SENIOR MANAGER

Bylaw Notice Enforcement & Adjudication System

Presentation to SSI LCC March 19, 2026

When was the *Local Government Bylaw Notice Enforcement Act* enacted?

The **Local Government Bylaw Notice Enforcement Act** *is* an enacted piece of legislation in British Columbia. It was introduced as a statute in 2003 (SBC 2003, Chapter 60), received Royal Assent on **October 23, 2003**.

Why was the *Act* created?

The Act was created to give local governments a simpler, fair, and cost-effective way to handle minor bylaw issues without going through the courts.

CRD Municipal Ticketing Bylaw 1857 – Key Updates

Standardized Fines

Same offense, same fine. Example: Obstruction in Regional Parks was \$500, Community Parks \$250 → now \$500, consistent and fair.

Simplified Wording

Clear, concise, and consistent. Easier to read—no more cramming long text into the little ticket square!

Aligned Schedules

MTI Bylaw schedules now match the Bylaw Notice Enforcement Bylaw appendices → easier to update and enforce consistently.

- Provides alternative enforcement methods
- Non-Judicial Process
- Voluntary Compliance Focused
- Efficient and cost effective, decreases staff and administrative time
- Minimizes provincial court time and draw on legal resources
- Quicker resolution for all parties
- Fair and transparent process

Three Paths to Compliance

Many enforcement tools, one goal: restoring balance.

Feature	Bylaw Notice (NEW)	Municipal Ticket (MTI)	Offence Act Prosecution
Decision Maker	Independent Adjudicator	Provincial Court Judge	Provincial Court Judge
Maximum Penalty	\$500 (Civil)	\$500-\$3,000	Up to \$50,000 (Criminal)
Standard of Proof	Less Onerous	Balance of Probabilities	Beyond Reasonable Doubt
Evidence Type	Simplified Procedures	Witness Testimony	Full Witness Testimony
Processing Time	Weeks to Months	Months	Many Months to Years
Legal Review	Judicial Review (Reasonableness)	Appeal	Appeal
Best Used For	Minor-Medium Violations	Medium Violations	Serious/Repeat Offenders

Bylaw Notice vs. Municipal Ticket

Screening Officer

Efficient, fair, and proportionate

Bylaw Notice vs. Municipal Ticket

Provincial Court is your only option which may require legal assistance.

Municipal Ticket

Quasi-Criminal Process

Higher Administrative Burden

What is a Compliance Agreement?

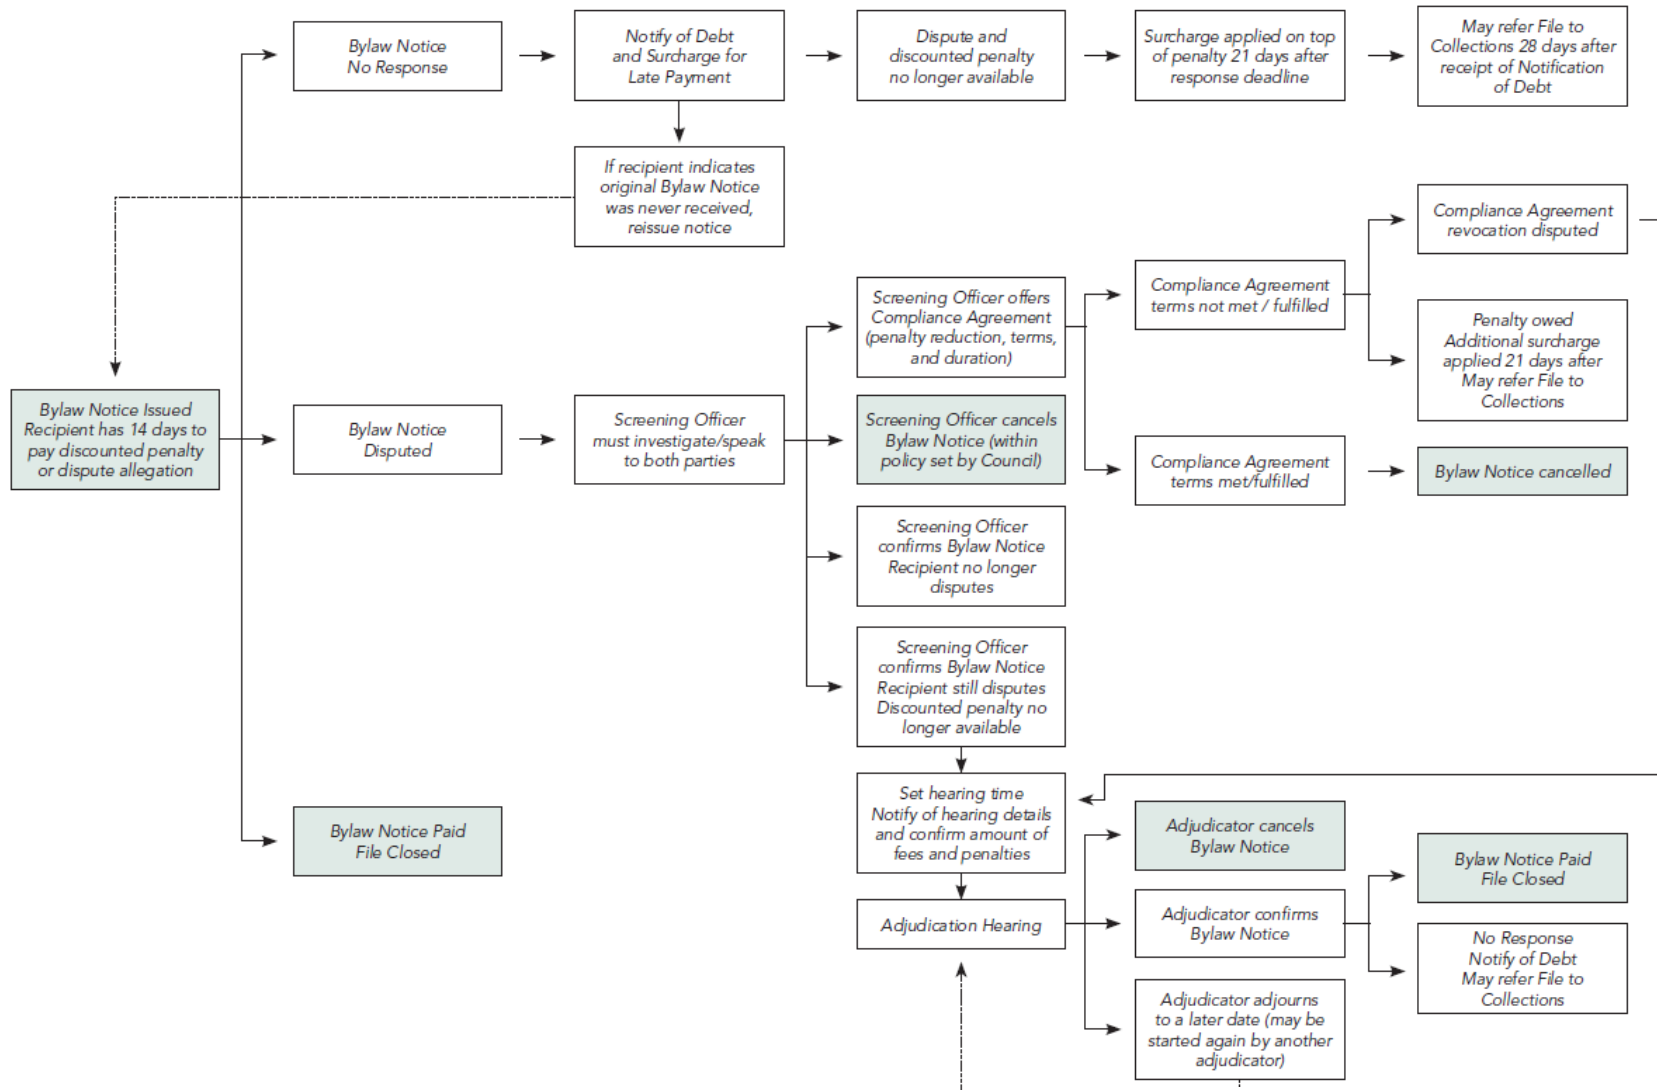

A tool under the Bylaw Notice Enforcement Bylaw that lets someone address a bylaw violation without going to court.

It's voluntary, but once signed, it's legally binding (*for up to 1 year*).

Disputes & Reviews

Making a difference...together

Screening Officer vs. Adjudicator

Role	What They Do
Screening Officer	<ul style="list-style-type: none">• Reviews disputes before it goes to a hearing.• Listens to both sides, may adjust or cancel the bylaw notice, keeps it fair and out of court.• Prepares and files Compliance Agreements.
Adjudicator	<ul style="list-style-type: none">• Reviews disputes at a formal hearing.• Makes a binding decision, can confirm, reduce, or cancel the fine, and can require compliance.

CAPITAL REGIONAL DISTRICT

BYLAW NO. 4683

A BYLAW RESPECTING THE ENFORCEMENT OF BYLAW NOTICES

WHEREAS pursuant to the *Local Government Bylaw Notice Enforcement Act*, SBC 2003, c 60 and regulations thereto, a local government may, by bylaw;

- A. Designate bylaw contraventions that may be dealt with by Bylaw Notice;
- B. Establish the amount of penalty for a contravention referred to in paragraph A;
- C. Establish the period for paying or disputing a Bylaw Notice; and
- D. Establish a Bylaw Notice dispute adjudication system to resolve disputes in relation to Bylaw Notices.

NOW THEREFORE, the Capital Regional District Board in open meeting assembled hereby enacts as follows:

1. DEFINITIONS AND INTERPRETATION

In this Bylaw,

- a) **“Act”** means the *Local Government Bylaw Notice Enforcement Act*;
- b) **“CRD”** means the Capital Regional District;
- c) **“Registry”** means the Bylaw Notice Dispute Adjudication Registry;
- d) a reference to a person designated as a screening officer or bylaw enforcement officer by virtue of their appointed position includes a person appointed to a similar position with substantially the same duties and functions.

2. TERMS

The terms in this Bylaw have the same meaning as the terms defined in the *Act*.

3. BYLAW CONTRAVENTIONS

The bylaws and bylaw contraventions designated in Schedule “A”, Appendix 1, attached hereto and forming part of this bylaw, may be dealt with by Bylaw Notice.

4. PENALTY

The penalty for a contravention referred to in Section 3 is as follows:

- a) subject to paragraphs 4 (b) and (c), is the Penalty amount set out in the “Fine Amount” column of the *Appendices* of Schedule “A”;

- b) if received by the CRD within 14 days after the person received or is presumed to have received the Bylaw Notice, is the Early Payment Penalty set out in the “Early Payment” column of the *Appendices* of Schedule “A”;
- c) if received by the CRD more than 28 days after the person received or is presumed to have received the Bylaw Notice, is subject to the late payment surcharge set out in the “Late Payment” column of the *Appendices* of Schedule “A”, in addition to the Penalty amount under paragraph 4 (a).

5. PERIOD FOR PAYING OR DISPUTING NOTICE

- a) A person who receives a Bylaw Notice must, within 14 days of the date on which the person received or is presumed to have received the Bylaw Notice:
 - i. pay the penalty; or
 - ii. request dispute adjudication;

by filling in the appropriate portion of the Bylaw Notice indicating either a payment or a dispute and delivering it by the methods detailed on the Bylaw Notice.

- b) A person may pay the indicated penalty after 14 days of receiving or being presumed to have received the Bylaw Notice, subject to the applicable late payment surcharge for late payment in accordance with Section 4 (c) of this Bylaw, but no person may dispute the Bylaw Notice after fourteen (14) days of receiving or being presumed to have received the Bylaw Notice.
- c) Where a Bylaw Notice was delivered other than in person, and the person to whom a notice under section 24(1) of the *Act* is sent advises the CRD in accordance with the 21-day time limit in section 25 of the *Act* that they did not receive a copy of the Bylaw Notice.

6. BYLAW NOTICE DISPUTE ADJUDICATION REGISTRY

- a) The Registry is established as a bylaw notice dispute adjudication system in accordance with the *Act* to resolve disputes in relation to bylaw notices.
- b) The civic address of the Registry is unit 212-2780 Veterans Memorial Parkway, Langford, BC V9B 3S6.
- c) Every person who is unsuccessful in a dispute adjudication in relation to a bylaw notice or a compliance agreement under the dispute adjudication system established under this Bylaw, must pay the CRD an additional administration fee of twenty-five (25) dollars for the purpose of the CRD recovering the costs of the adjudication system.

7. SCREENING OFFICERS

- a) The position of Screening Officer is established.
- b) The persons holding the following positions are designated classes of persons that are appointed as Screening Officers:
 - i. Senior Manager, Protective Services
 - ii. Manager, Bylaw Enforcement and Animal Care
 - iii. Senior Bylaw Enforcement Officer
 - iv. Senior Administrative Officer (Bylaw)

8. POWERS, DUTIES AND FUNCTIONS OF SCREENING OFFICERS

- a) The powers, duties and functions of Screening Officers are as set out in the *Act*, and include the following:
- i. Where requested by the person against whom a contravention is alleged, communicate information respecting the nature of the contravention, the provision of the bylaw contravened, the facts on which the contravention allegation is based, the penalty for a contravention, the opportunity to enter into a compliance agreement, the opportunity to proceed to the bylaw notice adjudication system and the fee or fees payable in relation to the bylaw notice dispute adjudication process.
 - ii. To communicate with any or all the following for the purposes of performing their functions under the *Act*:
 - 1) the person against whom a contravention is alleged or their representative;
 - 2) the bylaw enforcement officer issuing the bylaw notice;
 - 3) the complainant or their representative;
 - 4) CRD staff and records regarding the disputant's history of bylaw compliance.
 - iii. To prepare and enter into compliance agreements under the *Act* with persons who dispute bylaw notices, including the establishment of terms and conditions for compliance that the Screening Officer considers necessary or advisable, including time periods for payment of penalties and compliance with this Bylaw.
 - iv. To provide for payment of a reduced penalty if a compliance agreement is entered into, as provided in each of the Schedules to this Bylaw; and
 - v. To cancel bylaw notices in accordance with the *Act* or CRD policies and guidelines.
- b) The maximum duration of a compliance agreement is one year.
- c) The bylaw contraventions in relation to which a Screening Officer may enter into a compliance agreement are listed in the "Compliance Agreement Available" column in Schedule "A".
- d) Where a compliance agreement is entered into, the penalty payable for the offence shall be reduced to one half of the "Fine Amount" for the offence as listed in each of the Schedules to this Bylaw.

9. BYLAW ENFORCEMENT OFFICERS

Designated bylaw enforcement officers for the purposes of this Bylaw and the *Act* are those persons listed under "Designated Bylaw Enforcement Officer" in Schedule "A".

10. FORM OF BYLAW NOTICE

The CRD may, from time to time, provide for the form or forms of the bylaw notice, provided the bylaw notice complies with Section 4 of the *Act*.

11. SCHEDULES

- a) Schedule "A", Designated Bylaws and Bylaw Enforcement Officers; and Designated Bylaw Contraventions and Penalties;

are attached and form part of the bylaw.

12. SEVERABILITY

If any provision of this Bylaw is held to be invalid by a court of competent jurisdiction, the provision may be severed from the Bylaw and such invalidity shall not affect the validity of the remaining portions of this Bylaw. This Bylaw shall take effect upon the date of its adoption.

13. CITATION

This Bylaw may be cited for all purposes as "Bylaw Notice Enforcement Bylaw No. 1, 2025".

**REPORT TO PLANNING AND PROTECTIVE SERVICES COMMITTEE
MEETING OF WEDNESDAY, SEPTEMBER 17, 2025**

SUBJECT Bylaw Notice Enforcement and Adjudication System

ISSUE SUMMARY

Requesting approval to establish and implement a Bylaw Notice Enforcement Bylaw (BNE) and Screening Officer Policy for the CRD and the amendments to the Municipal Ticket Information Bylaw No.1871 to align with the new BNE system be approved.

BACKGROUND

At the Capital Regional District (CRD) Board meeting on September 11, 2024, the following motion was carried:

1. *That a Bylaw Notice Enforcement and Adjudication System be endorsed;*
2. *That staff be directed to prepare bylaws, policies and agreements for the implementation of the Bylaw Notice Enforcement and Adjudication System provided for in the Local Government Bylaw Notice Enforcement Act, for the Board's approval; and*
3. *That staff be directed to work with Court Services Branch, Ministry of Attorney General to request the Lieutenant Governor in Council of the Province of British Columbia enact a Regulation under Section 29 of the Local Government Bylaw Notice Enforcement Act, applying the Act to the Capital Regional District.*
4. *That the proposed Bylaw Notice Enforcement and Adjudication System be referred to the Electoral Areas Committee for input before finalizing bylaws, policies, and agreements that will be submitted for CRD Board approval.*

A copy of the staff report dated July 17, 2024, which includes background information on the Bylaw Notice system and process, is attached as Appendix A.

