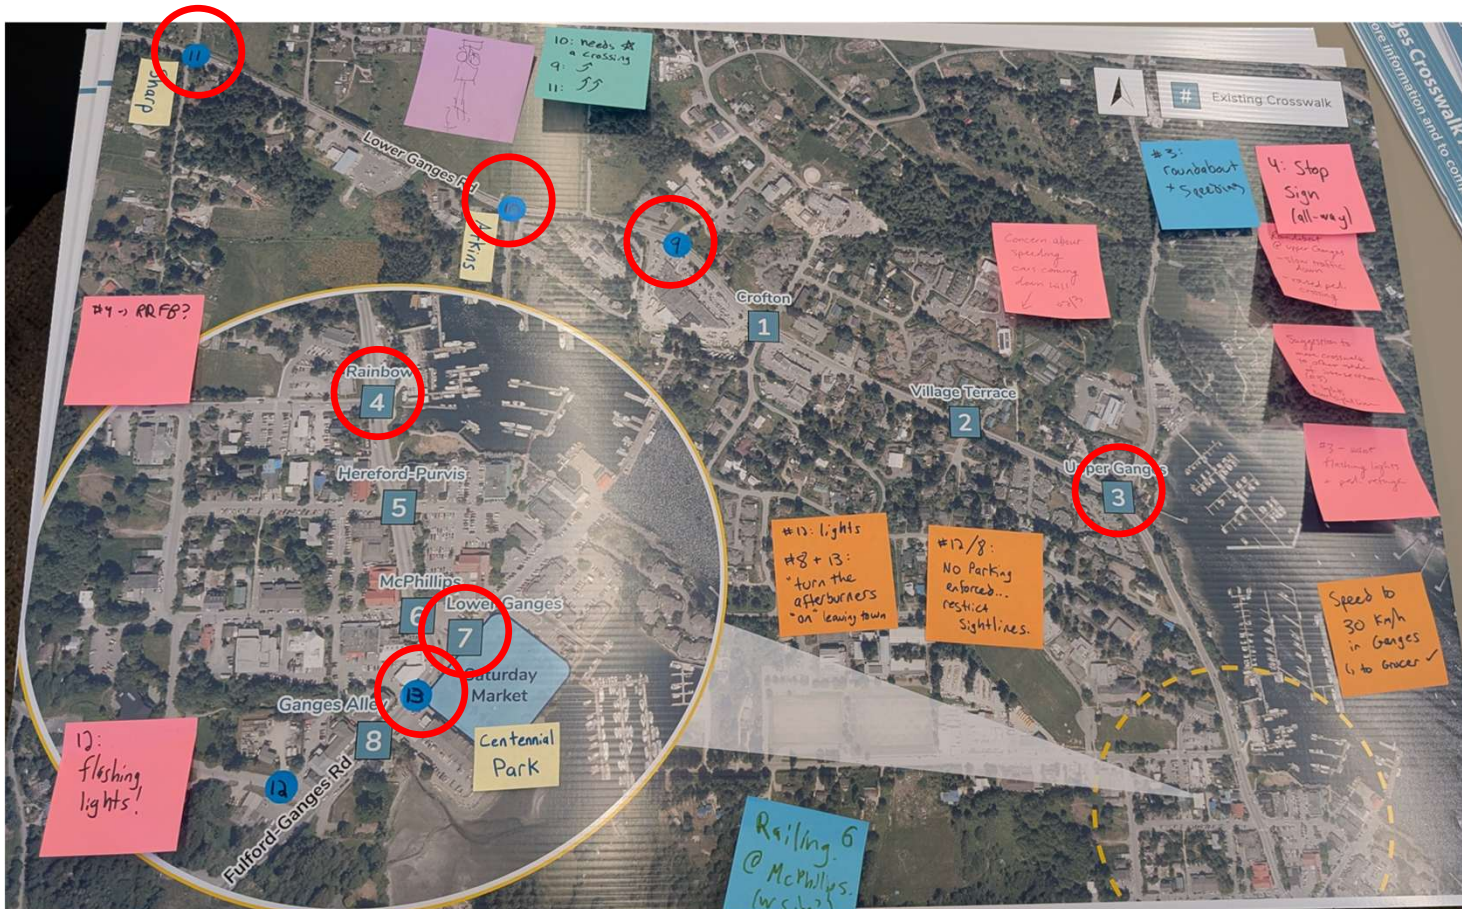

Public Engagement Overview

	In-Person Meetings	Crosswalk Comment Form	Open House
When	July 19 th , 2025	Aug 11 th - Sept 21 st , 2025	Sept 17 th , 2025
What	<p>In-person discussions with various residents on crosswalk safety and experience</p> <p>Meeting with Island Pathways</p>	<p>4 Question Survey</p> <p>Opportunity for residents to comment on experiences and safety at existing crosswalks and provide input on where new crosswalks are needed</p>	<p>Data Collection Summary</p> <p>Crosswalk Analysis & Results</p> <p>Conceptual Design Review</p> <p>Mapping Station</p>
Who	Island Pathways, ~10 individuals, a group of strata residents	75 unique contributors	~40 attendees

What We Heard – General Themes

- **Vehicle Speeds***
- **Pedestrian Safety and Comfort**
 - Frequent failure to yield, vehicles speeding past before pedestrians exit crosswalk
 - Lots of seniors and children in the area
- **Public Education**
 - Requests for a public education program on how to use crosswalks – STOP, LOOK, LISTEN or “Point to Safety”
 - School programs on children making eye contact with drivers to cross
- **Crosswalk Treatments**
 - Flashing lights are effective
 - “LOOK UP” pavement markings at crossings
 - Refresh pavement markings more regularly
 - Improved accessibility at crosswalks
- **Enforcement**
 - For speeding, and for failure to yield
- **On-street parking conflicts with crosswalk visibility**

What We Heard - Locations

- Generally consistent across open house, online form, and in-person discussions
- **New:** Atkins, Blain, Wildwood-Sharp heavily requested
- **Existing:** Improvements needed to Lower / Upper, Fulford-Ganges / Lower
- Flashing lights an emerging theme at many locations – help with pedestrian comfort

An aerial photograph of a coastal town. In the foreground, there are residential houses with brown roofs and a paved road with a yellow double line. A car is driving on the road. To the right of the road is a dense forest of evergreen trees. In the background, a large body of water (a bay or harbor) is visible, filled with many sailboats and a few larger boats. The water is surrounded by forested hills and mountains under a cloudy sky.

Functional Designs

Top 6 Priority Locations

Functional Designs

1. Lower Ganges / Upper Ganges Road
2. Lower Ganges / Atkins Road
3. Lower Ganges / Blain Road
4. Fulford-Ganges / Salt Spring Coffee Parking + Gas Station
5. Lower Ganges / Purvis Lane – Hereford Ave
6. Lower Ganges / Village Terrace

Conceptual Design (scope expansion July 2025)

7. Lower Ganges / Wildwood-Sharp Road

Other Locations

- **Fulford-Ganges / Lower Ganges:** full intersection redesign is required for crosswalk and accessibility improvements (outside the scope of this project)
- **Lower Ganges / McPhillips:** crosswalk will form the north leg of the above intersection, no treatment recommendations at this time
- **Upper Ganges / Marina:** other priorities recommended over this location, low risk, minimal use is expected, and sightlines are clear for crossing outside of a marked crossing. Desire line for most pedestrian traffic is on the east side of Upper Ganges from Marina to Lower Ganges.
- **Lower Ganges / Rainbow:** crosswalk upgrades have been proposed in the Rainbow Road Sidewalk project. Flashing beacon will be retained. Potential to add a crosswalk over the north leg in the future.
- **Lower Ganges / Ganges Alley:** crosswalk and sight lines are sufficient, but better sidewalk is needed on the south side
- **Lower Ganges / Crofton:** existing flashing beacon works well.

Lower Ganges / Upper Ganges Road

- **Roundabout is the top recommendation,** supported by public engagement
 - Assists with traffic movement from Long Harbour on Upper Ganges
 - Helps decrease speeds entering the Ganges Area
 - Facilitates crosswalks on both legs
 - Limited space – may require property acquisitions (WB-20 design vehicle)
- **Crosswalk Only Recommendation**
 - Provided within the scope of this study
 - General support at open house

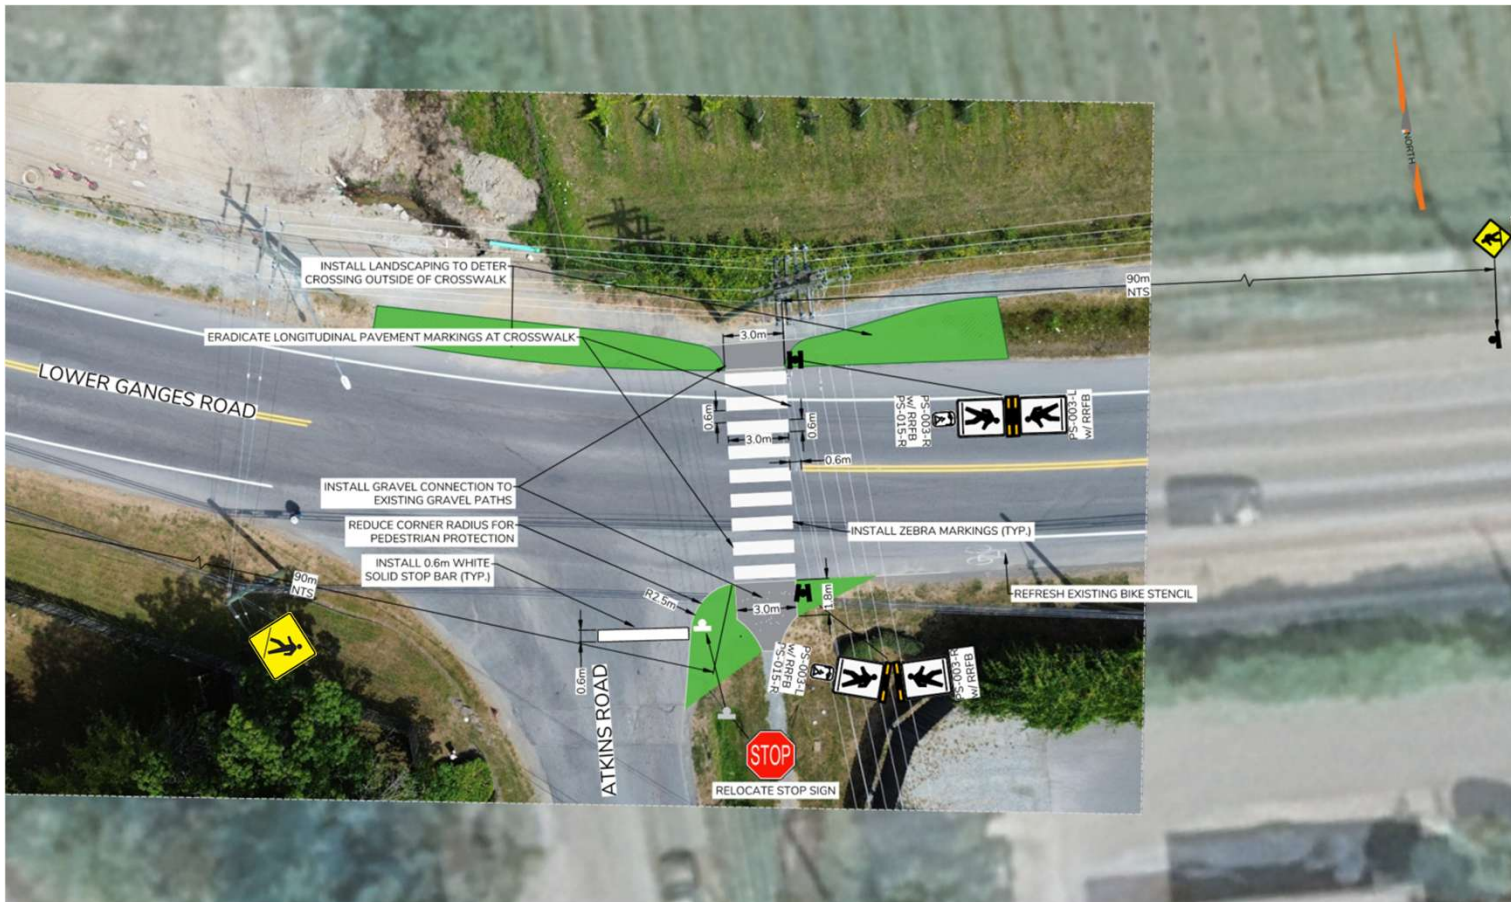

Lower Ganges / Upper Ganges Intersection: Property Lines

[illegible]

- 
- WATT**
Consulting Group

Lower Ganges / Atkins Road

- Integral to Atkins path, very highly requested from engagement
- Impacted sightlines WB due to vertical curve + higher speeds expected after passing Country Grocer
- RRFBs improve visibility by extending available sight distance and expectation for drivers
- Northbound vehicles: relocate stop sign and paint stop bar, helps with sight distance

Lower Ganges / Blain Road

- Heavily requested
- High proportion of seniors look to cross here to access Country Grocer from Legion / Residential
- Closest crossing: Crofton 175m east → difficult for seniors with mobility impairments or devices
- RRFB install recommended to match Crofton control (high speeds anticipated)
- Limited sightlines eastbound requires vegetation removal

Fulford-Ganges / SSC Parking + Gas Station

- **Heavy desire line:** 47% of crossers on Fulford-Ganges crossed near here
- **Easement:** two-way driveway to Centennial Park / commercial parking
- Opportunity to be the SW crossing for FG / LG intersection redesign
- Standard signed and marked crosswalk, concrete curb extension on the north side
- New sidewalk along the gas station side to Ganges Alley

Lower Ganges / Purvis – Hereford Avenue

- High pedestrian activity between Purvis and Hereford
- New curb extensions and accessible letdowns recommended
- Shortened crossing distances over Hereford and Lower Ganges
- Lane widths:
 - Min 3.6m through
 - 3.3m turn
- RRFB recommended for visibility (left turns on both approaches)

Lower Ganges / Village Terrace

- High proportion of seniors in the area cross here to access the bus and trail connector
- Located between steep grades to the east and west – poor sightlines
- Observed and highly noted failure to yield here
- High speeds (tubes installed 70m east)
- RRFB install recommended, paint refresh

Lower Ganges / Wildwood – Sharp Road

- Connectivity between trails on the northeast and southwest corners of the intersection
- Special request by the LCC / CRD to include a dedicated **conceptual** design
- Standard signed & marked crosswalk, gravel pathway improvements, sign relocation, reduced corner radius