Staff have received the Order in Council from the Ministry of the Attorney General, Justice Services Branch, that the CRD has been added to Schedule 1 of the *Act*, which took effect on April 9, 2025 (see Appendix B). This now allows the CRD to adopt a Bylaw Notice Enforcement and Adjudication system.

The proposed Bylaw is attached to this report as Appendix C. The Bylaw establishes the *Bylaw Notice Enforcement Bylaw*, the role of *Screening Officer* and outlines the types of offences that are subject to enforcement through issuance of a Bylaw Enforcement Notice. The Bylaw includes the current and proposed fine amounts that have been established in the CRD Ticket Information Authorization Bylaw, 1990 (MTI) that are under \$500, and offers an early payment discount and late payment penalty. The proposed Screening Officer policy is attached as Appendix D. Under the *Bylaw Notice Enforcement Act*, a Screening Officer may cancel a Bylaw Enforcement Notice if the violation did not occur as alleged or if the Bylaw Enforcement Notice does not contain the information required by the *Act*. The *Act* also provides that a local government may authorize additional grounds under which a Screening Officer may cancel a Bylaw Notice. The proposed policy establishes additional grounds for cancellation that have been used successfully in other jurisdictions that have implemented the system.

The additional grounds are meant to provide Screening Officers with the flexibility to reduce the number of tickets that proceed to adjudication in circumstances where there are fairness concerns or where a Bylaw Enforcement Notice would not likely be upheld at an adjudication. Examples from the policy include:

- the contravention was necessary for the preservation of health and safety
- the contravention did not occur as alleged
- it is not in the public interest to proceed to adjudication for one of the following reasons:
 - the disputant was permitted or entitled to take action, but the issuing bylaw officer was unaware of this permit or entitlement
 - the matter is of sufficient importance that the CRD wishes to pursue avenues of bylaw enforcement other than under the *Act* or the Bylaw

The Screening Officers listed in the policy are those positions that are bylaw enforcement trained staff or management that are commonly used in screening officer policies in the local governments listed in the *Act*.

Bylaw Services staff have worked to align the CRD Ticket Information Authorization Bylaw, 1990 (MTI), to ensure that it is consistent throughout (see Appendix E). This will assist staff when amending the BNE bylaw, as all amendments must be done in both the MTI and the BNE Bylaws. If the Board approves the BNE system and the bylaw is adopted, Bylaw Services staff will provide training on the new system, ongoing support and be responsible for amendments to the MTI and BNE bylaws. Their involvement is necessary to ensure the enforcement remains consistent and aligns with both bylaws. Both of these bylaws were presented to the Electoral Areas Committee for review on July 9, 2025 prior to submission to this committee and no concerns or changes were raised at that time.

How does the BNE system work?

The primary differences between the current MTI used by the CRD and the new BNE system are laid out in Table A below.

Table A: Key Differences between Municipal Ticket Information and Bylaw Notice Enforcement

	Municipal Ticket Information	Bylaw Notice Enforcement
Max Penalty	\$3,000	\$500
Manner of Service	Must be in person to the accused (or another adult at their address)	In person, by mail or affixed to a stationary object, i.e., front door of dwelling or a vehicle
Disputed Ticket	May be litigated through provincial courts to a standard 'Beyond Reasonable Doubt'	Step 1: Reviewed by Screening Officer: may result in education resulting in a reduction, entering into a Compliance Agreement, which is valid for one year or if an agreement cannot be reached Step 2: Goes to adjudication to be decided on a standard of 'Balance of Probabilities'
Consequence, If Ignored	No penalty, fine immediately due	Penalty added to fine and immediately due

Functionally, the BNE is easier to administer and should lead to lower costs for the CRD by significantly reducing ticket disputes that are heard in provincial court, as the BNE are addressed with current staff and an adjudicator, which cost is covered by the \$25 fee charged to the disputant. Those appealing the system in good faith will have the opportunity to work with staff to better understand the bylaw and come to a mutually beneficial agreement. Staff will report back to the Committee on the effectiveness after a full year of use of the system to show costs saved, compliance rate and how many notices lead to adjudication including the result.

ALTERNATIVES

Alternative 1

The Planning and Protective Services Committee recommends to the Capital Regional District Board:

1. That Bylaw No. 4683, "Bylaw Notice Enforcement Bylaw No. 1, 2025" be introduced and read a first, second, and third time; and
2. That Bylaw No. 4683 be adopted.
3. That Bylaw No. 4703, "Capital Regional District Ticket Information Authorization Bylaw, 1990, Amendment Bylaw No. 87, 2025" be introduced and read a first, second, and third time; and
4. That Bylaw No. 4703 be adopted.
5. That the Screening Officer Bylaw Notice Policy, as attached hereto as Appendix D, be adopted.

Alternative 2

That this report be referred back to staff for additional information based on Planning and Protective Services Committee direction.

IMPLICATIONS

Alignment with Board & Corporate Priorities

The introduction of a Bylaw Dispute Adjudication System supports the CRD Board's focus on the delivery of efficient, effective and economically viable services, as well as the opportunity to partner with other local governments in the delivery of services.

Alignment with Existing Plans & Strategies

As an alternative to the MTI, the BNE enables a more efficient and cost-effective administrative process for addressing bylaw violations and has been identified by Bylaw and Animal Care Services staff as an effective additional tool to assist in improving the efficiency of enforcing and gaining compliance with bylaw violations.

Financial Implications

The costs associated with introducing the system are estimated to be approximately \$5,000, which will go towards printing the initial stock of BNE books and training. The annual costs to support the system are estimated to be approximately \$2,500, which would be for maintaining stock of the BNE books, both of which can be accommodated within current departmental operating budgets and using existing staff and software. The costs associated with administering and maintaining the system will be borne by Bylaw and Animal Care Services, and those departments that wish to participate will be charged an administration fee to cover the cost of the system and support.

Service Delivery

While the BNE will be available for use immediately following the three readings and adoption by the Board, staff are planning to practically implement the system in a graduated manner throughout the remainder of 2025. During this time, the website will be updated to inform the public about the system and approach and to explain how it differs from alternate municipal ticketing tools. Staff will provide training to other departments on how the system can be used as one of several compliance tools and ticketing options available to enforcement staff, which will be utilized as required and in accordance with operational and enforcement objectives.

CONCLUSION

The proposed Bylaw and Policy were developed in response to CRD Board direction to establish the framework for introduction of the Bylaw Notice Enforcement and Adjudication System at the CRD. The draft Bylaws and Screening Officer Policy are provided to the Planning and Protective Services Committee for recommendation to the CRD Board for final approval.

RECOMMENDATION

The Planning and Protective Services Committee recommends to the Capital Regional District Board:

1. That Bylaw No. 4683, “Bylaw Notice Enforcement Bylaw No. 1, 2025” be introduced and read a first, second, and third time; and
2. That Bylaw No. 4683 be adopted.
3. That Bylaw No. 4703, “Capital Regional District Ticket Information Authorization Bylaw, 1990, Amendment Bylaw No. 87, 2025” be introduced and read a first, second, and third time; and
4. That Bylaw No. 4703 be adopted.
5. That the Screening Officer Bylaw Notice Policy, as attached hereto as Appendix D, be adopted.

MEETING OF WEDNESDAY, JULY 17, 2024**

SUBJECT Bylaw Notice Enforcement and Adjudication System

ISSUE SUMMARY

A Bylaw Notice Enforcement and Adjudication System (BNEAS) is an alternative to the Municipal Ticket Information (MTI) System for ticketing of bylaw contravention. The system enables a more efficient and cost-effective administrative process for dealing with bylaw infractions and has been identified by Capital Regional District (CRD) Bylaw and Animal Care Services as one of the tools to assist in improving the efficiency of enforcing and gaining compliance with bylaw contraventions.

BACKGROUND

The current process for dealing with minor bylaw offences was adopted by the CRD in 1990, by the creation of Bylaw No. 1857, Capital Regional District Ticket Information Authorization Bylaw, 1990.

CRD currently utilizes the MTI system for issuing tickets related to bylaw contraventions, with fine amounts ranging from \$50 to \$1000. Over the past three years, 5,579 violation warnings or MTIs have been issued, 3,811 of which were issued in relation to CRD bylaws only, the balance was issued for municipalities within the CRD for contracted services.

Ticketing is a proven tool for bylaw violations; however, the current MTI system does not support effective and cost-efficient enforcement and can become extremely onerous due to the requirement for personal service of tickets, the high cost of court prosecutions and the additional staff time required.

In 2003, the Province enacted the *Local Government Bylaw Notice Act* (“the Act”) creating a framework for a streamlined non-judicial system for local governments to deal with bylaw ticket disputes. The *Act* was developed to create a simple, fair, and cost-effective system for dealing with bylaw infractions through the creation of a BNEAS.

The *Act*, and the authority it provides to establish an adjudication system, applies to both municipalities and regional districts by regulation. Currently, 123 local governments in British Columbia have proceeded with a BNEAS.

Under the MTI system, tickets must be personally served and disputed tickets can only be adjudicated at the Provincial Court level. There are approximately 30 disputes annually. Some disputes are prosecuted by bylaw staff, and more complicated disputes require outside legal counsel. Both options have added costs. The hearings can span over more than one year due to scheduling, witness availability, evidence, etc. which also leads to additional legal expenses and staff time charged to the service choosing to enforce its bylaw. The standard of proof for the prosecution of MTIs in Provincial Court follows the criminal threshold of proving the offence ‘beyond a reasonable doubt’.

The use of the Bylaw Dispute Adjudication process continues to expand throughout the province and currently includes over 120 local governments using this system. The goal of the adjudication model is to create simple, fair, and cost-effective systems for dealing with minor bylaw infractions.

If the CRD implements the BNEAS we would join the City of Colwood and City of Langford who are actively using the system; the Town of View Royal, District of Central Saanich, North Saanich, Highlands and Metchosin may also join once their bylaws are approved.

ALTERNATIVES

Alternative 1

The Planning and Protective Services Committee recommends to the Capital Regional District Board:

- 1) That a Bylaw Notice Enforcement and Adjudication System be endorsed;
- 2) That staff be directed to prepare bylaws, policies and agreements for the implementation of the Bylaw Notice Enforcement and Adjudication System provided for in the *Local Government Bylaw Notice Enforcement Act*, for the Board's approval; and
- 3) That staff be directed to work with Court Services Branch, Ministry of Attorney General to request the Lieutenant Governor in Council of the Province of British Columbia enact a Regulation under Section 29 of the *Local Government Bylaw Notice Enforcement Act*, applying the *Act* to the Capital Regional District.

Alternative 2

That this report be referred back to staff for additional information based on Electoral Areas Committee direction.

IMPLICATIONS

Alignment with Board & Corporate Priorities

The introduction of a BNEAS supports the Board's focus on the delivery of efficient, effective and economically viable services as well as the opportunity to partner with other local governments in the delivery of services.

Operational Implications

The BNEAS improves enforcement by providing a more accessible venue for determining simple bylaw contraventions. It also reduces the demands on the court system, is less expensive to administer, and better balances between the amount of the penalty imposed (currently set by legislation at a maximum of \$500) and the staff-time cost of pursuing the bylaw contravention in court. The burden of proof is also lessened – to balance of probabilities rather than beyond a reasonable doubt. However, the system would not replace the MTI system, the traditional long-form offence which permits larger penalties, or the ability of the CRD to pursue more serious matters through injunctive relief from the courts.

Of further benefit, Bylaw Notices issued under this system do not require personal service. The current Municipal Ticket (MTI) requires personal service, which can be difficult to achieve if the person cannot be located or lives outside of the region. The BNEAS offers the ability to mail violation notices which is a major improvement on the current ticketing system, as there are now many occasions when the infraction occurs after hours or is known to have been committed by an out-of-town contractor or property owner. This step is a considerable saving of time and effort and reduces delays in the enforcement of bylaw contraventions.

Once the Bylaw Notice is received or presumed to be received, it becomes legally binding, and the recipient has a fixed period of time to dispute the notice or be deemed convicted. If disputed, internal staff designated as Screening Officers review disputed tickets with authority to enter into compliance agreements. If no resolution can be achieved by Screening Officers, an independent bylaw adjudicator will take submissions and render a decision.

To participate in this system a local government is required to have the Ministry of the Attorney General enact a regulation to make the *Act* applicable to them. To do so, the Board must pass a resolution to pursue the development of the BNEAS. Once the Attorney General has registered the CRD under the *Act*, the CRD's bylaws may be amended to implement the BNEAS. A new Screening Officer Policy is also recommended to be prepared as an integral part of the system. This process is outlined in the Local Government Bylaw Dispute Adjudication System Tool Kit (Appendix A).

Financial Implications

The Bylaw Notice Registry can be established with minimal cost using existing software and trained staffing. The Screening Officer Policy and Bylaw are drafted by Bylaw staff and will be reviewed by the Legal and Risk Division before submitting, there may be an added cost only if outside legal is required to review.

The BNEAS creates efficiencies that will save time and money regardless of the number of tickets that are disputed.

Intergovernmental Implications

Under the *Act*, local governments are responsible for the costs of setting up and administering the system within their jurisdiction. The *Act* specifies that local governments may join together to administer the adjudication system jointly to cover a broader geographic area more cost-effectively. Those local authorities that do not transition to the BNEAS will remain status quo under the current contractual arrangements. Those jurisdictions that do move to the BNEAS will benefit from the system efficiencies and improved compliance. Any enforcement undertaken by CRD Bylaw for the CRD or contracted municipalities using the MTI ticketing process will continue to follow current processes.

Service Delivery

By implementing a system of bylaw infraction dispute review (screening) and independent adjudicators, the CRD is looking to ensure that the regulatory provisions of its bylaws are understood and complied with, and that bylaw contraventions are dealt with in a fair, equitable and cost-efficient manner for all concerned through a modern, timely, effective, and efficient bylaw enforcement service for the CRD and the contracted municipalities we serve that have adopted the system.

To meet this goal, the adjudication model will:

- Eliminate the requirement for personal service of tickets.
- Establish a dedicated forum for resolving local bylaw enforcement disputes.
- Use a dispute resolution-based approach to obtaining independently adjudicated decisions without the need for a court appearance.
- Avoid the unnecessary attendance of witnesses.
- Avoid the need to employ lawyers or enforcement officers to take minor cases to court.
- Promote the timely resolution of bylaw enforcement disputes of a minor nature where the expertise of a Provincial Court or Judicial Justice of the Peace is not needed.
- Provide citizens with an expedient and fair way to dispute tickets.
- Minimize the requirement for officers to engage hostile and non-compliant clients, making it safer for officers.

CONCLUSION

In summary, the BNEAS improves bylaw enforcement by providing a more accessible venue for adjudicating minor bylaw contraventions. It reduces demand on the Provincial Court system and creates a simple, fair, and cost-effective compliance system which represents best practices in bylaw enforcement.

RECOMMENDATION

The Planning and Protective Services Committee recommends to the Capital Regional District Board:

- 1) That a Bylaw Notice Enforcement and Adjudication System be endorsed;
- 2) That staff be directed to prepare bylaws, policies and agreements for the implementation of the Bylaw Notice Enforcement and Adjudication System provided for in the *Local Government Bylaw Notice Enforcement Act*, for the Board’s approval; and
- 3) That staff be directed to work with Court Services Branch, Ministry of Attorney General to request the Lieutenant Governor in Council of the Province of British Columbia enact a Regulation under Section 29 of the *Local Government Bylaw Notice Enforcement Act*, applying the *Act* to the Capital Regional District.

This *Local Government Bylaw Dispute Adjudication System Toolkit* is the result of collaboration between the participating communities of the North Shore Adjudication Model Pilot Project (District of West Vancouver, District of North Vancouver, and City of North Vancouver), the Local Government Advisory Services Branch of the Ministry of Community Services, the Local Government Management Association of British Columbia (LGMA), and the Court Services Branch of the Ministry of Attorney General.

Court Services Branch would like to recognize Barbara Hamilton, Bylaw Supervisor for the City of North Vancouver, for her assistance in providing the “sample” documents that are included in this toolkit. Thanks also to CivicInfo BC for hosting this Toolkit, and other Bylaw Dispute Adjudication System resources, on its website (www.civicinfo.bc.ca).

Disclaimer

The purpose of this Toolkit is to assist local governments that are implementing the *Local Government Bylaw Notice Enforcement Act*, which allows for locally-based administration and adjudication of bylaw violation disputes. It is intended to be an “evergreen” document, and may be updated periodically, as appropriate.

This Toolkit includes information on how the adjudication model differs from other existing methods of municipal bylaw ticketing and administration. It also includes background information, policies and processes, forms and communication materials that were used as part of the North Shore Adjudication Model pilot project. These materials should be considered guiding documents **only** and should be modified, as appropriate, to fit the requirements of each local government.