Schedule & Next Steps

1. LCC Meeting #1
2. Data Collection (July)
3. Crosswalk Review and Analysis (July – August)
4. Conceptual Designs (August – September)
5. Open House / Public Engagement (September)
6. Functional Designs (October – November)
7. Meeting with Ministry of Transportation and Transit (November 4th)
-  8. **LCC Meeting #2 (November 20th)**
9. **Class D Cost Estimates, Final Drawing Package, Crosswalk Analysis Report Submission (Early- to Mid-December)**

**REGISTRATION FORM FOR DELEGATIONS TO ADDRESS
THE CAPITAL REGIONAL DISTRICT BOARD OR A CRD COMMITTEE**

- The Board (Committee) may, by majority vote, allow a delegation to address the meeting on the **subject of an agenda item**.
- Each delegation is **required to register** and **submit request to CRD Legislative Services by 4:30 pm not less than two calendar days prior to the meeting**. For a Wednesday meeting, this means that the form must be received on Monday of the week of the meeting.
- If you miss this deadline, you may still register; however, such requests will require unanimous approval.
- Each address shall **be limited to three minutes** unless a longer period is agreed to by unanimous vote.
- Any **PowerPoint or video presentation** which accompanies a delegation's speech must be provided to Legislative Services in its electronic form **at least 24 hours in advance of the meeting**.
- Rules governing delegations are outlined in Section 13 of the Capital Regional District Board Procedures Bylaw 3828.
- All open Board and Standing Committee meetings that take place in the 6th floor Board Room, 625 Fisgard Street, Victoria, will be web streamed.

Agenda Item

25-1230

My reason(s) for appearing (is/are) and the substance of my presentation is as follows:

The Mahon Hall Revitalization Committee of Salt Spring Arts Council (SSAC) has been developing a plan to address building upgrades and renovations for Mahon Hall. SD 64 and SSAC would like the CRD to assume the lease for the building. This request is very timely in view of SSACs readiness to take on such a project with the support of the CRD and in consideration of election cycles. SSAC is committed to working with the CRD to address fundraising and project management requirements to ensure that a treasured heritage resource and valuable community asset can be secured for the long term future. We believe it is essential to take advantage of this moment in time when there is strong willingness and capability to move this project forward. So we are requesting that the LCC direct staff to develop a plan to assume the SD lease and work with SSAC on a plan of action.

I will attend the meeting

In person

I will have a PowerPoint or video presentation and will submit it at least 24 hours in advance of the meeting.

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, NOVEMBER 20, 2025**

SUBJECT **Transfer of Assets, Liabilities, and Reserve Balances to the Combined Parks and Recreation Service**

ISSUE SUMMARY

To authorize the transfer of all assets, liabilities, and reserve balances from the existing Salt Spring Island (SSI) Parks and Recreation-related services into the newly established Combined Parks and Recreation Service effective year-end 2025.

BACKGROUND

The Capital Regional District (CRD) has adopted Bylaw 4684 which amends establishment Bylaw No. 2422, "Salt Spring Island Parks, Arts and Recreation Facilities Bylaw No. 1, 1996" to combine the Parks and Recreation Service (Park Land 1.459) with the Swimming Pool Service (1.453), the Community Parks Service (1.455), and the Community Recreation Service (1.458). This consolidates the four existing SSI parks and recreation services into one unified service to enhance administrative efficiency, improve financial management, and enable borrowing authority for future capital projects benefitting the entire community.

Currently, the four separate services each maintain individual Capital Reserve Funds (CRF), Equipment Replacement Funds (ERF), Operating Reserve Funds (ORF), and a Park Land Acquisition Fund, all restricted by bylaw to their respective service purposes. Following the establishment of the new combined service, these reserve funds must be formally transferred into reserve accounts under the Combined Parks and Recreation Service.

The transfer will ensure that all funds remain dedicated to parks and recreation purposes while allowing greater flexibility in allocating resources toward projects that serve multiple facilities and program areas. The process will be completed through Local Community Commission (LCC) and CRD Board resolutions, ensuring continued financial accountability and transparency.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission recommends to the Capital Regional District (CRD) Board that all assets, liabilities, and reserve balances for the following services be transferred to the Salt Spring Island Parks and Recreation Facilities Local Service established under Bylaw No. 2422 as amended by Bylaw 4684, effective December 31, 2025:

- Bylaw No. 3206 Swimming Pool Service (1.453)
- Bylaw No. 4149 Community Parks Service (1.455)
- Bylaw No. 4151 Community Recreation Service (1.458)

Alternative 2

That this report be referred back to staff for additional information.

IMPLICATIONS

Financial Implications

The consolidation of assets, liabilities, and reserves represents a financial restructuring only and will not result in any increase to taxation.

The transfer will:

- Maintain all funds within the Parks and Recreation service purpose;
- Simplify financial reporting and long-term capital planning;
- Enable more flexible funding of multi-service capital projects; and
- Improve overall transparency and operational efficiency.

There are currently twelve separate reserves under the four previous parks and recreation services (Appendix A). Folding these reserves into four reserve funds supports coordinated capital investment planning across all parks and recreation assets (Appendix B).

Legal Implications

In accordance with the Local Government Act, the transfer of assets, liabilities, and reserve balances between dissolved and continuing services requires a resolution of both the Local Community Commission and the CRD Board. Legal review confirms this process is appropriate and consistent with the authority granted under the Local Government Act.

Service Delivery Implications

Combining liabilities, assets and reserves will improve the LCC's ability to plan and deliver community-wide capital projects that support recreation facilities, community programs, and park infrastructure. Without consolidation, reserves would remain fragmented and restricted to specific service boundaries, limiting the Commission's capacity to strategically fund projects across the broader system.

CONCLUSION

Transferring all assets, liabilities, and reserve balances into the expanded Salt Spring Island Parks and Recreation Facilities Local Service is a necessary administrative step following the adoption of Bylaw No. 4684. This action will streamline financial management, enhance flexibility in funding multi-use projects, and strengthen service delivery for the Salt Spring Island community.

RECOMMENDATION

That the Salt Spring Island Local Community Commission recommends to the Capital Regional District (CRD) Board that all assets, liabilities, and reserve balances for the following services be transferred to the Salt Spring Island Parks and Recreation Facilities Local Service established under Bylaw No. 2422 as amended by Bylaw 4684, effective December 31, 2025:

- Bylaw No. 3206 Swimming Pool Service (1.453)
- Bylaw No. 4149 Community Parks Service (1.455)
- Bylaw No. 4151 Community Recreation Service (1.458)

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, NOVEMBER 20, 2025**

SUBJECT Mahon Hall, 114 Rainbow Road, Salt Spring Island

ISSUE SUMMARY

To review implications with assuming the operation and management of Mahon Hall.

BACKGROUND

At the June 19, 2025, regular meeting the Salt Spring Island (SSI) Arts Council gave a presentation regarding Mahon Hall Lease. In response to the presentation the Salt Spring Island Local Community Commission (LCC) passed the following motion:

“That the proposal be referred to staff to report back to the Salt Spring Island Local Community Commission.”

Located at 114 Rainbow Road in Ganges Village, Mahon Hall was originally constructed in 1902 and is considered a historic/heritage building. The building is a one-story wood framed structure with a crawl space/basement, cast in place concrete foundations and an asphalt shingle roof. The building has historical significance, aesthetic, cultural and social value.

Approximate timeline of renovations to the building:

- 1902 – Original construction of Mahon Hall.
- 1921 – Addition was added to the hall with the construction of the elevated stage.
- 1930 – Two extensions on eastern façade, small extension on corner (since removed).
- 1982 - Building restored with repairs to the roof, south entrance and wheelchair ramp.
- 2004 – New exterior paint and electrical panel.

The Salt Spring Arts Council (SSAC) currently leases the building from School District 64 (SD64) under a sixty-year lease effective December 31, 2014. SD64 has provided a longer-term lease based on the operational assumption that Mahon Hall cannot be used for education in the future. SSAC is responsible for all operating costs associated with Mahon Hall as well as all costs for preservation and renovation. SSAC is mainly made up of volunteers and has approached the LCC to take over their current lease with SD64 to better support building operations and required capital upgrades.

SSAC has completed several assessments including a Structural Assessment, a Geotechnical Assessment, Building Code Compliance Gap Assessment and Revitalization Study.

The Revitalization Study completed in 2023 provides four options for revitalization: A) Steward the hall, B) Steward the hall and basement, C) Steward the hall, basement and addition, D) New construction. High level cost estimates were provided for each option with option A being the cheapest.

Most recently in 2025 the SSAC commissioned a Mahon Hall Renewal Project Study to review previous assessments with a focus on functional improvements, safety improvements and energy efficiency improvements. The report also provides high level budget estimates and can serve as a key document when applying for grants or donations.

The LCC has assumed responsibility for several new facilities on SSI including Phoenix and the Ganges Fire Hall. How these facilities are going to be operated and the staff required to support operations is still to be determined. Prioritizing the future use and development of these sites should be prioritized ahead of taking on any new amenities or an increase in service levels.

When considering taking over the operation and management of new facilities or amenities the current staffing level should be assessed as well as the current funding model to identify capacity and funding requirements to support an increase in the service level.

When assessing staff capacity to support current and future facility management the creation of a facilities manager position should be explored. In addition to better supporting facilities currently under the LCC additional staff capacity may also be able to support facility management for contribution services such as Artspring and the SSI Library.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission defer the request from the Salt Spring Island Arts Council to assume the lease for Mahon Hall until future uses and staffing capacity have been determined for existing facilities including Phoenix and the Ganges Fire Hall.

Alternative 2

That the Salt Spring Island Local Community Commission requests that staff report back on the costs and funding model to support the addition of a facilities manager under the Salt Spring Island Administration service.

Alternative 3

That the Salt Spring Island Local Community Commission requests that the report be referred back to staff for additional information.

IMPLICATIONS

Financial Implications

The 2023 Revitalization Study and the 2025 Mahon Hall Renewal Project Study include Rough Order of Magnitude (ROM) costs. These estimates have not been made public. Should the LCC wish to review the reports and cost estimates the report would need to be brought back in a closed meeting. Note that cost estimates are not based on preliminary or detailed designs and do not account for escalating construction costs including tariffs.

Operating Implications

The Salt Spring Island Parks and Recreation department has acquired several new facilities in recent years including assuming the operation and management of the Rainbow Recreation Centre in 2018, the creation of the Mouats Bike Park in 2018, the Salt Spring Island Multi Space in 2022, Mount Maxwell Community Park in 2024, Phoenix Elementary in 2024, Morningside Drive Park in 2025 and will assume full responsibility for the Ganges Fire Hall in 2026. Capital improvements for the Salt Spring Island Library have been handed to the SSI Engineering Team who support capital improvements for CRD infrastructure and buildings on the island. Transit and Transportation infrastructure has also been added to the parks maintenance workplan. The management, operation, repairs and regular maintenance of Mahon Hall will require additional staff support should the LCC wish to assume responsibility of the building.

Social Implications

Mahon Hall is a historic hall that is over 120 years old. The hall is well-known as the host of Artcraft, visual arts exhibitions, arts workshops, community theater performances and other community events.

Archaeological Implications

Situated on the land of the traditional territory of the Coast Salish people, specifically the ancestral and unceded territory of the Hul'qumi'num and SENCOTEN speaking peoples the hall borders a registered archaeological site requiring permitting and First Nation consultation prior to any land altering works.

CONCLUSION

Mahon Hall, constructed in 1902, is a designated heritage building in Ganges Village that has been identified through recent assessments as requiring significant capital improvements and preventative maintenance. The SSAC, a volunteer-based organization, has requested that the LCC assume its current lease with SD 64 to better support building operations and upgrades. If the CRD were to take on the lease, substantial financial investment, capital works, and additional operational resources would be required. Given the LCC's ongoing assumption of other facilities with uncertain cost implications, further assessment is needed to determine the long-term feasibility and sustainability of CRD involvement with Mahon Hall.

RECOMMENDATION

That the Salt Spring Island Local Community Commission defer the request from the Salt Spring Island Arts Council to assume the lease for Mahon Hall until future uses and staffing capacity have been determined for existing facilities including Phoenix and the Ganges Fire Hall.

Submitted by:	Dan Ovington, BBA Senior Manager, Salt Spring Island Administration
Concurrence	Stephen Henderson, MBA, BSc, General Manager, Electoral Area Services

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, NOVEMBER 20, 2025**

SUBJECT **SSI Centennial Park Garden Upgrades**

ISSUE SUMMARY

To seek direction from the Salt Spring Island Local Community Commission (LCC) to enhance the garden areas within Centennial Park in response to visitor complaints.

BACKGROUND

Centennial Park is a central public gathering space in Ganges Village, hosting the popular Saturday Market, seasonal community events, and serving as a daily destination for both residents and visitors. Past park upgrades have focused on infrastructure improvements, including washrooms, playground, drainage, and the plaza. However, the garden areas have not received significant investment or enhancement in several years.

Wildflower seeds were planted as part of the Centennial Park Plaza upgrade project; however, the plantings have since deteriorated, become overgrown, and no longer contribute positively to the park's visual character.

Community feedback, including comments shared on social media platforms and online visitor reviews, frequently note that the gardens lack vibrancy, flowers, shrubs, and overall visual appeal. These observations highlight a desire among residents and visitors to see the park's green spaces restored and maintained to reflect the park's importance as the heart of Ganges Village.

Enhancing the garden areas presents an opportunity to:

- Improve the visual quality and first impressions of Ganges Village's main public park.
- Respond directly to community feedback regarding the park's current appearance.
- Support biodiversity and pollinator-friendly plantings through native and seasonal species.
- Encourage year-round use and enjoyment by providing more engaging and visually dynamic spaces.

Potential improvements could include replanting with perennial and native flowering species, adding shrubs and decorative planters, and implementing a seasonal maintenance plan to sustain garden health and appearance. Collaboration with local garden clubs and volunteer groups could also be explored to support ongoing stewardship however an initial investment in the gardens would be required.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission requests that staff defer consideration of the Centennial Park Garden Upgrade Project to the 2027 Budget Planning meeting.

Alternative 2

That the Salt Spring Island Local Community Commission requests that staff include Project (26-17) Centennial Park Garden Upgrade Project funded by \$5,000 of capital reserve funding and that an additional \$4,800 of operating funds be included in the 2026 Final Budget Parks and Recreation Five Year Financial Plan.

Alternative 3

That the Salt Spring Island Local Community Commission refers the report back to staff for additional information.