This Toolkit is not a legal document and should not be considered as a substitute for the governing legislation and regulations. If in doubt on any information provided in this toolkit, users are encouraged to seek a legal opinion to ensure conformity with the legislation.

1. INTRODUCTION

In October 2003, the Province of British Columbia enacted legislation providing an alternative approach for processing and resolving minor bylaw infractions, the *Local Government Bylaw Notice Enforcement Act*.

Bylaw infractions are a common occurrence in any local government that enacts regulatory bylaws. Prior to the *Local Government Bylaw Notice Enforcement Act* (the Act), there were three main strategies used by local governments to deal with a problem:

1. seek voluntary compliance;
2. issue a traffic “offence notice” for parking infractions seeking voluntary payment of a prescribed fine; or
3. initiate formal court proceedings by issuing a Municipal Ticket Information (MTI) or swearing an Information and issuing a Summons.

Initiating formal court proceedings can be costly, and some local governments choose to avoid these enforcement costs by abandoning enforcement if voluntary compliance is not forthcoming.

Over the past fifteen years, there have been various calls for bylaw reform with respect to enforcement and prosecution. Calls for reform have come from the Union of British Columbia Municipalities (UBCM), the Hughes Commission on Access to Justice and the Chief Judges’ Task Group on Sitting Justices of the Peace. In response to these calls, the Province enacted the *Local Government Bylaw Notice Enforcement Act*.

New Adjudication Model

The goal of the new adjudication model is to create simple, fair, and cost-effective systems for dealing with minor bylaw infractions. To meet this goal, the adjudication model:

- eliminates the requirement for personal service;
- establishes a dedicated forum for resolving local bylaw enforcement disputes;
- uses a dispute resolution-based approach to obtaining independently adjudicated decisions;
- avoids the unnecessary attendance of witnesses;
- avoids the need to hire legal counsel; and
- promotes the timely resolution of bylaw enforcement disputes.

Legislation

Under the Act, local governments may establish a local government bylaw dispute adjudication system, more simply known as an adjudication system, which replaces the Provincial Court as the venue for resolving disputes of minor municipal bylaw breaches.

The Act, and the authority it provides to establish an adjudication system, applies to both municipalities and regional districts by regulation. In order to proceed, these local governments may make a request to the Ministry of Attorney General to have a regulation enacted, in order to make the Act applicable to them.

1. INTRODUCTION

The legislation is designed to enable the creation of simple, cost-effective administrative systems for enforcing minor bylaw infractions, ranging from parking tickets to dog licensing and minor zoning infractions.

The two main features of an adjudication system are a simple “front-end” ticket process for initiating enforcement, and a locally managed “back-end” venue for a non-judicial adjudicator to hear ticket disputes.

Pilot Project Results

Beginning in May 2004, the adjudication model was piloted in three North Shore municipalities (City of North Vancouver, the District of North Vancouver and the District of West Vancouver). These municipalities maintained independent ticketing processes to enforce their individual regulatory bylaws, but shared administrative processes around the adjudication of disputes.

An evaluation of the first eight months of the pilot showed reductions in the time from ticket issuance to ticket disposition and the rate of disputed tickets and an improvement in fine payments.

The impact of the reduced dispute rate and ability to attend hearings in writing significantly reduced the time bylaw enforcement officers spent attending court. Further potential to reduce the costs associated with personal service of enforcement documents was also demonstrated.

As a result of this successful pilot, the Attorney General is now expanding the authority for use of the adjudication system to interested local governments across the province.

2. OVERVIEW OF THE BYLAW DISPUTE ADJUDICATION MODEL

Under the new model, formal bylaw enforcement action begins with the completion of a Bylaw Notice by a local government bylaw enforcement officer.

The Bylaw Notice informs the recipient of:

1. the alleged bylaw contravention that is being made;
2. the penalty for the contravention; and
3. how to pay the fine or dispute the allegation.

The Bylaw Notice may be delivered in a variety of fashions, including leaving it on a car or mailing it, to the person responsible for the contravention. Unless the Bylaw Notice is delivered in person, it is presumed to have been received, and allowances are made in the event that the person claims not to have received it.

If a Bylaw Notice is mailed, the municipality or regional district may presume that it was received on the 7th day after mailing. If a Bylaw Notice is left on a vehicle or at a residence, business or worksite, the local government may presume that it was received that day. Allowances are made in the event that the intended recipient later claims that the Bylaw Notice was not actually received.

Serving the Bylaw Notice

Once the Bylaw Notice is received, or presumed received, it becomes legally effective and the recipient has a fixed period of time in which to take action on it. The precise duration of this period is set in the local government bylaw, but must be at least 14 days after receipt of the Bylaw Notice.

Within that period, the person named on the Notice, or the registered owner of the car if it was left on a vehicle, must either pay the fine amount noted on the Notice or notify the local government that he or she wishes to dispute the allegation.

In the event the person does neither, the amount of the Notice, plus an additional late payment penalty, if one has been established in the local government bylaw, will be due and owing to the local government.

Screening Officer

In order to reduce the number of disputed Notices forwarded to adjudication, a local government has the option of establishing a screening officer to review disputed Notices.

The screening officer has the authority to cancel a Bylaw Notice if he or she believes that the allegation did not occur, or that the required information is missing from the Notice. The local government may also permit the screening officer to cancel a Bylaw Notice in other circumstances set out by the local government.

2. OVERVIEW OF THE BYLAW DISPUTE ADJUDICATION MODEL

A screening officer may conduct the review based on discussion or correspondence with the disputant, and will typically explain the process and potential consequences of dispute adjudication.

Compliance Agreements

For infractions where compliance is a goal, the local government may also authorize a screening officer to enter into a compliance agreement with a person who has received a Bylaw Notice. A compliance agreement will include acknowledgement of the contravention of the bylaw and will typically set out remedies or conditions on future behaviour to be performed within a designated period of time, and reduce or waive the fine at the conclusion of that period.

Disputes

If the screening officer determines that cancellation or a compliance agreement is not possible and the person still wishes to dispute the allegation, the disputant must confirm this and indicate whether he or she plans to appear at the adjudication hearing in person, in writing or by telephone. A disputant may also choose to appear by other electronic means, such as video conferencing, although the local government may require the disputant to cover any extraordinary costs associated with appearing in a less conventional manner.

The screening officer or a clerk will then schedule a day and time for the adjudication, notify the disputant of these details, and request the presence of an adjudicator. The person named in the Bylaw Notice may choose to pay the applicable fine at any time, although payment after the deadline may result in a higher fine amount.

Adjudication of the Dispute

At the adjudication hearing, an adjudicator will hear from both the disputant and the local government and decide whether he or she is satisfied that the contravention occurred as alleged. When considering a matter, the adjudicator can review documents submitted by either party, or hear from the parties or witnesses over the telephone. All adjudications are open to the public.

The appointment, training and management of the adjudicator roster occur at arms-length from the local government. Adjudicators are appointed by the Deputy Attorney General.

Disposition of the Infraction

The function of the adjudicator is strictly to confirm or cancel the Bylaw Notice. The adjudicator has no discretion to reduce or waive the fine amount. The adjudicator also has no jurisdiction to deal with challenges to the bylaw or claims of infringements of rights under the Charter of Rights and Freedoms. The adjudicator must proceed on the basis that the bylaw is legally valid.

2. OVERVIEW OF THE BYLAW DISPUTE ADJUDICATION MODEL

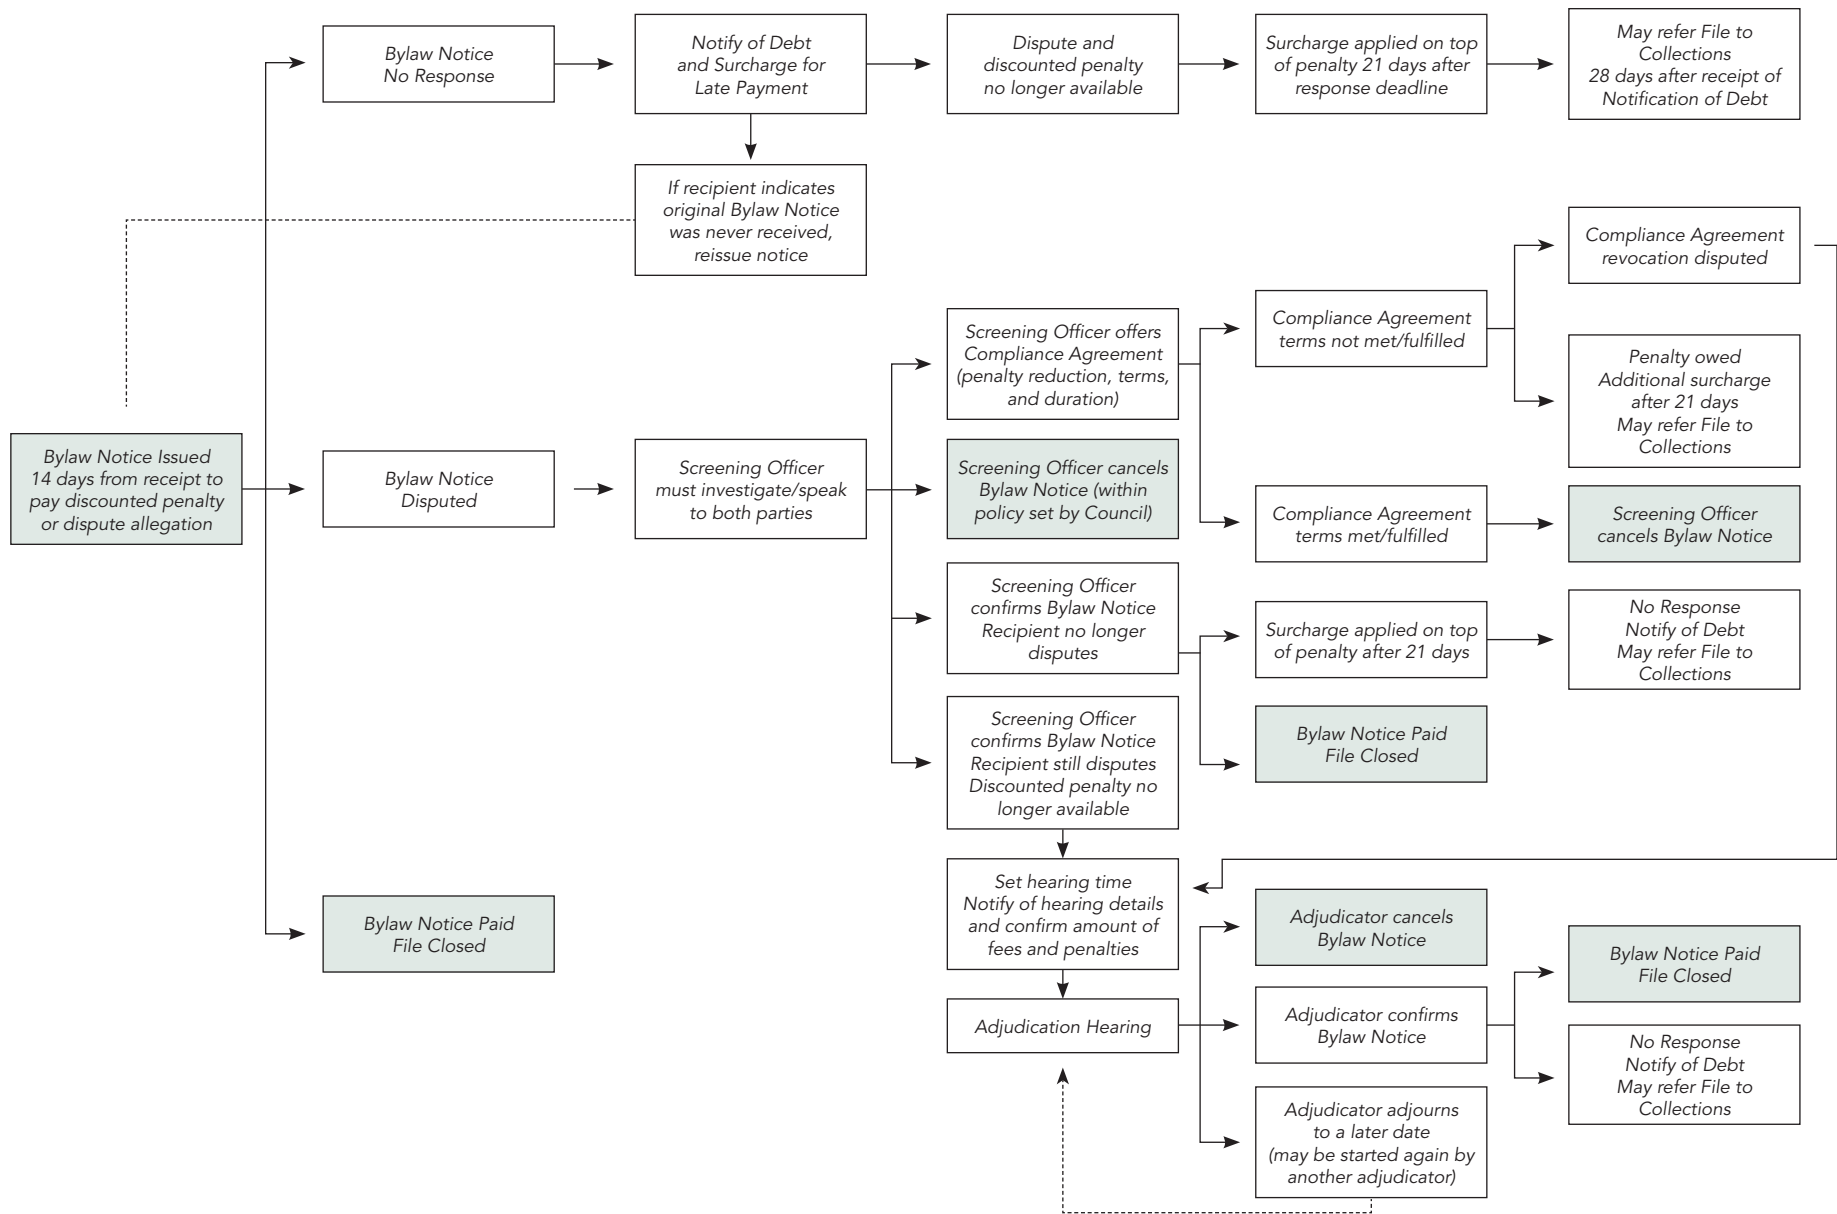

If the Bylaw Notice is confirmed, the fine amount noted on the face of the Bylaw Notice is payable to the local government. In addition, a locally established fee to recover a portion of the cost of the dispute may be imposed. This fee may not exceed \$25.

Appeals

The decision of the adjudicator is final and the Act does not allow for appeals. If a failed disputant or the local government feel that the adjudicator exceeded his or her authority, or made an error at law, the person or local government may seek relief in the Supreme Court of British Columbia under the *Judicial Review Procedure Act*.

A challenge to the validity of the local government bylaw or a claim that enforcement of the bylaw infringed on the Charter rights of the disputant must be initiated as a separate matter in the Supreme Court of BC.

3. IMPLEMENTING A BYLAW NOTICE ENFORCEMENT AND ADJUDICATION SYSTEM

Successful implementation of a bylaw adjudication system requires some forethought and collaboration. For the North Shore pilot project, planning began approximately six months before the system took effect, and required collaboration not only among the three municipalities, but also amongst staff from the corporate services, bylaw enforcement, information technology and finance departments of each of the three participating municipalities.

When establishing a bylaw adjudication system, here are some questions to consider:

WHAT

- **What bylaws and specific provisions will be dealt with by Bylaw Notice?**

This is an important question to consider, as the adjudication system is best suited to contraventions that are simple to confirm, as the adjudicator's authority is limited to *determining whether the contravention occurred as alleged*.

A hearing before an adjudicator is less formal than a hearing before a Judge or Judicial Justice of the Peace, and an adjudicator is not in a position to impose any conditions of future behaviour when confirming a Bylaw Notice.

- **What penalties will apply for different categories of contraventions?**
- **Will early-payment discounts and/or late-payment surcharges apply?**
- **Will dispute fees apply?**

The maximum penalty under the system is \$500, within which the legislation permits considerable flexibility to establish early and late payment penalties. Prior to January 1, 2004, when the need for the Chief Judge of the Provincial Court to approve Municipal Ticket Information (MTI) penalties was eliminated in the *Community Charter*, most ticket fines were set at less than \$300.

Bylaw infractions heard in court have the potential to result in more significant penalties, as the maximum penalty for an MTI is \$1000. The Bylaw Notice system is designed to work best where a smaller fine would be a sufficient deterrent to future violations, although it can be used as part of an escalating enforcement scheme with persistent bylaw violators.

In the District of West Vancouver, virtually all contraventions of the Street and Traffic Bylaw may be enforced with a Bylaw Notice. The District has "dovetailed" the schedules of its Bylaw Notice and MTI ticketing bylaws to provide escalating penalties for two of the more serious infractions. By policy, the District issues a Bylaw Notice in the first instance of a violation, and may issue a MTI, with double the penalty, for a subsequent violation.