IMPLICATIONS

Financial Implications

The provisional 2026 Parks and Recreation Centennial Park plants and planters budget is \$290, up from \$280 in 2025. This funding supports materials for a “pre market” clean of the garden beds where staff weed and lay bark mulch. CRD parks staff wages to complete this work are not included in this line item.

Preliminary estimates suggest that an initial investment of \$10,000 would be required to support landscaping design, soil improvements and plantings to upgrade the current wildflower beds as well as improvements to the remaining planters and shrubs in Centennial Park. Irrigation to the wildflower beds surrounding the plaza was installed as part of the plaza upgrade. Additional funding would be required to maintain the beds throughout the year and for annual upgrades.

Funding sources for initial upgrades to the wildflower beds could include the SSI Parks and Recreation capital reserves, Community Works Funds or an increase to the requisition. Any improvements to the gardens would require additional annual maintenance costs added to the parks and recreation operating budget.

Centennial Park Garden Upgrade Project		
Initial Upgrades	Replace wildflower beds with soil improvements, shrubs and plantings	\$5,000
Annual Maintenance (staff time)	Monthly weeding and seasonal planting	\$4,800
Annual Repairs (materials)	Annual soil and bark mulch application	\$2,000
Total		\$11,800

CONCLUSION

Enhancing the gardens in Centennial Park will revitalize one of Salt Spring Island’s most visible and well-used public spaces. Community and social media feedback indicate a desire for more vibrant, well-maintained, and seasonally appealing garden areas. Investing in these improvements will strengthen the park’s role as a welcoming gathering place for residents and visitors alike.

RECOMMENDATION

That the Salt Spring Island Local Community Commission requests that staff defer consideration of the Centennial Park Garden Upgrade Project to the 2027 Budget Planning meeting.

Submitted by:	Dan Ovington, BBA Senior Manager, Salt Spring Island Administration
Concurrence	Stephen Henderson, BSc, MBA, Senior Manager of Real Estate, Southern Gulf Islands Electoral Area and Saltspring Island Local Community Commission

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, NOVEMBER 20, 2025**

SUBJECT **Review of the Jackson Road Pedestrian and Bike Path Design**

ISSUE SUMMARY

To review the Jackson Road pedestrian and bike path design prior to progressing towards final approvals.

BACKGROUND

The Capital Regional District (CRD) is advancing the Jackson Road Pathway Project to improve active transportation connections between Jackson Avenue, McPhillips Avenue, and the Ganges Village core. The project includes new sidewalk, cycling lane, and crosswalk improvements to enhance pedestrian and cyclist safety and expand the island's active transportation network. Engineering consulting services have been initiated to prepare full engineered pathway and cycling designs consistent with Ministry of Transportation and Infrastructure (MOTI) requirements and BC Active Transportation Grant eligibility criteria. The planned design corridor includes:

- 240 metres of sidewalk,
- 200 metres of cycling lane, and
- Three new crosswalks along Jackson Avenue and McPhillips Avenue.

The designs must integrate with existing infrastructure, address environmental and geotechnical constraints, and include coordination with adjacent private landowners where statutory rights-of-way or land acquisitions may be required.

CRD will provide archaeological oversight and coordinate First Nations consultation. The engineering consultant will lead all technical design work, engage MOTI, and manage all required sub-consultants.

IMPLICATIONS

Alignment with Existing Plans & Strategies

This Active Transportation proposal is in alignment with the Salt Spring Island Active Transportation Network Plan (2023). The Salt Spring Island Local Community Commission (LCC) identified the development of active transportation initiatives in and around Ganges Village as a priority in the 2024 LCC Strategic Plan.

Financial Implications

The Active Transportation Infrastructure Grant program is currently deferred and could be re-started in the future. The program required that the local government contribute a minimum of 30% of the project costs associated with developing the project. Other grant programs will also be pursued.

An initial class C estimate is in process and will be further developed following the completion of

the design. Reserve funding of \$130,000 has been included in the 2026 capital plan to support matching funds for potential grant opportunities.

First Nations Reconciliation

WSÁNEĆ Leadership Council and CRD have quarterly meetings to review projects that require land alteration for consideration of archaeology and cultural heritage. This project does not appear to overlap any areas of high potential or registered archaeological sites however given the proximity to surrounding areas of high potential the project may be brought forward to a future quarterly meeting for discussion.

Intergovernmental Implications

The Ministry of Transportation and Infrastructure (MOTI) is the authority having jurisdiction over the road right of ways on Salt Spring Island. Any final design decisions are at the discretion of MOTI.

CONCLUSION

The Jackson Road Pathway Project advances key active transportation priorities for Salt Spring Island by improving safety and connectivity for pedestrians and cyclists. Preliminary designs meet provincial standards and position the project for future grant opportunities. Ongoing coordination with MOTI, First Nations, and affected property owners will refine the final design and ensure regulatory requirements are met.

RECOMMENDATION

There is no recommendation, this report is for information only.

04	MCPHILLIPS AVENUE STA. 1+000 TO STA. 1+090
05	DETAILS
06	TYPICAL SECTIONS

LOCATION PLAN

NOT TO SCALE

GENERAL NOTES:

1.

ALL CONSTRUCTION AND MATERIALS SHALL BE IN ACCORDANCE WITH:
 - CAPITAL REGIONAL DISTRICT ENGINEERING SPECIFICATIONS; UNLESS OTHERWISE NOTED;
 - APPLICABLE CONTRACT DOCUMENTS AND ALL SPECIFICATIONS REFERENCED THEREIN;
 - MINISTRY OF ENVIRONMENT AND/OR FEDERAL DEPARTMENT OF FISHERIES AND OCEANS;
 - MINISTRY OF TRANSPORTATION "BC TRAFFIC CONTROL MANUAL FOR WORK ON ROADWAYS", LATEST EDITION; AND
 - WORK SAFE BC, LATEST EDITION.
- THE CONTRACTOR SHALL MAINTAIN ON SITE COPIES OF THE ABOVE DOCUMENTS AND SHALL ENSURE THAT ALL SUB CONTRACTORS ARE THOROUGHLY FAMILIAR WITH THE APPLICABLE SECTIONS OF THE DOCUMENTS.
2.

THE CONTRACTOR SHALL REPAIR OR REPLACE ANY EXISTING STREETS, SERVICES, SIGNS, LANDSCAPING, DRIVEWAY LETDOWNS, PRIVATE LANDSCAPING, OR PRIVATE IMPROVEMENTS THAT MAY BE DAMAGED AS A RESULT OF CONSTRUCTION. REPAIRS TO EXISTING CAPITAL REGIONAL DISTRICT SERVICES SUCH AS WATER, SANITARY SEWER, STORM SEWER, AND STREET OR TRAFFIC LIGHTING SHALL BE MADE BY THE OWNER AT COST TO THE CONTRACTOR. REPAIRS TO EXISTING SURFACE WORKS MAY BE DONE BY THE CONTRACTOR AT THE DISCRETION OF THE CONTRACT ADMINISTRATOR.
3.

ALL PROVIDED DATA UTILIZES A GRID BASED COORDINATE SYSTEM (SCALE FACTOR = 0.9996076).
4.