3. IMPLEMENTING A BYLAW NOTICE ENFORCEMENT AND ADJUDICATION SYSTEM

- **What information is to appear on the face of the Bylaw Notice?**

Beyond the basic information required by the legislation, local governments have considerable flexibility to customize the ticket face, allowing tickets to be designed to suit local enforcement and information management practices.

For example, printed ticket books may be easier to use if all the possible contraventions are listed; this is unnecessary for hand-held electronic ticket printers that may provide a menu of programmed contraventions.

- **What types of contraventions, if any, may be resolved through a compliance agreement?**
- **Under what conditions, and will there be penalty relief? For how long?**

Compliance agreements are only possible if a screening officer has been authorized to enter into the agreement on behalf of the local government. Compliance agreements are best suited to situations of ongoing contravention, rather than a series of incidents of contravention where a reduced penalty is likely to result in sustained correction of the contravention.

WHEN

- **When will the period to pay or dispute the Bylaw Notice end?**

The North Shore municipalities chose to establish the minimum allowable 14-day period for payment or dispute of a ticket, which is consistent with the period to do so under the Municipal Ticket Information system.

In contrast, the equivalent period for paying or disputing a Provincial Violation Ticket is 30 days, if served on a person, or 45 days (from the date of issue) if mailed to the registered owner of a motor vehicle.

WHO

- **Who may issue a Bylaw Notice, and how?**

In the context of the Act, a bylaw enforcement officer means an individual who has been designated by class of employment to enforce one or more bylaws. The same classes of individuals who may be authorized to issue MTIs may be authorized to issue Bylaw Notices.

When implementing the MTI, some local governments elected to specify different classes of enforcement officers for different bylaws, which is consistent with the provincial approach to Violation

3. IMPLEMENTING A BYLAW NOTICE ENFORCEMENT AND ADJUDICATION SYSTEM

Ticket issuance. Other jurisdictions have authorized some or all of the individuals in these classes to issue MTIs.

- **Will screening officers be used?**
- **Who can be a screening officer?**
- **Under what circumstances can screening officers be authorized to cancel a Bylaw Notice?**

The creation of a screening officer role is an optional element of the system under the legislation, but is highly recommended.

A screening officer does not need to be a bylaw enforcement officer, but should have some familiarity with the bylaws to be enforced and be available to respond to Bylaw Notice recipients in a timely fashion. This might include bylaw or licensing clerks who are available during office hours, senior bylaw enforcement staff or department heads.

The screening officer cancellation policy protects the local government from accusations of preferential or unfair treatment, while still permitting the flexibility to cancel a Bylaw Notice where this is deemed reasonable. The three North Shore municipalities have adopted slightly different screening policies (as outlined in Appendix A of this Toolkit).

WHERE

- **Where will disputes be held? Where should formal correspondence regarding the adjudication of disputes be sent?**

The only stipulation with respect to the location for conducting adjudications is that hearings must be open to the public or be accessible by telephone. The address for correspondence regarding disputes may be the adjudication location or the office where staff responsible for scheduling disputes are located.

HOW

- **How will the new system be explained to the public and internal staff?**

The North Shore municipalities made internal and external communication a priority when establishing the adjudication system. A communication plan for system implementation, identifying the information needs of all potential stakeholders, was created. A news release and backgrounder were prepared for release to the media. See Section 7 for samples of these documents.

3.1. "GETTING STARTED" – A Checklist for Local Governments

Initial Preparations

- Determine if Bylaw Notice enforcement makes sense for the types of regulatory matters dealt with by your municipality or regional district.
- Determine if the dispute adjudication system will apply to more than one local government. If so, determine which local government will be responsible for the day to day administration of the shared process and where the adjudication hearings will be held.
- Provide a Staff Report to the Council or Board recommending implementation of Bylaw Dispute Adjudication System.
- Forward a copy of a Council or Board resolution indicating the intent to establish a Bylaw Dispute Adjudication System to Court Services Branch, Ministry of Attorney General.
- Confirm the the Bylaw Notice Enforcement Regulation (B.C. Reg. 175 (2004) has been or will be amended to apply the *Local Government Bylaw Notice Enforcement Act* to your local government.
- Negotiate an agreement between participating local governments, and enact necessary bylaws to enter into the agreement, if required.

Implementation (Policies and Procedures)

- Determine key system features, such as the time to pay or dispute, matters to be enforced by Bylaw Notice, use of screening officers, fine and fee amounts, etc.
- Prepare bylaw to adopt Bylaw Dispute Adjudication System.
- Prepare Screening Officer Policy, if required.
- Prepare Registry Operations Policy, if required, (refer to Appendix B).
- Prepare a communications plan (refer to Sample Communications Plan).
- Train enforcement officers, screening officers, registry and finance staff.
- Prepare implementation and operational budgets.
- Consult with Court Services Branch re: process for scheduling adjudicators.

3.1. "GETTING STARTED" – A Checklist for Local Governments

Implementation (Forms and Systems)

- Assess enforcement and collections software, make modifications as required.
- Prepare Bylaw Notice forms.
- Prepare notification letters (refer to sample mail-delivery letter and re-issue letter).
- Prepare Screening Officer forms.

3.2. Bylaws and Bylaw Notices

Section 2 of the *Local Government Bylaw Notice Enforcement Act* ("the Act") provides that a local government may deal with contraventions of its bylaws via Bylaw Notice.

If a local government wants to implement a bylaw dispute adjudication system, it must adopt an authorizing bylaw that:

- designates the bylaw contraventions that may be dealt with by Bylaw Notice;
- establishes the amount of the penalty for contravention of the specified local government bylaws;
- establishes the period for paying or disputing a Bylaw Notice;
- establishes the role of screening officer and their duties and authorities, including the ability to enter into compliance agreements; and
- designates bylaw enforcement officers.

While the Act permits two or more local governments to enter into arrangements for the joint provision of a bylaw dispute adjudication system, each participating local government must individually adopt an authorizing bylaw, as outlined above.

Local governments undertaking a bylaw dispute adjudication system will need to ensure that the Bylaw Notices (tickets) issued include all required information, as set out in section 4(4) of Act.

A Bylaw Notice must contain the following information:

- the particulars of the alleged contravention of the bylaw in sufficient detail that the alleged will be able to identify the bylaw and the contravention alleged;
- the amount of the penalty, the amount of a discount for early payment of the penalty, the amount of a surcharge for late payment and the consequences for failing to respond to the Bylaw Notice;
- acceptable methods of paying the penalty;
- how to dispute the allegation of the notice; and
- any other information required under the regulations.

Although the Act requires that the above information be included on a Bylaw Notice, local governments may organize or supplement this information as they see fit.

3.2. Bylaws and Bylaw Notices

Delivery of Notices

Under section 7 of the Act, a Bylaw Notice may be delivered in person, left at the site of the contravention (e.g. placed on windshield of car or left with a person at a construction site) or mailed.

The recipient of a Bylaw Notice has a limited time period in which to pay the penalty or indicate that he or she wishes to dispute the allegation. In the case of all three North Shore municipalities, this period was set at 14 days from actual or presumed receipt of the Bylaw Notice.

If the Bylaw Notice recipient disputes the allegation, he or she must first discuss the allegation and basis for the dispute with a screening officer before proceeding to a hearing before an adjudicator.

If the Bylaw Notice Recipient Does Not Respond

If the recipient takes no action – neither paying the penalty nor disputing the allegation – within the time period the local government must notify the person that the penalty set out in the Bylaw Notice is now due and advise of how and where payment can be made. This may be done in a letter accompanied by a copy of the original Bylaw Notice.

In the case of the North Shore municipalities, the recipient of a Bylaw Notice has 14 days after receiving the original Bylaw Notice to pay the fine or dispute the allegation, after which the local government issues a letter outlining what has occurred and the consequences of late payment.

Once the period to dispute the allegation has ended, early discounts no longer apply and the full penalty is due. In addition, section 6 of the Act permits a local government to assess a surcharge on top of the penalty for the contravention, if payment is not made promptly.

If, within 21 days of receiving notification that penalty is immediately due, the person named in the Bylaw Notice informs the local government that he or she did not receive the original Bylaw Notice, then the local government must re-issue the original Bylaw Notice. In this case, the period to pay or dispute the allegation begins again, with opportunities to pay the discounted amount or dispute the allegation in the notice.

Dear Ms. Doe:

Re: Parking Violation Ticket FP88997788

On March 5, 2004 BC licence #ABC1234 was observed in violation of the City of North Vancouver Street and Traffic Bylaw #6234. As a result, the enclosed violation ticket number FP88997788 was issued.

Enquiries with the Insurance Corporation of BC indicate that you are the last registered owner of the vehicle.

Yours truly,

4. OVERVIEW OF SCREENING OFFICER ROLE

The position of screening officer, described in section 10 of the Act, is optional – but is recommended based on the experience of the North Shore pilot. If a local government elects to implement this position, the screening officer must review each disputed allegation before it can be referred to an adjudicator.

To ensure consistency and assist with the screening process, local governments may wish to develop a screening officer policy in order to provide guidelines for screening officers during the Bylaw Notice screening process.

The screening officer, after reviewing a Bylaw Notice, may:

1. cancel the notice, if
 - a) the contravention did not occur as alleged;
 - b) the bylaw notice does not meet the requirements set out in the Act; or,
 - c) the grounds for cancellation authorized by the local government are satisfied;
2. confirm the bylaw notice and refer it to an adjudicator unless the request for dispute adjudication is withdrawn; or
3. enter into a compliance agreement with the person, if this is authorized in the bylaw.

Screening officers act as “gatekeepers” to the adjudication system by reviewing all disputed Bylaw Notices prior to going to adjudication. This review, between the screening officer and disputant, creates a number of efficiencies for the system.

The screening process results in a number of disputed Bylaw Notices avoiding adjudication, resulting in cost and time savings. In addition, the process is often educational as screening officers explain the bylaw in question, allowing citizens to better understand bylaws and, in some cases, realize the error(s) they committed. This causes some citizens to withdraw their notice to dispute following their discussion with a screening officer.

Statistics from the North Shore Evaluation Report demonstrate the effectiveness and efficiencies that result, in large part, from the screening process. Following the 14-day period to pay or dispute the Bylaw Notice, only 1.8% of recipients triggered a formal review of the case by a screening officer during the pilot project. This figure does not reflect cases where screening officers merely explained the bylaw or the dispute process.

Although one jurisdiction reported that as many as 20% of individuals whose Bylaw Notices were confirmed by the Screening Officer claimed they would dispute the matter before an adjudicator, only 9% of screening officer reviews led to adjudications. In all, 0.2% of the tickets issued during the evaluated period resulted in adjudication hearings, and in 85% of these cases the Bylaw Notice was confirmed by the adjudicator.

Appendix A in this Toolkit contains copies of screening policies for the three North Shore municipalities.

4.1. Screening Officer Checklist – Sample: City of North Vancouver

Screening officers are required to provide disputants with as much information as they can, answer all questions openly, and take detailed notes of the conversation including date and time. The following are screening guidelines:

1. Identify your name and position as a Screening Officer with CNV.
2. State your authority to make a determination based upon authority granted by CNV.
3. Discuss the notice, listen carefully to the Disputant's information, and record this information.
4. Advise the Disputant that he/she may pay the fine before the early discount deadline and receive that discount. However, once the notice goes forward to Adjudication, the early discount is lost and an adjudication fee is added to the full penalty. At the Adjudication, if the notice is quashed, no fees or penalties need to be paid.
5. Determine how the Disputant wishes to proceed with the hearing (in person, by phone, or in writing).
6. Provide the address of the Adjudication Hearing room (141 W. 14th Avenue, North Vancouver) and advise of any necessary contact information such as fax number, email address and mailing address if the Disputant needs these to send documents.
7. Advise the Disputant that if the Adjudicator upholds the notice, it is due and payable immediately. Also, advise the Disputant that the fine increase 21 days after adjudication and then proceeds to collection.
8. Explain that once a date and time are set for adjudication, the additional adjudication fee must be paid even if the Disputant decides not to go ahead with the Adjudication.
9. Verify you have the correct address and daytime phone number of the Disputant.
10. Explain that the Dispute Coordinator will call to set up a hearing date and time along with instructions about phone, fax, or written submission to the Hearing. The Dispute Coordinator will also send written confirmation of the hearing. State clearly that the Disputant cannot discuss the notice with the Dispute Coordinator.
11. Ask if the Disputant has any more questions or needs any more information.
12. Ask if the Disputant wishes to say anything else at all and note the response.
13. Make a decision to cancel or uphold the notice; explain this to Disputant and make notes.
14. If cancelling, do so immediately; if upholding, continue to the Dispute Coordinator.

4.1. Screening Officer Checklist – Sample: City of North Vancouver

Following the conversation with the Disputant:

1. Notify the Dispute Coordinator to request Adjudication Hearing.
2. In the file, note the date and time the Dispute Coordinator was notified.
3. Prepare reports needed for Adjudication

4.2. Screening Officer Submission for Adjudication – Sample

The adjudicator is provided with a record of the screening officer's review of the disputed allegation. This may include evidence collected that supports the allegation.

A sample of the written submission use by the City of North Vancouver is shown on the right.

5. OVERVIEW OF ADJUDICATION PROCESS

Upon receipt of confirmation that the recipient of a Bylaw Notice wishes to proceed to adjudication on the disputed allegation, the local government typically selects a date and time for the hearing in consultation with the person.

Disputants have the right to be heard, and this right may be exercised in one of the following manners:

- in person, or by an agent;
- in writing; or
- by video conference, audio conference, telephone or other electronic means, if available.

The local government then contacts the organization responsible for managing the pool of adjudicators with the date, time, nature of the Bylaw Notice and the name of the recipient.

The adjudicator is selected on a rotational basis, although the rotation may be varied if the next adjudicator on the list is unavailable on the chosen day, or is unable to hear the matter due to a personal connection to the recipient of the Bylaw Notice.

All dispute adjudications are open to the public and each dispute typically requires twenty minutes or less. The adjudicator's decision is made on a balance of probabilities, as in civil claim proceedings, and may be based on any evidence that the adjudicator considers relevant and credible.

The adjudicator may accept evidence in writing, orally (in person or by telephone) or other electronic means from the disputant, the enforcement officer or any other witness to the alleged bylaw contravention.

The decision before the adjudicator is **strictly** whether a violation of a local government bylaw occurred, or did not occur. The process is not designed, nor intended, to deal with challenges to the fairness of the bylaw, validity or other legal questions. Adjudicators may only confirm the Bylaw Notice or cancel it outright. Fine reduction is not an option under the legislation.

The legislation does not permit the local government or the disputant, as the parties to the dispute, to appeal the decision of the adjudicator. Either party may, however, seek relief in the Supreme Court under the *Judicial Review Procedures* if they believe that the adjudicator exceeded his or her authority, or made an error at law.

5.1. Adjudicator

Under section 15 of the *Local Government Bylaw Notice Enforcement Act*, it is the responsibility of the Deputy Attorney General to appoint adjudicators to determine the disputes.

Adjudicators must meet prescribed qualifications and must not be an employee of, or hold an elected office in, a local government. These criteria provide the basis for an objective adjudication system separate from the local government.

One or more rosters of adjudicators must be established for the purpose of selecting adjudicators to hear disputes in respect of Bylaw Notices. Rosters may be established for the province generally, or for one or more local governments.

Qualifications, responsibilities and requirements for rosters, remuneration and expenses are established in the Bylaw Notice Enforcement Regulation (B.C. Reg. 175/2004). The selection process for adjudicators, as well as instructions to adjudicators when hearing disputes, is also prescribed by regulation in order to maintain consistency, neutrality and fairness.

Qualification and coordination of adjudicators is handled by the Court Services Branch of the Ministry of Attorney General.

5.2. Notice of Adjudication – Sample

Once the screening officer has confirmed that the recipient of a Bylaw Notice wishes to proceed to adjudication, the local government must schedule an adjudication hearing and ensure that all parties are notified.

In the case of the North Short pilot, because the registry serves three local governments, the process for giving notice to the local government that issued the Bylaw Notice is slightly more formal.

On the right is a sample of the Notice of Adjudication issued by the North Shore Bylaw Dispute Registry.

LOCAL GOVERNMENT BYLAW DISPUTE ADJUDICATION SYSTEM

Adjudicator's File Note

Re: Corporation of the City of North Vancouver
Notice # NV1234567 (not actual file #)

Notice Issued May 31, 2004
Alleged Infraction of Bylaw 6234, Section 820.1

The evidence of the Bylaw Enforcement Officer was that a valid decal was not displayed. The disputant said that he could not recall if the decal was on the plate. He noted that there was valid insurance on the vehicle. I advised him that the issue was not whether there was valid insurance, but whether the decal was displayed.

I upheld the Notice as I found it more likely than not based on the evidence before me that the current year decal was not displayed. Disputant did not think that the City of North Vancouver should be concerned about decals. Explained to Disputant the wording of the bylaw and that if he believed the bylaw was improperly enacted he would have to pursue the issue through the Supreme Court of B.C.

Signed by Adjudicator.

6. OVERVIEW – BUDGET AND COST INFORMATION

The actual cost of a local government bylaw dispute adjudication system will vary depending on the volume of bylaw infraction activity, screening and registry operations policies, the cost-recovery fees imposed on confirmed Bylaw Notices, and opportunities to achieve efficiencies through inter-local partnerships.

Information technology costs may also vary widely, depending on whether a manual or electronic system is used, and may affect the start-up and ongoing operations differently.

In the case of the North Shore communities, the Districts of West and North Vancouver and the City of North Vancouver entered into an Inter-Municipal Agreement to create a single administrative structure for handling cases referred for adjudication by the screening officers in the separate municipalities.

This agreement set out the cost-sharing arrangement for each of the municipalities, based on the use of services of adjudicators.

In addition to the one time capital (computer software) start-up costs of setting up a bylaw dispute adjudication system, it is estimated that annual administration costs for the North Shore municipalities will be under \$20,000. These costs will be shared equally.

It should be noted however, that costs may vary for other local governments.

7. INFORMATION TECHNOLOGY OVERVIEW

Local governments should plan conservatively when anticipating the length of time needed to develop the information technology that may be required to implement a bylaw dispute adjudication system. This may be particularly true if the local government uses an outside software provider.

The local government should take into account that it will likely be necessary to upgrade the ticket processing system business rules, database, screens and reports. Hardware upgrades and operating systems/database upgrades will also need to be reviewed. Ticket stock changes – both handheld and written – will need to be considered.

Local governments should consider whether it would be efficient or necessary to integrate any current ticketing system with the new local government bylaw dispute adjudication system. Alternatively, run two systems concurrently until all tickets are dealt with under the old system. Costs of integrating the two systems will likely be a deciding factor in how the local government proceeds.

If a new system or an upgrade is considered, the following information from the authorizing bylaw will need to be known in order to configure the IT systems.

Specifically:

- the time period to pay or dispute the Bylaw Notice;
- whether screening officers will be used;
- whether early-payment discounts, late-payment surcharges and/or dispute fees will apply; and
- who may issue a Bylaw Notice and how.

The North Shore participants in the pilot project worked with different companies to provide bylaw enforcement software. The Districts of North Vancouver and West Vancouver contracted with Tempest Development Corporation. The City of North Vancouver's software is provided by ETEC, marketed by Parksmart. Both companies developed software to accommodate the requirements of the bylaw dispute adjudication system.

Any local government considering implementing a bylaw dispute adjudication system should ensure that a prospective budget is prepared for software upgrade requirements. Depending if the software system is in-house or contracted, the financial impact may be significant.

7.1. Information Technology Impacts – Case Study: City of North Vancouver

As a result of the decision to implement a bylaw dispute adjudication system in partnership with the other North Shore municipalities, the City needed to review the impact on its existing IT systems and business processes.

After a review, three options were identified:

1. accommodate changes within the existing system;
2. upgrade IT systems and businesses processes; or
3. search for another solution.

The City chose the second option and implemented changes to its IT system and business processes. The City opted to use a packaged solution for the issuance and management of parking tickets. This software system was developed by Enforcement Technology (ETEC) of California and is distributed in Canada by Parksmart.

Implementation of the new software necessitated a number of business rule changes:

Changes to the ticket process

Tickets have a fixed fine amount and customers get a discount for early payment; late payment penalties still apply. This required changes to the ticket capture and printing process. The City retained the same fee structure, including a first and second late fee.

The ticket printout indicates the price including the 'first late' fee, but also an early payment price that excludes the 'first late' fee. The ticket record gets stored with the discounted price, allowing the use of the first and second late fee processes as before. This minimized the amount of change to the fee logic.

Court venue replaced by adjudication hearing

The arena to handle ticket disputes moved from a court to an adjudication process. A screening officer role was created to screen all disputed tickets prior to adjudication hearings.

This required the system to record screening officer notes and the outcome of the screening officer review. If the disputant wished to pursue adjudication, they could request a dispute hearing. To operationalize this component, the City purchased the "court module" that was available with the software package.

The City hosts adjudication sessions on behalf of the three North Shore jurisdictions, adding the task of co-ordination and the requirement of the "court module".

Miscellaneous Changes

Other necessary but minor changes were also needed, including:

- changes to reports to handle the new logic flows;
- changes to the selection process for sending tickets to collections to handle the new business rules (i.e. not sending tickets that are pending adjudication to collections);
- changes to business rules regarding "resetting" the ticket start date when a customer claims they did not receive the original ticket.

The City of North Vancouver found that one advantage of implementing new software is that it allowed for old tickets to proceed through the old system.

This transition period avoids the process of converting older tickets into the new system, minimizing additional changes to the new software. Conversely, it does require ticket administration in two different systems during the transition period. These "pros" and "cons" need to be weighed and assessed by each individual municipality.

8. COMMUNICATIONS PLAN AND MATERIALS

8.1. Communications Plan – Sample

Bylaw Notice Dispute Adjudication System

Targeted Communications Plan for
North Vancouver District, North Vancouver City
and District of West Vancouver

Revised: February 29, 2004

Communications Goal

To bring awareness to the newly formed Bylaw Dispute Adjudication System (BDAS).

Introduction

On May 3, 2004, the North Shore municipalities will introduce a new Bylaw Dispute Adjudication System. The BDAS will allow local municipalities to deal with bylaw disputes (i.e. parking tickets) at the local level, rather than through the Provincial Court system.

In addition to communications already initiated by the Provincial Government, the three North Shore Municipalities (District of North Vancouver, City of North Vancouver and District of West Vancouver) will carry out a targeted communications campaign, aimed at North Shore residents, as well as other Lower Mainland citizens who may be affected by the BDAS.

Targeted Audience

Residents of the three North Shore Municipalities, as well as other Lower Mainland citizens who may be affected by the BDAS.

Communications Strategies

1. Media Release with Backgrounder/Fact Sheet:

A tri-municipal media release and backgrounder/fact sheet will be prepared and distributed to all Lower Mainland media (newspaper, television, radio).

Target date for distribution: April 6, 2004.

2. Web Sites:

The media release/backgrounder will also be prominently posted on the three municipal web sites.

Target date for posting: April 6, 2004.

3. Advertising Notices:

All three municipalities have regular advertising space booked in the two local newspapers. We will utilize this space to communicate the new system throughout the months of April and May. In order to reach the widest possible audience, the notices will be consistent and will carry the three municipal identifiers and contact information.

Advertising schedule is as follows:

- **District of North Vancouver**

District Dialogue News Page – Outlook Newspaper.

- Notices to run: **April 15***, 29
May 13

- **City of North Vancouver**

City Views News Page – North Shore News

- Notices to run: **April 25***
May 2

- **District of West Vancouver**

Tidings News Page – North Shore News

- Notices to run: **April 18***
May 30

Note (*): The notices running on April 15, 18 and 25 will introduce the new BDAS, and will be more comprehensive than the follow-up notices.

4. On-Hold Recordings

The District of North Vancouver has an On-hold Messaging System, where callers to the District hear recorded messages while on hold. This system will be utilized throughout April and May (and continued on a periodic basis) to communicate the new Bylaw Dispute Adjudication System.

Conclusion

The commitment of this Communications Plan is to support the DBAS through effective and efficient communications to ensure that the widest possible audience is reached.

North Shore's new Bylaw Enforcement System

Effective May 3, the three North Shore Municipalities (District of North Vancouver, City of North Vancouver and District of West Vancouver) will become the first in B.C. to implement a new *Bylaw Enforcement System*. The new system will allow these municipalities to deal with bylaw disputes, such as parking tickets, at the local level rather than through the Provincial Court system.

Previously, anyone wishing to dispute a parking ticket had to appear in a B.C. Provincial Court, an expensive and time-consuming process for the disputant, the Province and Municipalities. In 2003, 43,000 tickets were issued across the North Shore, approximately 1,000 of which were disputed.

Under the new system, a provincially appointed adjudicator, centrally located at North Vancouver City Hall (141 W. 14th Street), will hear all disputes. The system will work as follows:

- If the ticket is paid within 14 days, a discount will apply. After a fixed number of days, a surcharge is added (Note: fine, discount and surcharge amounts vary in each North Shore municipality).
- Those electing to dispute their parking ticket may do so by first contacting the municipality in which the ticket was issued (by phone, fax, e-mail or in person) within 14 days of issuance.
- The disputant will be contacted by a Screening Officer who will review the case and, if appropriate, cancel the ticket. If this officer does not cancel the ticket, it will be forwarded to the adjudicator, or paid, whichever the client chooses.
- If proceeding to adjudication, the disputant will apply in writing for an adjudicator to hear the case. A date will be scheduled, and the

adjudication will be conducted at North Vancouver City Hall. It should be noted that the disputant would not be required to personally appear at the adjudication. Representation may alternatively be made in writing, or over the phone. If the ticket is upheld, the full ticket charge, surcharge and a \$25 adjudication fee (to offset the cost of the process) may be applicable and payable.

If the Bylaw Enforcement System is successful, it will be implemented in other B.C. municipalities and may soon encompass other bylaw contraventions.

8.2. Information Sheet and Backgrounder – Sample

Bylaw Enforcement System Backgrounder

The City of North Vancouver, District of North Vancouver and District of West Vancouver are introducing a new Bylaw Enforcement System, which will allow the three municipalities to deal with bylaw disputes such as parking tickets at the local level, rather than through the Provincial Court system.

When:

Effective May 3, 2004.

What:

B.C. drivers on the North Shore will have the opportunity to dispute their parking violations out of court as private adjudicators will hear all disputes. The adjudicators are appointed by the Provincial Attorney General's Office and funded by municipalities.

Why:

The system is set out in the Provincial Government's new Local Government Bylaw Notice Enforcement Act. It is intended to resolve disputes in a simple, cost-effective manner. The new Bylaw Enforcement System will improve efficiency in the areas of paying and collecting fines as well as deliver a streamlined process to the public. The system will also see efficiencies by:

- Reducing the costly, time-consuming process associated with disputing parking tickets through the court system;
- Reducing the high cost of locating and serving defendants;
- Reducing the need for witnesses to attend minor disputes;
- Reducing the costs associated with using a Provincial Court judge to hear a parking ticket dispute in court;
- Reducing the need to employ lawyers or enforcement officers to take minor cases to court;
- Reducing the time bylaw officers spend in court, allowing them to concentrate on serving the public in other capacities.

How the new system works:

- The new system is intended to streamline the court procedures associated with hearing bylaw ticket disputes and assigning the appropriate fine. Adjudicators will determine whether a bylaw infraction did or did not occur. If a contravention has occurred, a full penalty will be applied as well as an adjudication fee of \$25 to offset the cost of the process. If no bylaw violation has occurred, no fine will be applied.
- Those wishing to dispute their parking ticket may do so by first contacting the municipality in which the ticket was issued within 14 days of issuance. At that point, the adjudication is a three step process:

1. The individual disputing their ticket (disputant) will have the opportunity to speak with a Screening Officer. The Screening Officer will review the ticket and cancel it if appropriate. If this officer does not cancel the ticket, it will be forwarded to the adjudicator, or paid, which ever the client chooses.
2. If going forward to adjudication, the disputant will advise the Screening Officer which method of service they prefer - mail, fax, phone, email or in person. At that time, the adjudication office will notify the disputant of what to do, what date and time. The municipalities will always present their case in writing to the adjudicator.
3. The disputant applies in writing for an adjudicator to hear the case. A date for adjudication will be provided, and will be conducted at North Vancouver City Hall. Options include providing a representation in writing, by phone or in person. The adjudication fee is collected only if the ticket is upheld.

Benefits:

- Municipalities have more power over bylaw fine collection;
- Provincial Court time is minimized;
- Disputes will be resolved locally with a minimum of process, benefiting both the community and person disputing the parking infraction;
- Those who are challenging tickets no longer wait all day for court hearing;
- Those who are challenging tickets do not have to leave work or home in order to have a hearing.

Background:

In 2003, Bylaw Officers issued an estimated 43,000 tickets across the North Shore, approximately 1,000 of which were disputed, requiring Bylaw Officers to appear in court.

Formal court proceedings are very costly. A typical prosecution can cost as much as \$3,000 for a matter resulting in a \$50 fine. Minor bylaw cases also tend to be given the lowest priority, which results in prolonged delay, adjournments and added costs.

Summary:

By implementing a system comprised of dedicated arbitrators and mediators, the City of North Vancouver, District of North Vancouver and District of West Vancouver as well as the Province of British Columbia ensures that all minor bylaw matters are resolved through a streamlined process. This not only saves further taxpayer dollars, but also allows provincial and municipal time and resources to be used more efficiently and effectively. As well, those challenging tickets will receive enhanced, quicker service through a streamlined and efficient system.

Screening Officer Bylaw Notice Policy

1.0 Purpose

WHEREAS the District of West Vancouver has passed a Bylaw designating certain Bylaw contraventions that may be dealt with by Bylaw Notice;

AND WHEREAS the District of West Vancouver has established a position of Screening Officer who must review all disputed Bylaw Notices before dispute adjudication in respect of the Bylaw Notice may be scheduled; and

AND WHEREAS the Screening Officer has the power to cancel a Bylaw Notice on a ground of cancellation authorized by the District pursuant to section 10(2)(a)(iii) of the *Local Government Bylaw Notice Enforcement Act*; and

WHEREAS the District of West Vancouver finds it expedient to provide for grounds of cancellation of a Bylaw Notice in certain circumstances;

NOW THEREFORE the District of West Vancouver resolves to authorize the Screening Officer to cancel Bylaw Notices in the described circumstances set out in this policy.

2.0 Policy

2.1 The Screening Officer is authorized to cancel a Bylaw Notice where he or she is satisfied that one or more of the following reasons exist and a compliance agreement is not appropriate or available:

- (a) Identity cannot be proven, for example:
 - (i) The Bylaw Notice was issued to the wrong person; or
 - (ii) The vehicle involved in the contravention had been stolen.

- (b) An exception specified in the Bylaw or a related enactment is made out;
 - (i) Handicap vehicle in time zone or pay lot.
- (c) There is a poor likelihood of success at adjudication for the District, for example:
 - (i) The evidence is inadequate to show a contravention;
 - (ii) The Officer relied on incorrect information in issuing the Notice;
 - (iii) The Notice was not completed properly;
 - (iv) The Bylaw provision is unenforceable or poorly worded.
- (d) The contravention was necessary for the preservation of health and safety, for example:
 - (i) The contravention was the result of a medical emergency.
- (e) The Notice is one of a number of Notices arising out of the same incident, in which case the Screening Officer may cancel all but the most appropriate Notice.
- (f) It is not in the public interest to proceed to adjudication for one of the following reasons:
 - (i) The person who received the Notice was permitted or entitled to take the action, but the issuing officer was not aware of this entitlement or permit;
 - (ii) The person receiving the Notice was undergoing a personal tragedy at the time of the contravention such that it is not in the public interest to proceed;
 - (iii) The Bylaw has changed since the Notice was issued, and now authorizes the contravention.

POLICY

The District of North Vancouver authorizes the Screening Officer to cancel Bylaw Notices in the described circumstances.

The Screening Officer is authorized to cancel a Bylaw Notice where he or she is satisfied that one or more of the following reasons exist and a compliance agreement is not appropriate or available:

- (a) Identity cannot be proven. For example:
 - (i) The Bylaw Notice was issued to the wrong person; or
 - (ii) The vehicle involved in the contravention had been stolen.
- (b) An exception specified in the Bylaw or a related enactment is made out;
- (c) There is a poor likelihood of success at adjudication for the District. For example:
 - (i) The evidence is inadequate to show a contravention;
 - (ii) The Officer relied on incorrect information in issuing the Notice;
 - (iii) The Notice was not completed properly; or
 - (iv) The Bylaw provision is unenforceable or poorly worded.
- (d) The contravention was necessary for the preservation of health and safety. For example:
 - (i) The contravention was the result of a medical emergency.
- (e) It is not in the public interest to proceed to adjudication for one of the following reasons:
 - (i) The person who received the Notice was permitted or entitled to take the action, but the issuing officer was not aware of this entitlement or permit; or
 - (ii) The Bylaw has changed since the Notice was issued, and now authorizes the contravention.
- (f) The person exercised due diligence in their efforts to comply with the Bylaw. For example:
 - (i) As a result of mechanical problems the person could not comply with the Bylaw.