THE LOCATION OF EXISTING UTILITIES IS COMPILED FROM OWNER AND UTILITY SUPPLIED RECORD DRAWINGS AND ARE CONSIDERED APPROXIMATE ONLY. THE EXACT LOCATION AND EXTENT OF UTILITIES SHOULD BE DETERMINED BY CONSULTING THE LOCAL AUTHORITIES AND UTILITY COMPANIES CONCERNED. THE CONTRACTOR SHALL VERIFY THE EXACT LOCATION AND INVERT ELEVATION BY HAND OR HYDROVAC EXCAVATION BEFORE CONSTRUCTION OF UTILITY CROSSINGS AND SHALL BE RESPONSIBLE FOR RESTORATION OF ANY DAMAGE TO EXISTING UTILITIES. ANY COSTS ASSOCIATED WITH UTILITY CONFLICTS THAT WERE NOT PRE-LOCATED WILL BE THE CONTRACTORS RESPONSIBILITY.
5.

REPORT ANY DISCREPANCIES TO THE CONTRACT ADMINISTRATOR A MINIMUM 72 HOURS PRIOR TO CONSTRUCTION TO ENSURE THAT THE LINE AND GRADE CAN BE ADJUSTED TO SUIT FIELD CONDITIONS AS REQUIRED.
6.

RESTORATION OF EXISTING DRIVEWAYS, CURBS, STAIRS AND WALKWAYS TO CONFORM TO CAPITAL REGIONAL DISTRICT ENGINEERING SPECIFICATIONS AND THE CONTRACT DRAWINGS; AND TO BE INCIDENTAL TO THE UNIT PRICES IN THE CONTRACT.
7.

EVERY EFFORT IS TO BE MADE TO SAVE EXISTING LANDSCAPING WITHIN THE ROAD R.O.W. LANDSCAPING IS TO BE RESTORED TO ITS ORIGINAL OR BETTER CONDITION. IN THE EVENT OF LANDSCAPING REMOVAL THE PROPERTY OWNER SHALL BE ADVISED OF THE REMOVAL AND THE LANDSCAPING PLACED IN OWNERS PROPERTY UPON THEIR REQUEST.
8.

ALL SURVEY MONUMENTS WITHIN THE PROJECT BOUNDARIES SHALL BE PROTECTED DURING THE COURSE OF THE WORK. SHOULD ANY SURVEY MONUMENT REQUIRE RAISING OR RELOCATION, THE CONTRACTOR SHALL NOTIFY THE CONTRACT ADMINISTRATOR AT LEAST 72 HOURS IN ADVANCE OF SCHEDULING WORK.
9.

SURVEY PINS DISTURBED DURING THE COURSE OF CONSTRUCTION SHALL BE REPLACED BY A B.C. LAND SURVEYOR AT THE CONTRACTOR'S EXPENSE.
10.

ALL ELEVATIONS ARE GEODETIC AND REFERENCED TO INTEGRATED SURVEY MONUMENT ELEVATIONS LOCATED ON ROAD RIGHT-OF-WAYS.
11.

ALL PUBLIC ROADWAYS AFFECTED BY THE WORKS SHALL BE KEPT IN A CLEAN STATE AT ALL TIMES AND FREE OF EQUIPMENT AND MATERIALS AT ALL TIMES WHEN CONSTRUCTION ACTIVITY IS NOT UNDERWAY. DUST CONTROL MEASURES SHALL ALSO BE EMPLOYED.
12.

THE CONTRACTOR IS SOLELY RESPONSIBLE FOR CONSTRUCTION MEANS, METHODS, TECHNIQUES, SEQUENCES AND PROCEDURES, AND FOR COORDINATING THE VARIOUS PARTS OF THE WORK. -THE CONTRACTOR IS RESPONSIBLE TO ENSURE THAT DISRUPTION TO SERVICE SHOULD BE MINIMIZED AND COORDINATED WITH THE CONTRACT ADMINISTRATOR AND OWNER. IF DISRUPTION IS ANTICIPATED, TO NOTIFY THE CONTRACT ADMINISTRATOR & OWNER A MINIMUM OF 72 HOURS PRIOR, AND OBTAIN APPROVAL FOR THE DISRUPTION.
13.

THE CONTRACTOR SHALL PROVIDE TEMPORARY PATCHING OF SIDEWALKS AND CURBS AND GUTTERS TO BE MADE WITH HOT MIX ASPHALT AND MEET THE EXISTING SURFACE.
14.

ALL GRASS AREAS TO BE REINSTATED TO EXISTING OR BETTER CONDITION. THE CONTRACTOR IS RESPONSIBLE FOR A 1 YEAR MAINTENANCE PERIOD. GRASS AREA'S SHALL BE COMPLETED AS SPECIFIED WITHIN THE CONTRACT DRAWINGS, EITHER :

A)

200mm OF TOPSOIL AND HYDROSEEDDED PER THE PROCEEDING SPECIFICATIONS (WHERE SPECIFIED); OR

B)

200mm OF TOPSOIL AND PREMIER PACIFIC SEEDS "PREMIER 100% NATIVE RIPARIAN MIX" OR APPROVED ALTERNATIVE (WHERE SPECIFIED).
15.

PAVEMENT MARKINGS AND SIGNAGE ARE TO BE PER TAC MUTCD UNLESS OTHERWISE NOTED.
16.

SURFACE RESTORATION IS TO BE COMPLETED AS PER CAPITAL REGIONAL DISTRICT ENGINEERING SPECIFICATIONS AND THE CONTRACT DRAWINGS; UNLESS OTHERWISE NOTES.
17.

SURFACE MILLING INCLUDES ALL BUTT JOINTS, AND MINOR PROFILING AS SHOWN ON THE CONTRACT DRAWINGS AND AS DIRECTED BY THE CONTRACT ADMINISTRATOR. ALL BUTT JOINTS TO BE SURFACE MILLED TO 0 TO 50mm OVER MIN. 5m LENGTH OR AS DIRECTED BY CONTRACT ADMINISTRATOR. BUTT JOINTS TO BE "KEYED IN".
18.

THE CONTRACTOR WILL BE RESPONSIBLE FOR COMPLETION OF ALL TAPED TEMPORARY AND PERMANENT PAINT AND THERMOPLASTIC PAVEMENT MARKINGS IN THE *PLACE OF THE WORK*. THE OWNER WILL NOT BE PROVIDING ROAD MARKING DRAWINGS FOR THE INSTALLATION OF PERMANENT MARKINGS. THE CONTRACTOR SHALL THEREFORE BE REQUIRED TO PERFORM ANY PRE AND POST-CONSTRUCTION SURVEY WORK ESSENTIAL FOR THE REINSTATEMENT OF PERMANENT PAVEMENT MARKINGS TO THEIR PRE-CONSTRUCTION LOCATIONS. TEMPORARY PAVEMENT MARKINGS ARE TO BE PLACED DAILY. PERMANENT LANE MARKINGS ARE TO BE PLACED WITHIN SEVENTY-TWO (72) HOURS OF FINAL PAVING AND PERMANENT THERMOPLASTIC PAVEMENT MARKINGS ARE TO BE PLACED WITHIN FIVE (5) DAYS OF FINAL PAVING.
19.

WORK ON MUNICIPAL ROAD ALLOWANCE PERMIT MUST BE ACQUIRED FROM THE CAPITAL REGIONAL DISTRICT PRIOR TO CONSTRUCTION (CRD REQUIRES MINIMUM 5 DAYS TO PROCESS PERMIT REQUEST).

ENVIRONMENTAL NOTES:

1.

ALL CATCHBASINS IN PROXIMITY TO TRENCH WORK OR EXPOSED ROAD BASE WILL BE FITTED WITH MANUFACTURED INLET CONTROL DEVICES AND OR 'FILTER SACK' TYPE CATCHBASIN CONTROL (OR APPROVED ALTERNATIVE). CONTROL DEVICES TO BE MAINTAINED IN A FULLY FUNCTIONAL STATE AT ALL TIMES.
2.