REASON FOR POLICY

Whereas

1. the District of North Vancouver has passed a Bylaw designating certain Bylaw contraventions that may be dealt with by Bylaw Notice; and
2. the District of North Vancouver has established a position of Screening Officer who must review all disputed Bylaw Notices before dispute adjudication in respect of the Bylaw Notice may be scheduled; and
3. the Screening Officer has the power to cancel a Bylaw Notice on a ground of cancellation authorized by the District pursuant to s. 10(2)(a)(iii) of the *Local Government Bylaw Notice Enforcement Act*.

the District of North Vancouver finds it expedient to provide for grounds of cancellation of a Bylaw Notice in certain circumstances.

SCREENING OFFICER BYLAW NOTICE POLICY

WHEREAS the City of North Vancouver has passed a Bylaw designating certain Bylaw contraventions that may be dealt with by Bylaw Notice; and

WHEREAS the City of North Vancouver has established a position of Screening Officer who must review all disputed Bylaw Notices before dispute adjudication in respect of the Bylaw Notice may be scheduled; and

WHEREAS the Screening Officer has the power to cancel a Bylaw Notice on a ground of cancellation authorized by the City pursuant to s. 10(2)(a)(iii) of the *Local Government Bylaw Notice Enforcement Act*; and

WHEREAS the City of North Vancouver finds it expedient to provide for grounds of cancellation of a Bylaw Notice in certain circumstances,

NOW THEREFORE the City of North Vancouver resolves to authorize the Screening Officer to cancel Bylaw Notices in the described circumstances.

1. The Screening Officer is authorized to cancel and may cancel a Bylaw Notice where he or she is satisfied that one or more of the following reasons exist and the person is not willing to enter a compliance agreement or a compliance agreement is not available for the offence:
 - (a) Identity cannot be proven. For example:
 - (i) The Bylaw Notice was issued to the wrong person; or
 - (ii) The vehicle involved in the contravention had been stolen.
 - (b) An exception specified in the Bylaw or a related enactment is made out;
 - (c) There is a poor likelihood of success at adjudication for the City. For example:
 - (i) The evidence is inadequate to show a contravention;
 - (ii) The Officer relied on incorrect information in issuing the Notice;
 - (iii) The Notice was not completed properly;
 - (d) The contravention was necessary for the preservation of health and safety. For example:
 - (i) The contravention was the result of a medical emergency.

2

- (e) The Notice may be cancelled if it is not in the public interest to proceed to adjudication for one of the following reasons:
 - (i) The person who received the Notice was permitted or entitled to take the action, but the issuing officer was not aware of this entitlement or permit;
 - (ii) The person receiving the Notice does not live in the vicinity, or the vehicle is not registered in the vicinity, and the screening officer is satisfied the person is a tourist or visitor to the City and the person is not a repeat offender.
 - (iii) The person receiving the Notice was undergoing a personal tragedy at the time of the contravention such that it is not in the public interest to proceed;
 - (iv) The Bylaw has changed since the Notice was issued, and now authorizes the contravention.
 - (v) The offence occurred as a result of a mechanical problem and the person could not reasonably comply with the bylaw.

PURSUANT to the report of the City Clerk dated July 15, 2004, entitled "Encouragement to Purchase Skateboard Helmets":

THAT City of North Vancouver Screening Officers be authorized to cancel tickets issued under section 408.8 of the "Street and Traffic Bylaw, 1991, No. 6234, which is:

"No person shall propel, coast ride or in any other way use roller skates or a skateboard on any street, including the roadway, lane and sidewalk, public open space, plaza, other City properties or skateboard park unless that person is properly wearing a helmet on his or her head, except if that person is a person for whom the wearing of a helmet would interfere with an essential religious practice";

ON THE PROVISIO THAT a proof of purchase of a helmet is provided within 14 days of the issuance of the ticket.

CARRIED UNANIMOUSLY

North Shore Bylaw Dispute Adjudication Registry

Operations Policy

Purpose

The North Shore Bylaw Dispute Adjudication Registry (hereafter called the *Adjudication Registry*) provides a transparent and impartial process whereby disputants may challenge a Bylaw Notice issued by CNV, the District of North Vancouver, or the Municipality of West Vancouver. The Adjudication Registry is managed by the CNV in accordance with City Bylaw No. 7600.

Parties Involved

The process of disputing a notice involves five parties:

1. The Bylaw Officer (the CNV employee authorized to issue the notice)
2. The Disputant (the party disputing the notice).
3. The Screening Officer (the CNV employee designated under Bylaw No. 7600 to act as the Screening Officer).
4. The Dispute Coordinator (the CNV employee who coordinates the activities of the Adjudication Registry).
5. The Adjudicator (the independent adjudicator with authority to determine if the notice is dismissed or upheld).

Dispute Process

When a notice is disputed, the Disputant enters into a two step adjudication process:

Adjudication Step 1: Screening Officer

The disputant contacts the Screening Officer; this communication may be by phone, in person, or in writing. The Screening Officer acts as follows:

1. Reviews the notice with the Disputant (see Appendix C: *Screening Checklist*) and undertakes the appropriate investigation including communication with the Bylaw Officer issuing the notice to determine the validity of the notice. Data is entered into the AutoPROCESS system. The Screening Officer has the authority to either uphold or dismiss the notice in accordance with the cancellation policy set by Mayor and Council (See Appendix D: *Screening Officer Bylaw Notice Policy*).
2. If the notice is dismissed, the Screening Officer cancels the notice and no further action is required by the Disputant.
3. If the Screening Officer upholds the notice, three options are available:
 - i. The Disputant may pay the discounted fine.
 - ii. The Disputant may go forward with adjudication.
 - iii. Where permitted, the Disputant may enter into a compliance agreement in accordance with CNV Bylaw No. 7600.

For all options, the Disputant is advised of applicable fines, fees, and surcharges.

4. If the Disputant chooses to go forward with adjudication, the Screening Officer prepares a file for the Dispute Coordinator that includes two copies of each of the following documents:
 - i. A report prepared by the Screening Officer based upon communication with the Disputant and quote the bylaw section.
 - ii. A report prepared by the Bylaw Officer issuing the notice including rationale for issuing the notice.

Adjudication Step 2: Dispute Adjudication

The Dispute Coordinator receives the file from a CNV Screening Officer or other Municipal Screening Officer participating in the Adjudication Registry. Adjudication cannot proceed until the notice has been screened by a Screening Officer; the Dispute Coordinator only receives files from a Screening Officer, not from the Disputant. The Dispute Coordinator:

1. Confirms that the file is complete and requests additional information if necessary.
2. Liaises with the Adjudicator to set dates for the Adjudication Registry and then enters these dates into the calendar of the autoPROCESS ticket system.
3. Informs the Disputant of the available dates and agrees on the date and time.
4. Prepares a Notice of Adjudication to be sent to the Disputant and to the municipality concerned which confirms the date and time of the Adjudication Hearing along with the Disputant's preferred method of participation: in person, by phone, or through submission of documentation prior to the date of adjudication.
5. Coordinates with CNV departments, as necessary, to prepare for the Adjudication Registry. This includes preparing an agenda for the scheduled date of the Adjudication Registry. The agenda includes time, notice number, name of Disputant, method of participation by Disputant, and municipal authority issuing the notice.

The following CNV departments must be notified of the forthcoming adjudication dates:

- i. Finance-Cashier and Accounting (notices issued by other municipalities may be paid at the CNV only on the day of the Adjudication Registry).
- ii. Building Services (to set up the room for the Adjudication Registry).
- iii. Information Technology (to set up computers for the Adjudication Registry).
- iv. Security.
- v. Bylaw Supervisor.
- vi. The municipal authority issuing the notice, if other than the CNV.
- vii. Bylaw Manager.
- viii. Adjudication room (booking).
- ix. City Hall Receptionist
- x. City Clerk
- xi. Director Corporate Services

APPENDIX B – NORTH SHORE BYLAW DISPUTE REGISTRY – OPERATIONS POLICY

6. Maintains an updated file and has this file available, as requested, for the Adjudicator. This file, which must be obtained from the municipality involved, includes the following documents:
 - i. The report prepared by the Screening Officer.
 - ii. The report prepared by the Bylaw Officer.
 - iii. Any additional information detailing the rationale for not dismissing the notice.
 - iv. A copy of the Notice of Adjudication.
 - v. A copy of the Bylaw Notice.
 - vi. A printed quote of the bylaw section under which the notice was issued.
7. Following the Adjudication Hearing, returns the file to the CNV or other Municipal Authority with outcome of the Hearing noted.
8. If a CNV notice is dismissed at the Adjudication Registry, no further action is required.
9. If a CNV notice is upheld at the Adjudication Registry, the CNV prepares a letter to the Disputant which states the bylaw notice number, confirms the adjudication decision, states the total fine and fees outstanding along with the date on which a surcharge will be applied along with the amount of the surcharge, provides alternative methods of payment, and states that the notice will be referred to a collection agent if left unpaid.

CAPITAL REGIONAL DISTRICT

BYLAW NO. 4683

A BYLAW RESPECTING THE ENFORCEMENT OF BYLAW NOTICES

WHEREAS pursuant to the Local Government Bylaw Notice Enforcement Act, SBC 2003, c 60 and regulations thereto, a local government may, by bylaw;

- A. Designate bylaw contraventions that may be dealt with by Bylaw Notice;
B. Establish the amount of penalty for a contravention referred to in paragraph A;
C. Establish the period for paying or disputing a Bylaw Notice; and
D. Establish a Bylaw Notice dispute adjudication system to resolve disputes in relation to Bylaw Notices.

NOW THEREFORE, the Capital Regional District Board in open meeting assembled hereby enacts as follows:

1. DEFINITIONS AND INTERPRETATION

In this Bylaw,

- a) "Act" means the Local Government Bylaw Notice Enforcement Act;
b) "CRD" means the Capital Regional District;
c) "Registry" means the Bylaw Notice Dispute Adjudication Registry;
d) a reference to a person designated as a screening officer or bylaw enforcement officer by virtue of their appointed position includes a person appointed to a similar position with substantially the same duties and functions.

2. TERMS

The terms in this Bylaw have the same meaning as the terms defined in the Act.

3. BYLAW CONTRAVENTIONS

The bylaws and bylaw contraventions designated in Schedule "A", Appendix 1, attached hereto and forming part of this bylaw, may be dealt with by Bylaw Notice.

4. PENALTY

The penalty for a contravention referred to in Section 3 is as follows:

CAPITAL REGIONAL DISTRICT CORPORATE POLICY

Policy Type	CRD Board		
Section	Bylaw and Animal Care Services		
Title	Screening Officer Bylaw Notice Policy		
Adopted Date		Policy Number	
Last Amended			
Policy Owner	Housing, Planning and Protective Services		

1. POLICY:

The Screening Officer is authorized to cancel a Bylaw Notice where satisfied one or more reasons exist and a compliance agreement is not authorized.

2. PURPOSE:

The Regional District has established a position of Screening Officer who must review all disputed Bylaw Notices before dispute adjudication in respect of the Bylaw Notice may be scheduled.

The Screening Officer has the power to cancel a Bylaw Notice, if in the opinion of the Screening Officer, the contravention did not occur as alleged; the bylaw notice does not comply with statutory requirements; or a ground for cancellation authorized by the local government is satisfied pursuant to s.10(2) of the *Local Government Bylaw Notice Enforcement Act*.

The Capital Regional District finds it expedient to provide for grounds of cancellation of a Bylaw Notice in certain circumstances. The Regional District authorizes the Screening Officer to cancel Bylaw Notices pursuant to the conditions set out in this policy.

3. SCOPE:

This policy applies to all Bylaw Notices issued by the Capital Regional District. It guides individuals appointed as Screening Officers in the exercise of their discretion under Bylaw No. 4683, "Bylaw Enforcement Notice Bylaw No. 1, 2025".

4. DEFINITIONS:

"**Act**" means the *Local Government Bylaw Notice Enforcement Act*, SBC 2003, c 60.

"**Bylaw Enforcement Officer**" means a person in a class prescribed under Section 273(c) of the *Community Charter* who is designated by the Capital Regional District Board as a bylaw enforcement officer.

"**Disputant**" means the party disputing the notice.

"**Regulation**" means the *Bylaw Notice Enforcement Regulation*, BC Reg 175/2004.

"**Screening Officer**" means a person in a class designated by bylaw under Section 2(3)(b) [*application of act*] of the *Local Government Bylaw Notice Enforcement Act* and appointed as a screening officer by the Regional District Board of Directors.

“Bylaw Notice” means a notice under section 4 [*bylaw notice*] of the *Local Government Bylaw Notice Enforcement Act*.

5. PROCEDURE:

1. The Screening Officer is authorized to cancel a Bylaw Notice where they are satisfied that one or more of the following reasons exist and a compliance agreement is not appropriate or available:
 - a) A jurisdictional issue arises that cannot be addressed by the adjudicator.
 - b) The bylaw notice does not comply with section 5 of the *Act*, in that it was issued more than six months after the contravention is alleged to have occurred.
 - c) The contravention did not occur as alleged.
 - d) The identity of the person or company cannot be established.
 - e) Identity cannot be proven, for example, where satisfied the bylaw notice was issued to the wrong person.
 - f) There is a poor likelihood of success at adjudication for the Capital Regional District, including, for example:
 - i. the evidence is inadequate to show a contravention;
 - ii. incorrect information was relied upon by the bylaw enforcement officer;
 - iii. the bylaw notice was not completed properly; or
 - iv. the bylaw provision is ambiguous or otherwise poorly worded.
 - g) The contravention was necessary for the preservation of health and safety, for example, where satisfied the contravention was the result of a medical emergency.
 - h) Multiple bylaw notices were issued arising out of the same incident, in which case the Screening Officer may cancel all but the most appropriate bylaw notice.
 - i) It is not in the public interest to proceed to adjudication for one of the following reasons:
 - i. the disputant was permitted or entitled to take action, but the issuing bylaw officer was unaware of this permit or entitlement;
 - ii. the Bylaw has changed since the bylaw notice was issued; and now authorizes the contravention.
 - iii. the disputant has a compelling case for undue hardship (i.e. undergoing a personal tragedy at the time of the contravention).
 - iv. the contravention was the result of a medical emergency.
 - v. the disputant is a tourist or visitor to the CRD, provided that they have not previously been issued a bylaw notice.
 - vi. the matter involves public health or safety requiring a penalty or other remedy beyond the jurisdiction of the Act or the Bylaw; or
 - vii. the matter is of sufficient importance that the CRD wishes to pursue avenues of bylaw enforcement other than under the Act or the Bylaw.
2. A Screening Officer will confirm a bylaw notice where, in the opinion of the Screening Officer, none of the grounds for cancellation in section 5.1 of this policy are applicable.
3. Where permitted under the Bylaw, a Screening Officer may enter into a compliance agreement if the Screening Officer determines that:

- a) the circumstances favour a compliance agreement as the best means of ensuring future compliant behaviour through terms and conditions that the Screening Officer considers necessary or advisable;
 - b) the bylaw notice contravener will likely fulfill the terms and conditions under the compliance agreement based on the contravener's willingness:
 - i. to accept liability for the contravention as alleged in the bylaw notice; and
 - ii. to comply with the terms and conditions of the compliance agreement;
 - c) the contravener has not previously committed the same contravention within the last 12 months; and;
 - d) the contravener has not, within the past 36 months, breached or otherwise failed to perform the terms and conditions of a compliance agreement with the CRD.
4. Subject to the agreement of the contravener and the Screening Officer, on behalf of the CRD, a compliance agreement may be amended, provided that:
- i. the amendment is in writing;
 - ii. the amendment cannot amend the reduced payment amount;
 - iii. the contravener is not, at the time, in breach of a term of the compliance agreement;
 - iv. the compliance agreement has not been rescinded; and
 - v. the compliance agreement has not expired.
5. Where a contravener breaches or otherwise fails to perform a term or condition of a compliance agreement, the Screening Officer will either:
- i. provide the contravener with an opportunity to immediately correct the breach or failure to perform and put the compliance agreement back in good standing; or
 - ii. immediately rescind the compliance agreement and provide the contravener with notice of the rescission, including:
 - a. the information that the contravener may, within 14 days of receiving notification of the rescission, require the Screening Officer to submit for dispute adjudication the issue of whether the contravener observed or performed the terms and conditions of the compliance agreement; and
 - b. the consequences of failing to respond to the rescission notice.
6. In considering between the options set out in subsections 5 (a) and (b) above, the Screening Officer will consider:
- i. the seriousness of the breach;
 - ii. the seriousness of the consequences of the breach;
 - iii. the contravener's explanation for the breach;
 - iv. whether the contravener exercised due diligence to avoid the breach;
 - v. whether the breach is capable of being immediately corrected;
 - vi. whether the contravener has previously been in breach of the compliance agreement; and
 - vii. whether the reduced penalty has been paid.
7. If an application to set aside a bylaw notice debt is made pursuant to section 5 of the Regulation by a person named in a bylaw notice who owes a debt to the CRD:
- i. in respect of a failure to dispute a compliance agreement rescission within the prescribed time or a failure to appear at a scheduled hearing; or

- ii. in respect of a failure to dispute a bylaw notice under section 25(2) of the Act [original bylaw notice not received] within the time permitted,

the Screening Officer will review the application and, if satisfied on a balance of probabilities that the failure to dispute or appear, as the case may be, was not the person's fault, the screening officer must cancel the debt; and

- iii. in respect of subsection 7(i) above, refer the dispute to adjudication; or
 - iv. in respect of subsection 7(ii) above, restart the CRD's 28-day response period under Bylaw 4683.
8. In reviewing an application under section 5 of the Regulation, the Screening Officer will consider all available information and will question the applicant thoroughly with respect to the evidence put forward in support of the application, as well as question any third parties who may have relevant evidence to consider.
 9. An application to set aside a debt owing in respect to a failure to dispute a compliance agreement rescission cannot be considered by the Screening Officer who entered into the compliance agreement.
 10. If a debt is cancelled under section 7 of this policy, in relation to which a Certificate of Amounts Owing has been filed in the Provincial Court, the Screening Officer will withdraw the Certificate from the Court.

CAPITAL REGIONAL DISTRICT
BYLAW NO. 4703

A BYLAW TO AMEND BYLAW NO. 1857 CAPITAL REGIONAL DISTRICT TICKET
INFORMATION AUTHORIZATION BYLAW, 1990

WHEREAS:

- A. Under Bylaw No. 1857, "Capital Regional District Ticket Information Authorization Bylaw, 1990", the Regional Board authorized the use of municipal ticket information for the enforcement of certain bylaws, to designate persons as bylaw enforcement officers, to authorize the use of certain words or expressions to designate certain bylaw offence and to set certain fine amounts for the purpose of Division 3 of Part 8 of the *Community Charter*;
- B. Under Bylaw No. 4683, "Bylaw Notice Enforcement Bylaw", Bylaw Notices may be issued to address certain bylaw contraventions;
- C. The Board wishes to amend Bylaw No. 1857, "Capital Regional District Ticket Information Authorization Bylaw, 1990", to align fine amounts and ensure governance remains relevant, fair, and reflective of contemporary priorities;

NOW THEREFORE, the Capital Regional District Board in open meeting assembled hereby enacts as follows:

- 1. Bylaw No. 1857, "Capital Regional District Ticket Information Authorization Bylaw, 1990" is hereby amended as follows:
 - (a) By replacing Schedules 2 to 40 in their entirety with Schedules 2 to 40 attached as Appendix A to this Bylaw.

REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION MEETING OF THURSDAY, MARCH 19, 2026

SUBJECT Salt Spring Island Transit Service - Fare Review

ISSUE SUMMARY

To present the findings of the Salt Spring Island (SSI) Transit Fare Structure Review and seek approval from the SSI Local Community Commission (LCC) for a revised fare structure.

BACKGROUND

BC Transit completed a comprehensive fare structure review for the SSI Transit System in response to rising operating costs and declining cost recovery. Fares on SSI have remained unchanged since 2017, despite significant increases in labour, fuel, and maintenance costs. The SSI Transit Services cost recovery has fallen from 32% in 2019/20 to 17% in 2024/25. Transit revenues have not kept pace with system costs, resulting in a growing reliance on local property taxation to sustain service levels.

The fare review developed three options that align with BC Transit's Fare Strategy and consider community affordability, operational impacts, revenue generation, and alignment with peer transit systems. BC Transit held a fare engagement open house at the Rainbow Recreation Centre on January 23, 2026, where community members learned about the fare review, provided feedback on the proposed options, and indicated their preferred choice while also engaging in discussions about how transit services are funded, including the roles of provincial and municipal contributions and the importance of fare revenue and property taxes in supporting local service. Approximately 20 people participated, with 15 offering input through an in-person dot-voting activity. An online survey was also conducted to provide an accessible alternative for public input, receiving 44 responses, with results summarized in (Appendix A).

Survey findings showed that Option 3 received the highest level of support (45%), and 51% of respondents reported that the proposed fare changes would not affect how frequently they use transit. Participants identified increased service frequency, continued investment in service improvements, and maintaining affordable monthly passes for regular riders as the key factors that would encourage greater transit use.

The objectives of the fare review sought to:

- Improve cost recovery and reduce the burden on local taxation.
- Ensure fare products remain simple, fair and aligned with BC Transit Fare Guidelines.
- Support ridership growth while generating sustainable revenue.
- Prepare for future implementation of electronic fare technology (Umo).

Summary of Options:

Option	Summary	Year 1 Revenue Increase	Year 1 Ridership Impact
Option 1	Gradual increase over three years	+\$13,164 (+9%)	-2%
Option 2	Full immediate increase to inflation levels	+\$35,920 (+25%)	-6.6%
Option 3	Moderate increase to \$2.75 with reduced monthly pass multiplier	+\$23,135 (+16%)	-4%

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission approve Option 3 – moderate increase to \$2.75 for a single-ride fare, with lower monthly pass cost as the preferred fare change and that staff work with BC Transit to implement the revised fare structure at the next feasible service change.

Alternative 2

That the Salt Spring Island Local Community Commission approve Option 2 – immediate increase to inflation levels as the preferred fare change and that staff work with BC Transit to implement the revised fare structure at the next feasible service change.

Alternative 3

That the Salt Spring Island Local Community Commission refers the report back to staff for additional information.

IMPLICATIONS

Financial Implications

Option 1 – Gradual Increase to Align with Inflation

A three-year phased increase generates moderate, steady revenue growth, with Year 1 revenue rising by \$13,164 (+9%) and ridership declining by about 2%. Revenue continues to increase in Years 2 and 3, but at a slower pace. Overall, Option 1 provides the smallest annual revenue gains but also the mildest ridership impact.

Option 2 – Immediate Increase to Inflation-Aligned Fares

A one-time increase to a \$3.00 single-ride fare results in the largest revenue gain at \$35,920 (+25%) in Year 1 but also the largest ridership decline at 6.6%. This option offers the greatest improvement in cost recovery but presents affordability challenges for riders.

Option 3 – Moderate Increase with Lower Monthly Pass Multiplier (Recommended)

This two-year increase starts with a jump to a \$2.75 fare while reducing the monthly pass multiplier to support frequent riders. Year 1 revenue increases by \$23,135 (+16%), with a 4% ridership decline, followed by an additional \$11,810 (+7%) revenue gain in Year 2. Option 3 provides a strong balance of revenue growth, moderate ridership impact, and improved affordability for regular users.

CONCLUSION

The SSI Transit Fare Review demonstrates the need to update fares to address rising operating costs and declining cost recovery. Among the options presented, Option 3 provides the most balanced approach by improving revenue while maintaining affordability for regular riders. This option also reflects the strongest community support and aligns with BC Transit’s fare guidelines. Implementing Option 3 will strengthen the long-term financial sustainability of the transit system while supporting continued service delivery on SSI.

RECOMMENDATION

That the Salt Spring Island Local Community Commission approve Option 3 – moderate increase to \$2.75 for a single-ride fare with lower monthly pass cost as the preferred fare change and that staff work with BC Transit to implement the revised fare structure at the next feasible service change.

Fare Review

Salt Spring Island

February 13, 2026

1.0 OVERVIEW

BC Transit has prepared this report for the Capital Regional District’s Salt Spring Island Local Community Commission to consider options to grow transit fare revenue. The report considers revenue and ridership trends over the past 17 years and compares Salt Spring Island’s fares to similar sized transit systems and BC Transit’s fare guidelines.

Transit operating costs on Salt Spring Island have increased significantly in recent years, driven by rising labour expenses, higher maintenance and bus parts costs, and elevated fuel prices. During this same period, fares have remained unchanged, resulting in fare revenues that have not kept pace with growing operating pressures. Consequently, cost recovery has declined from 32 per cent in 2019/20 to 17 per cent in 2024/25, shifting more of the financial burden onto local property taxes. Updating fare pricing is therefore necessary to help close this gap and ensure the long-term financial sustainability of the Transit System.

The report identifies three options for updating transit fares with public feedback on each option. These options align with BC Transit’s fare strategy by creating a simple, easy to understand fare structure that supports ridership growth, increases fare revenue, is cost-effective to administer, and is compatible with Umo, BC Transit’s electronic fare payment technology.

2.0 CURRENT FARES

The following table outlines the current fare structure on Salt Spring Island. This fare structure was implemented in May 2017, when the price for tickets and DayPASS was reduced by 25 cents. Previously, the single ride fares were \$2.25 with DayPASS at \$5.00, and tickets at \$20.25, effective July 2012. Monthly pass rates have remained unchanged since the establishment of the Salt Spring Island Transit System in 2008.

Table 1: Current Fare Structure

Fare Product	Audience	Current Fare
Cash	All	\$2.25
Tickets (10)	All	\$20.00
DayPASS	All	\$4.50
Monthly Pass	Adult	\$50.00
	Student / Senior*	\$40.00

*Student passes are eligible for youth aged 18 and under. Senior passes are available for adults aged 65 and over.

3.0 FARE REVENUE COMPOSITION

Revenue composition can be understood by examining the balance between single-ride (cash) fares and pre-paid fare products such as tickets and monthly passes. A greater share of revenue from cash fares generally indicates more full-fare one-time riders since cash users do not receive pre-payment discounts. This results in a higher average revenue per trip.

In contrast, pre-paid fare products contribute to more stable and predictable revenue by encouraging repeat travel among regular riders. Increased use of pre-paid products also supports operational efficiency by reducing boarding times, improving on-time performance, and lowering the likelihood of fare disputes on board.

Figure 1 below illustrates the composition of fare revenue by each fare type as a portion of total revenues, and **Figure 2** shows historical revenue composition which is trending towards a shift from cash to tickets and monthly passes.

Figure 1: Revenue by Fare Type 2024/25

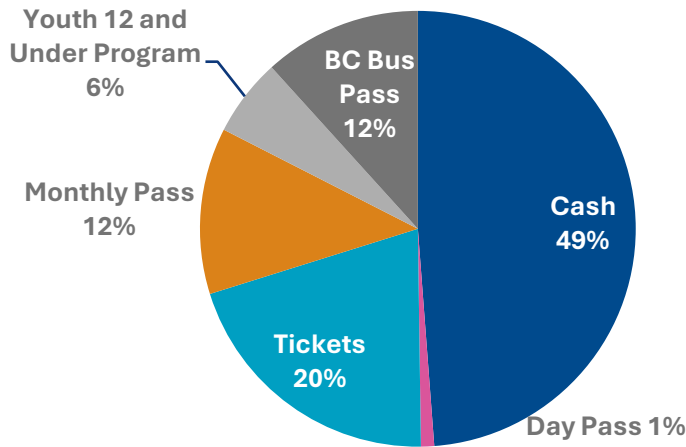

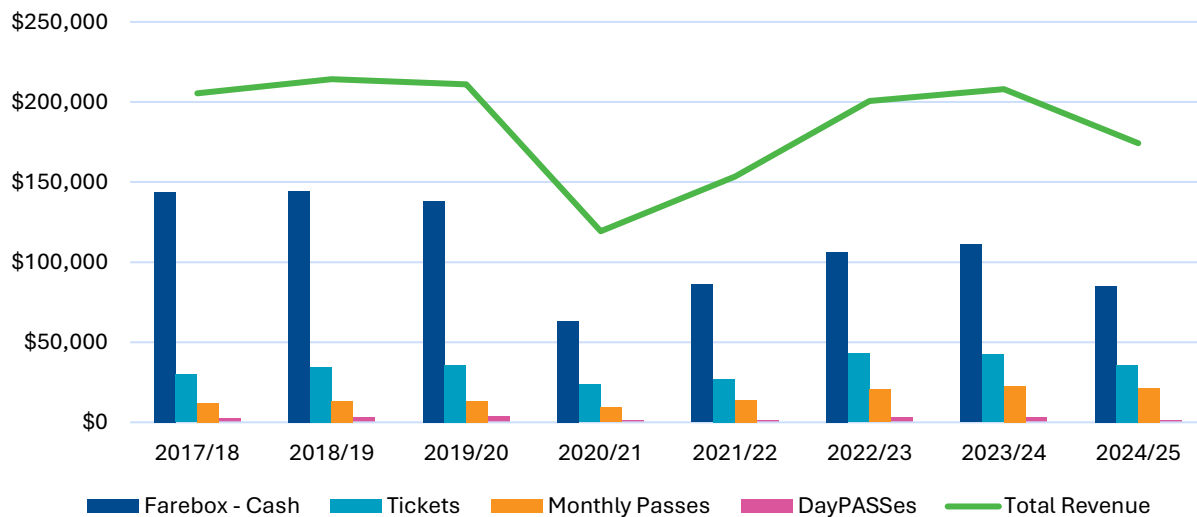

Figure 2: Salt Spring Island Transit System Annual Revenue Performance by Product

4.0 SUPPORTIVE TRANSIT PROGRAMS

The Salt Spring Island Transit System has two key supportive programs that provide access to transit for individuals that might not be able to afford it.

4.1 BC Bus Pass Program

The BC Bus Pass Program is a province-wide program funded and administered by the Ministry of Social Development and Poverty Reduction that provides a low-cost annual bus pass for all transit services operated by BC Transit and TransLink – except for the West Coast Express and handyDART. Access to the BC Bus Pass is provided to low-income seniors and people receiving disability assistance. Information about the BC Bus Pass program can be found on the BC Bus Pass webpage.¹ In the 2024/25 fiscal year, funding for the BC Bus Pass program made up 12 per cent of Salt Spring Island Transit System’s total revenues.

4.2 Youth 12 and Under – Get on Board Program

The Get on Board Youth 12 and Under program is another provincially funded program that allows children aged 12 and under to ride all BC Transit and TransLink transit services free of charge.² Funding for the Youth 12 and Under program made up 6 per cent of Salt Spring Island Transit System revenues in 2024/25.

5.0 KEY PERFORMANCE MEASURES

The table below outlines some key performance indicators for the Salt Spring Island Transit System at the conclusion of the 2024/25 fiscal year.

Table 2: Key Performance Measures

Measure	Performance
Total Ridership	106,100
Total Revenue	\$174,200
Total Revenue from Fare Sources*	\$143,730
Total Cost Recovery	17.2%

*Excludes BC Bus Pass program funding, Youth 12 and Under Program funding, and miscellaneous revenue. This represents revenue that can be affected by a fare change.

Annual ridership on Salt Spring Island peaked in 2019/20 at approximately 116,000 trips. While ridership declined sharply during the first two years of the COVID-19 pandemic, it has steadily recovered over the past three years and is now approaching pre-pandemic levels. In the 2024/25 fiscal year, ridership is estimated at 106,100 trips; as a result, compounded annual

² <https://www2.gov.bc.ca/gov/content/transportation/passenger-travel/buses-taxis-limos/get-on-board>

ridership growth over the past five years is approximately -2 per cent, reflecting the impact of pandemic-related declines and a more acute ridership drop seen specifically in the 2024/25 year that has been largely attributed to the impacts resulting from Ganges Hill construction.

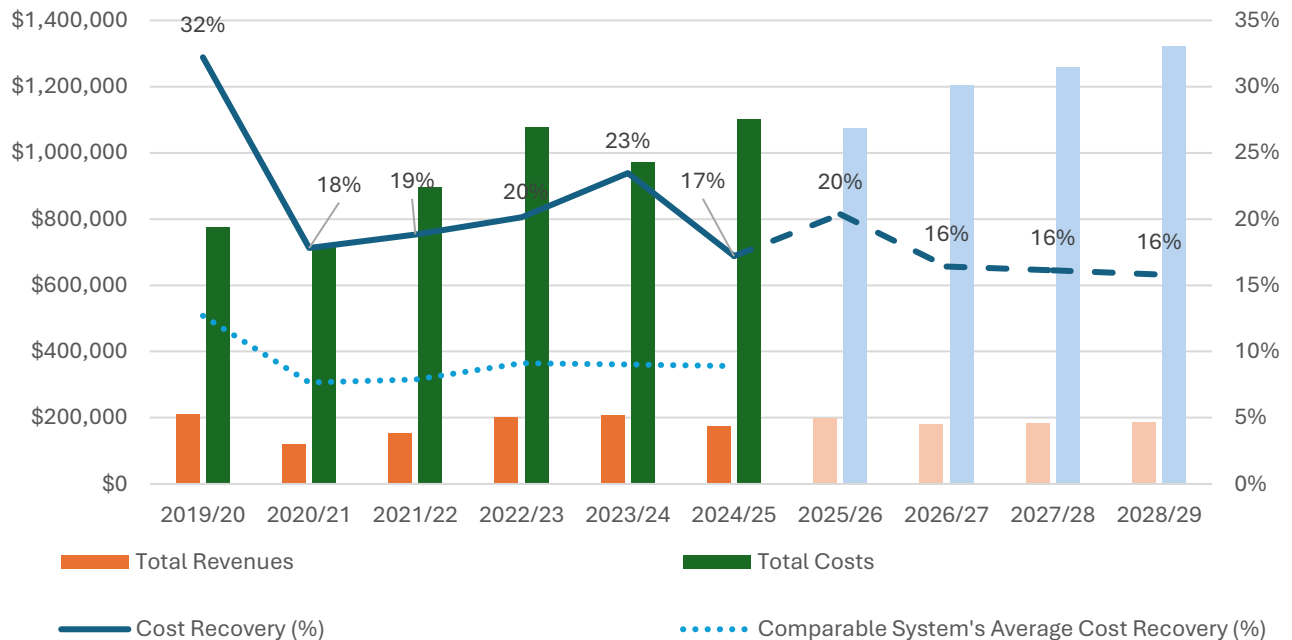

Revenues also peaked pre-pandemic at \$211,074 in 2019/20 and have been recovering gradually over time. In the 2024/25 fiscal year, total revenue was recognized at \$174,200; compounded annual revenue growth over the past five years is -4 per cent.