INLET CONTROL DEVICES (I.E. FILTER SACKS) MUST HAVE A MINIMUM 8" DROP FROM SURFACE OF THE CATCHBASIN.
3.

UNDER NO CIRCUMSTANCES ARE CATCHBASINS TO BE FITTED WITH GEOTEXTILE SHEATHS CUT FROM STOCKPILE ROLLS.
4.

AVOID EARTH DISTURBING ACTIVITIES DURING SUBSTANTIAL RAIN EVENTS.
5.

THE CONTRACTOR SHOULD AVOID STOCKPILING SOILS, SANDS AND OTHER ERODIBLE MATERIALS ONSITE WHERE POSSIBLE. IT IS PREFERABLE TO "HOT-LOAD" SPOIL DIRECTLY INTO TRUCKS FOR OFFSITE DISPOSAL. IF TEMPORARY WASTE OR SOIL STOCKPILES ARE NECESSARY, MAKE SURE THEY ARE FULLY COVERED WITH POLYETHYLENE DRAWING OR TARPS AND WEIGHTED WITH SANDBAGS.
6.

TRACKING OF SEDIMENT, SOIL AND/OR ROADBASE FROM WORKSITE TO VEHICLE TRAVEL LANES MUST BE PREVENTED.
7.

ROADS MUST BE SWEEP CLEAN OF SOIL, LOOSE ROAD BASE, EARTH AND SEDIMENT. MECHANICAL SWEEPING IS PREFERRED TO MANUAL SWEEPING. HOWEVER, FREQUENT HAND SWEEPING IS PREFERABLY TO ONCE DAILY MECHANICAL SWEEPING.
8.

THE CONTRACTOR IS RESPONSIBLE FOR ENSURING THAT NO SEDIMENT OR SEDIMENT LADEN WATER IS DISCHARGED FROM THE WORKS TO THE OWNER'S DRAINAGE SYSTEM .
9.

AN EMERGENCY SPILL KIT WILL BE KEPT ONSITE AT ALL TIMES THE CONTRACTOR IS OPERATING. SPILL KITS MUST INCLUDE BOOMS, SPILL PADS, GLOVES, AND CATCHBASIN BARRIERS. A SPILL KIT WITH AT LEAST 125 LITRES ABSORBENCY IS RECOMMENDED. SANDBAGS AND A SUPPLY OF SAND MUST BE KEPT ONSITE.
10.

IT IS THE CONTRACTOR'S RESPONSIBILITY TO DEVELOP A SPILL RESPONSE PLAN THAT PROVIDES WRITTEN SAFE WORK PROCEDURES IN THE EVENT OF A SPILL.
11.

THE CONTRACTOR IS TO HAVE ONSITE SODIUM THIOSULPHATE TO TREAT CHLORINATED WATER IN THE EVENT OF A WATER MAIN BREAK.
12.

THE CONTRACTOR IS TO DISPOSE OF CHLORINATED WATER AT AN APPROVED LOCATION ONLY AFTER APPROPRIATE TREATMENT WITH SODIUM THIOSULPHATE. AT NO TIME WILL THE CONTRACTOR DISCHARGE CHLORINATED WATER DIRECTLY TO A CATCHBASIN, CREEK, DITCH OR SWALE.
13.

THE CONTRACTOR IS TO OBTAIN OWNER'S APPROVAL PRIOR TO DISCHARGING FLUSHING WATER OR DISINFECTION WATER TO OWNER SANITARY SEWER MANHOLES.

TRAFFIC MANAGEMENT, NOTIFICATION AND APPROVAL NOTES:

1.

THE CONTRACTOR SHALL PROVIDE CONSTRUCTION SIGNAGE, BARRIERS, FLASHING INDICATORS, ETC. AT ALL TIMES TO ENSURE THE SAFETY OF THE PUBLIC. TRAFFIC CONTROL WILL BE REQUIRED FOR ALL CONSTRUCTION WORKS WITHIN THE TRAVELED PORTION OF THE ROAD. NO ROAD SHALL BE CLOSED WITHOUT THE WRITTEN CONSENT OF THE OWNER.
2.

THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE DISPOSAL OF ALL EXCAVATED MATERIAL UNSUITABLE FOR REUSE AT A SUITABLE OFF-SITE DISPOSAL AREA, IN ACCORDANCE WITH ALL APPLICABLE REGULATIONS.
3.

THE CONTRACTOR SHALL ENSURE THAT ALL APPROVALS REQUIRED FOR THE PROPOSED WORKS HAVE BEEN OBTAINED FROM ALL AUTHORITIES AND AGENCIES PRIOR TO COMMENCING THE WORK.
4.

RESIDENTS, BUSINESSES & SCHOOL DISTRICT DIRECTLY AFFECTED BY CONSTRUCTION OF THESE WORKS AND SERVICES SHALL BE GIVEN 5 DAYS WRITTEN NOTICE OF THE PROPOSED START OF CONSTRUCTION. THE CONTRACTOR IS TO DISTRIBUTE A NOTICE OF CONSTRUCTION LETTER TO ALL AFFECTED RESIDENTS AND BUSINESSES. LETTER TO DIRECT INQUIRIES TO CONTRACT ADMINISTRATOR. FOLLOWING CONSTRUCTION ACTIVITY ON ANY PRIVATE PROPERTY, A WRITTEN RELEASE MAY BE REQUIRED FROM THE PROPERTY OWNER AT THE DISCRETION OF THE OWNER.
5.

APPROVALS FOR REQUIRED TREE CUTTING OR TRIMMING NOT INDICATED IN CONTRACT DRAWINGS SHALL BE OBTAINED BY THE CONTRACTOR FROM THE OWNER PRIOR TO WORK BEING PERFORMED.
6.

CONTRACTOR TO OBTAIN APPROVED LANE CLOSURE REQUEST FORM FOR ALL WORKS. APPROVED REQUESTS ARE CIRCULATED TO ALL EMERGENCY SERVICES. CONTRACTOR TO PROVIDE MINIMUM 7-DAYS NOTICE TO THE CAPITAL REGIONAL DISTRICT AND MOTI.
9.

CONTRACTOR TO SUBMIT A TRAFFIC MANAGEMENT PLAN WITH LANE CLOSURE REQUEST FOR ALL MAJOR ROADS AND ANY LOCAL ROADS WHICH REQUIRE ANY DETOURS.
10.

ALL TRAFFIC CONTROL TO CONFORM TO THE LATEST EDITION OF THE BC MOTI TRAFFIC CONTROL MANUAL FOR WORK ON ROADWAYS.
11.

APPROVAL OF NOISE VARIANCE FOR ALL WORK OUTSIDE OF NORMAL APPROVED WORK HOURS REQUIRED BY THE CAPITAL REGIONAL DISTRICT.
12.

NOTICE OF CONSTRUCTION SIGNS TO BE INSTALLED AT PROJECT LIMITS AS PER BELOW. NOTIFY CONTRACT ADMINISTRATOR WITH CONSTRUCTION SCHEDULE AND LOCATIONS. SIGNS PROVIDED AND INSTALLED BY CONTRACTOR.
13.