Changes in fare product usage help explain recent revenue trends. Over the past five years, cash fares have been the primary driver of fare revenue, accounting for 49 per cent of total fare revenue in the most recent year. The decline in cash farebox revenue in 2024/25, as seen in **Figure 2** is largely attributable to Ganges Hill construction, which reduced schedule reliability—especially for ferry connections—and disproportionately affected tourist/occasional riders who are more likely to pay cash. Regular riders increasingly used pre-paid products (tickets/passes), which helped stabilize total fare revenue but reduced average yield per ride.

All fare types have experienced growth over the five-year period, with particularly notable increases in ticket and monthly pass usage over the past three years, reflecting a gradual return to more regular travel patterns. Discounted pre-paid fare products, such as tickets and monthly passes, provide more stable and predictable revenue and support regular riders; however, they reduce the system’s potential maximum revenue growth.

Figure 3 presents total fare revenue alongside total operating costs and the corresponding cost recovery over the past five years.

Figure 3: Salt Spring Island Transit System Costs and Revenues 2019 – 2028

Cost recovery is a performance metric that evaluates the percentage of revenues over total operating costs. Any lease fees and debt service that make up the total costs of the transit service are not considered in the cost recovery calculation. **Total Costs = Total Operating Costs + Lease Fees**

6.0 ALIGNMENT WITH BC TRANSIT FARE GUIDELINES

Since its introduction, BC Transit’s Fare Strategy has guided fare decision-making across transit systems with the objective of improving the net yield of fare revenues, defined as fare revenue collected after accounting for the costs of fare collection. The strategy was developed in collaboration with local government partners and reflects both local operating conditions and BC Transit corporate priorities.

To support improved net yield, fare structures are evaluated against four core objectives:

1. The fare structure is attractive to customers and encourages ridership.
2. The fare structure is marketable and easy to produce and sell.
3. The fare structure has low operating and administrative costs.
4. The fare structure is secure and minimizes opportunities for fraud.

Consistent with these objectives, BC Transit emphasizes fare structure simplification. Simpler fare structures improve customer understanding and ease of purchase, reduce administrative complexity and costs, and help limit misuse and fare evasion.

BC Transit’s fare guidelines are based on industry best practices and are intended to assist local governments in setting fares that balance revenue generation, affordability, and ridership growth. The guidelines promote fare products that attract customers, encourage frequent transit use, and are straightforward to administer and sell. They also aim to maintain appropriate discounts for students and seniors while minimizing opportunities for misuse.

For consistency, the adult single-ride cash fare is used as the base fare from which all other fare products and discounts are calculated. The BC Transit Fare Strategy has been applied in multiple transit systems, and while outcomes vary by community, systems that have aligned with the guidelines have generally experienced positive revenue and operational results. Table 3 compares the Salt Spring Island Transit System’s current fare structure with BC Transit’s recommended fare guidelines.

Table 3: Alignment with BC Transit Fare Guidelines

Fare Product	Audience	BC Transit Fare Guideline	Salt Spring Island Fare Structure
Cash	All	Base Fare	Base Fare
Tickets	All	9 times Base Fare	8.9 times Base Fare
Day Pass	All	2 times Base Fare	2 times Base Fare
Monthly Pass	Adult	20 – 30 times Base Fare	22.2 times Base Fare
	Student/Senior	Adult Monthly Pass less 15%	Adult Monthly Pass less 20%

Table 3 shows that the Salt Spring Island fare structure is generally consistent with the BC Transit fare guidelines.

7.0 COMPARISON OF PEER SYSTEMS

Table 4 presents a comparison of the Salt Spring Island Transit System with other BC Transit systems that operate similar services and have comparable annual ridership or overall system scale. The data is drawn from the Canadian Urban Transit Association (CUTA) 2023 Operating Data Report.

As shown in **Table 4**, both cash fares and monthly concession passes on Salt Spring Island are priced below those of comparable systems. Monthly adult pass prices are more closely aligned with some peer BC Transit systems; however, they remain significantly lower than those observed in similarly sized transit systems across Canada.

Table 4: Comparison to Peer or Neighboring Systems

Transit System	Population Served*	Ridership*	Adult Cash Fare	Adult Monthly Pass	Concession Monthly Pass
Salt Spring Island, BC	8,792	110,417	\$2.25	\$50.00	\$40.00
Merritt, BC	8,644	65,383	\$2.50	\$50.00	\$42.50
Agassiz-Harrison and Hope, BC	15,108	33,596	\$2.50	\$50.00	\$43.00
Nelson, BC	16,459	339,402	\$2.25	\$60.00	\$45.00
Moose Jaw, SK	33,665	183,954	\$3.25	\$80.00	\$54.50
Victoria, BC	365,352	24,754,924	\$3.00	\$85.00	\$45.00
Vancouver, BC	2,950,509	231,559,416	\$3.35 - \$6.60	\$111.60 - \$201.55	\$63.80

CUTA's Canadian Transit Statistics identify that the average single-ride adult fare was \$3.50 in 2023.³ Fares on Salt Spring Island have not kept up with inflation. If fares were indexed to inflation the \$2.25 fare in 2012 would now be \$3.04.⁴

8.0 COMMUNITY ENGAGEMENT

BC Transit held a fare engagement open house at the Rainbow Recreation Centre on the afternoon of January 23rd. Community members were invited to learn about the fare review, provide feedback on the options, and identify their preferred option.

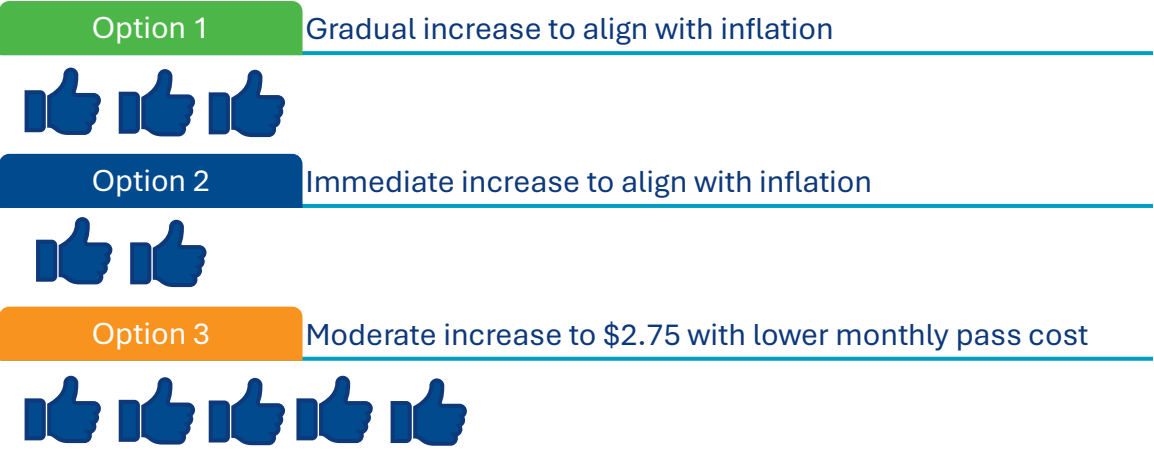

The open house also provided an opportunity for meaningful discussion about how transit services are funded, including the respective roles of provincial and municipal government contributions, as well as the importance of passenger fare revenue and property taxes in supporting the municipal share of funding. Approximately 20 members of the public engaged in the open house discussions, and 15 provided their input on their preferred option through an in-person dot-voting activity. Option 3 received the highest level of support at the open house (67 per cent).

An online survey was also conducted to gather public input and offer an accessible method of providing input without needing to attend the in-person event. The survey received a total of 44 responses, and a summary of the survey results is provided in **Appendix A**. Option 3 also received the highest level of support among survey respondents (45 per cent). Additionally, 51 per cent of respondents indicated that the proposed fare changes would not affect how frequently they use transit.

Respondents identified increased service frequency, continued investment in service improvements, and maintaining affordable monthly passes for regular riders as the most important factors that would encourage them to use transit more often.

The graphic below illustrates community preferences for the proposed options, based on a combined total of online survey responses and in-person voting, expressed as a percentage of total responses across both methods.

Figure 4: Community Responses to Fare Options

Future Considerations – Electronic Fare Collection System

BC Transit has begun implementing its digital fare payment platform, *Umo*, with implementation in over 30 transit systems beginning in 2024. *Umo* allows customers to pay for and manage their fares in an account-based environment using mobile phones or reloadable contactless cards, reducing reliance on cash and physical fare products.

Digital fare payment technology offers several benefits, including improved customer experience, increased revenue security, and enhanced data on fare usage and travel behaviour. It also provides greater flexibility for BC Transit to support additional fare programs across regional transit systems, creating opportunities for future revenue generation. Through this technology, fare products such as monthly passes and tickets can be purchased online or reloaded at vendor locations, improving ease of access for riders travelling between systems.

Once a secure bus storage facility is established, the Salt Spring Island Transit System will be able to consider the implementation of the electronic fare collection system, balancing the additional costs of the technology with the greater ease in collecting revenues from fares. With Umo, passengers will be able to pay fares using mobile applications, reloadable cards, and debit or credit cards.

9.0 PROPOSED FARE STRUCTURES AND PRODUCTS

The fare change options presented below were developed using BC Transit’s Fare Guidelines, which are detailed in the three options identified in the following pages. Fare changes were developed with consideration to support cost recovery to enable ongoing service expansions while maintaining affordability. The ridership and revenue impacts of the fare options were calculated using established industry-standard fare product elasticity models commonly applied in transit fare analyses.

When applying a price elasticity model, changes in ridership are assumed to occur primarily through a reduction in trip frequency among existing riders rather than a proportional loss of individual riders. Some customers may respond to a fare increase by travelling less often, by reducing discretionary or non-essential trips, while continuing to use transit for core travel. As a result, the model reflects an overall decrease in total boardings or number of rides, even if the number of unique riders declines less. While useful for estimating trends, elasticity models have limitations: they assume average responses across all rider groups, do not account for external factors such as service changes or weather, rely on historical data that may not fully reflect current conditions, and assume other factors remain constant. Rider responses may also be non-linear, so results should be interpreted as indicative rather than precise predictions.

Option 1 – Gradual Price Increase to Align with Inflation

In this multi-year option, it is proposed to have a gradual increase of twenty-five cents over the course of three years until fares align with 2025 inflationary values. This option would set the Monthly pass at 22.2 times a single ride fare, and concession pass at 15 per cent less than a monthly pass. A ten-ticket booklet will be available at 9 times the cost of a single ride fare.

Table 5: Option 1 of a multi-year fare increase schedule

Fare Product	Current	2026	2027	2028
Cash – Single Ride				\$3.00
DayPASS	\$4.50	\$5.00	\$5.50	\$6.00
Tickets (10)	\$20.00	\$22.50	\$24.75	\$27.00
Monthly Pass – Adult	50.00	\$55.00	\$60.00	\$65.00

Fare Product	Current	2026	2027	2028
Monthly Pass – Student/Senior	\$40.00	\$47.00	\$51.00	\$55.00
Forecasted Revenue*	\$143,730	\$156,894	\$168,917	\$180,731
Forecasted impact on revenue	0 (0%)	\$13,164 (9%)	\$12,023 (8%)	\$11,814 (7%)
Forecasted impact on # of rides	0 (0%)	-2,586 (-2%)	-2,052 (-2%)	-1,870 (-2%)

*Projected Revenues exclude revenues from Youth 12 and Under Program and the BC Bus Pass estimated at ~\$30,456

If Option 1 is selected, the price elasticity model forecasts modest declines in ridership alongside incremental increases in fare revenue. In year 1, ridership is estimated to decrease by approximately 2 per cent, while fare revenue is projected to increase by 9 per cent. Similar ridership impacts are expected in year 2, with a further 2 per cent decrease in rides and an 8 per cent increase in revenue. By year 3, fare revenue is projected to increase by 7 per cent, with ridership declining by an additional 2 per cent. Overall, Option 1 is projected to increase fare revenue by approximately \$12,000 annually.

Option 2 – Immediate increase to Align with Inflation

In this option, it is proposed to jump straight to a one time increase to align with inflation this year. This option would maintain the Monthly pass at 22 times a single ride fare and bring concession pass discount to 15 per cent less than a monthly pass. A ten-ticket booklet will be available at 9 times the cost of a single ride fare.

Table 6: Option 2 – One time fare increase

Fare Product	Current	25/26
Cash – Single Ride	\$2.25	\$3.00
DayPASS	\$4.50	\$6.00
Tickets (10)	\$20.00	\$27.00
Monthly Pass – Adult	\$50.00	\$65.00
Monthly Pass – Student/Senior	\$40.00	\$55.00
Forecasted Revenue*	\$143,730	\$179,650
Forecasted impact on revenue	0 (0%)	\$35,920 (25%)
Forecasted impact on # of rides	0 (0%)	-7,043 (-6.6%)

*Projected Revenues exclude revenues from Youth 12 and Under Program and the BC Bus Pass estimated at ~\$30,456

If Option 2 is selected, the elasticity model estimates an immediate 6.6 per cent reduction in ridership alongside a 25 per cent increase in fare revenue. This option offers the greatest potential to improve cost recovery; however, it also presents affordability risks, as fares would increase significantly, even though they would remain below the average transit fares observed across Canada.

Overall, Option 2 is projected to generate approximately \$35,900 in additional fare revenue.

Option 3 – Moderate increase to \$2.75 with lower monthly pass cost (BC Transit Recommendation)

In this multi-year option, it is proposed to jump to a fifty-cent increase in the first year and then increase again by twenty-five cents. While this is similar to Option 1, this option would set the monthly pass at 20 times a single ride fare instead of 22, resulting in greater affordability for regular riders. Concession pass will be 15 per cent less than the monthly pass and a ten-ticket booklet will be available at 9 times the cost of a single ride fare, which aligns with BC Transit’s Fare Guidelines.

Table 7: Option 3 of a multi-year fare increase schedule

Fare Product	Current	2026	2027
Cash – Single Ride			\$3.00
DayPASS		\$5.50	\$6.00
Tickets (10)		\$24.75	\$27.00
Monthly Pass – Adult		\$55.00	\$60.00
Monthly Pass – Student/Senior		\$47.00	\$51.00
Forecasted Revenue*	\$143,730	\$166,865	\$178,675
Forecasted impact on revenue	0 (0%)	\$23,135 (16%)	\$11,810 (7%)
Forecasted impact on # of rides			

*Projected Revenues exclude revenues from Youth 12 and Under Program and the BC Bus Pass estimated at ~\$30,456

If Option 3 is selected, the elasticity model forecasts a modest decline in ridership alongside a significant increase in fare revenue. In year 1, ridership is estimated to decrease by approximately 4 per cent, while fare revenue is projected to increase by 16 per cent. In year 2, ridership is expected to decline by a further 2 per cent, with fare revenue increasing by an additional 7 per cent.

Overall, Option 3 is projected to generate approximately \$23,000 in additional revenue in the first year and a further \$12,000 in the second year.

10.0 RECOMMENDATIONS

BC Transit recommends **Option 3** as the approved fare change. This option was selected for its alignment with BC Transit's recommended fare guidelines, its gradual adjustment of fares to account for inflation, and its consistency with fare levels in similarly sized transit systems. It also supports improved cost recovery for the transit system while providing the greatest benefits to regular riders who rely on transit most, balancing affordability with increased revenue.

Option 3 maintains affordability for frequent riders via a lower pass multiplier, aligns with the most selected engagement option, and adjusts single ride fares toward inflation while improving cost recovery.

It is recommended that the Salt Spring Island Local Community Commission and Capital Regional District:

1. Receive this report as information.
2. Approve the recommended proposed fare structure Option 3.
3. Direct staff to work with BC Transit to implement the fare change.

Following LCC approval, BC Transit will implement the fare change at the next feasible service change. This will include coordinated customer communications and updates to fare posters, rider guides, and other supporting materials to ensure transit users are adequately informed.