CONTRACTOR TO PROVIDE NOTICE OF CONSTRUCTION SIGNS AT LOCATIONS DETERMINED BY THE CONTRACT ADMINISTRATOR A MINIMUM OF 5 DAYS PRIOR TO THE START OF CONSTRUCTION.
14.

THE CONTRACTOR SHALL NOTIFY BC TRANSIT A MINIMUM OF TWO WEEKS PRIOR TO CONSTRUCTION. THE CONTRACTOR IS RESPONSIBLE FOR COORDINATING WITH BC TRANSIT FOR THE RELOCATION OF BUS STOPS.

PARKS NOTES:

1.

THE OWNER WILL RETAIN THE PROJECT ARBORIST. THE PROJECT ARBORIST SHALL SUPERVISE EXCAVATION WORK WITHIN CRITICAL ROOT ZONES OF ALL TREES.
2.

ALL EXCAVATION WORK WITHIN 5 METERS OF ALL TREES SHALL BE SUPERVISED BY AN I.S.A. CERTIFIED ARBORIST (PROJECT ARBORIST).
3.

THE CONTRACTOR MUST CONTACT THE PARKS DIVISION PRIOR TO THE START OF SITE WORK TO IDENTIFY THE PROJECT ARBORIST AND PROVIDE THE DATES THAT THE PROJECT ARBORIST WILL BE ON SITE.
4.

TREE PROTECTION MEASURES MUST BE USED TO RETAIN THE HEALTH, STRUCTURE, STABILITY AND REDUCE NEGATIVE IMPACTS TO THE TREES.
5.

ROOTS CRITICAL FOR TREE HEALTH, STRUCTURE AND STABILITY SHALL BE PRESERVED AND PROTECTED THROUGHOUT THE PROJECT.
6.

THE PROJECT ARBORIST SHALL UNDERTAKE/SUPERVISE ALL REQUIRED ROOT CUTTING.
7.

NON-DAMAGING METHODS OF EXCAVATION ARE REQUIRED AROUND TREES, AIR SPADING, HAND DIGGING AND HYDRO EXCAVATION MAY BE REQUIRED AS DIRECTED BY THE PROJECT ARBORIST.
8.

WHEN HYDRO-EXCAVATING, LOW PRESSURE OR HAND DIGGING MUST BE USED TO EXPOSE THE TREE ROOTS. ONCE EXPOSED, THE ROOTS MUST BE WRAPPED FOR PROTECTION FROM DAMAGE.
9.

WHEN ROOTS ARE TO REMAIN EXPOSED FOR MORE THAN 2 DAYS, PROTECTION MUST BE PUT IN PLACE TO STOP DRYING AND DESICCATION OF THE EXPOSED ROOTS.
10.

THE PARKS DIVISION MUST BE CONTACTED IMMEDIATELY IF THE PROJECT ARBORIST IDENTIFIES DECAY, STRUCTURAL FLAW, TREE INSTABILITY OR CONSTRUCTION IMPACTS THAT REQUIRE THAT A TREE OR PORTION OF A TREE BE REMOVED.
11.

THE PROJECT ARBORIST SHALL PROVIDE A WRITTEN REPORT TO CRD PARKS DETAILING THE WORK THAT WAS UNDERTAKEN, IMPACTS TO THE TREE/TREES AND ANY RECOMMENDED REMEDIAL WORK.
12.

HYDROSEEDING TO BE USED FOR TOPSOIL SURFACE RESTORATION WHERE POSSIBLE (UNLESS OTHERWISE NOTED).
13.

ALL TREE REMOVAL TO BE COMPLETED OUTSIDE OF BIRD NESTING WINDOW (MARCH 15 - AUGUST 17)

THE CONTRACTOR MUST OBTAIN TREE PERMIT(S) FROM PARKS AS REQUIRED FOR WORK.

STORM DRAIN NOTES:

1.

SEWER AND DRAIN PIPE UP TO AND INCLUDING 150mm DIAMETER SHALL BE PVC DR-28 UNLESS OTHERWISE NOTED.
2.

SEWER AND DRAIN PIPE 200mm TO 525mm SHALL BE PVC DR-35 UNLESS OTHERWISE NOTED.
3.

ALL PVC PIPE SHALL BE C.S.A APPROVED.
4.

ALL CATCH BASIN LEADS SHALL BE 150mm DIAMETER PVC DR-28 AT MINIMUM 2.0% (UNLESS NOTED OTHERWISE).
5.

PROVIDE SHOP DRAWINGS FOR APPROVAL PRIOR TO CONSTRUCTION FOR ALL MANHOLES / MANHOLE BASES.
6.

A PROFESSIONAL ENGINEER, REGISTERED IN THE PROVINCE OF BC, SHALL REVIEW, INSPECT, AND USE BEST ENGINEERING PRACTICES TO PROTECT THE EXISTING CRD RESIDUAL SOLIDS LINE FROM THE EXCAVATION, BACKFILL AND COMPACTION ACTIVITIES. THE CONTRACTOR SHALL PROVIDE MINIMUM 1-DAYS WRITTEN NOTICE PRIOR TO WORK WITHIN 3.0 m OF EXISTING CRD INFRASTRUCTURE.
7.

THE CONTRACTOR SHALL INITIATE A BC1 CALL SHALL DURING THE CONSTRUCTION PHASE (INCLUDING EXPLORATORY EXCAVATIONS OR PRE-LOCATES) TO REQUEST A UTILITY LOCATE SERVICE TO PROTECT THE EXISTING CRD RESIDUAL SOLIDS LINE.

Making a difference...together

REPORT TO THE SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION MEETING OF THURSDAY, November 20, 2025

SUBJECT SSI LCC Meeting 2026 Schedule

ISSUE

To approve the 2026 meeting schedule for the Salt Spring Island Local Community Commission.

BACKGROUND

The Salt Spring Island Local Community Commission (LCC) directed staff to schedule evening meeting beginning at 5pm on the second Thursday of the month and daytime meeting beginning at 9am on the third Thursday of the month for 2025. Meetings held in August and December were listed “at the call of the chair”.

In addition in 2025 to regularly scheduled monthly meetings 7 special meetings took place to accommodate special budget meetings, workshops and Joint Island Trust meetings.

2026 is a general election year. As such, there will be no evening meeting scheduled for November after the election in October. The newly elected commissioners will be sworn in during the daytime meeting in November. The provisional budget schedule will also be adjusted due to the election.

In 2026 there are three special meetings scheduled jointly with the Salt Spring Local Trust Committee on the following dates:

- Thursday February 26, 2026 (Island Trust host)
- Thursday May 28, 2026 (CRD host)
- Thursday November 26, 2026 (Island Trust host)

When determining monthly meeting schedules the LCC should note:

Local Agency	Meeting Schedule
SSI Fire and Rescue Trustees	Meetings are typically held on the third Monday of each month.
SD64 School Board Trustees	Meetings are typically held on the second Wednesday of each month.
SSI Rotary Club	Meeting are held weekly on Wednesdays
North Salt Spring Water Works	Meetings are typically held on the fourth Thursday of the month.
SSI Local Trust Committee	Meetings are held on the second Thursday of each month except for when there is a statutory holiday which can

	cause the meeting date to <u>move by a week in either direction.</u>
SSI Lions Club	Meeting are held every second and fourth Thursday of the month in the evenings
CRD Board / CRD Electoral Area Committee	Meetings are typically held on the second Wednesday of each month.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission directs that the regular meetings for the Local Community Commission will be scheduled in 2026:
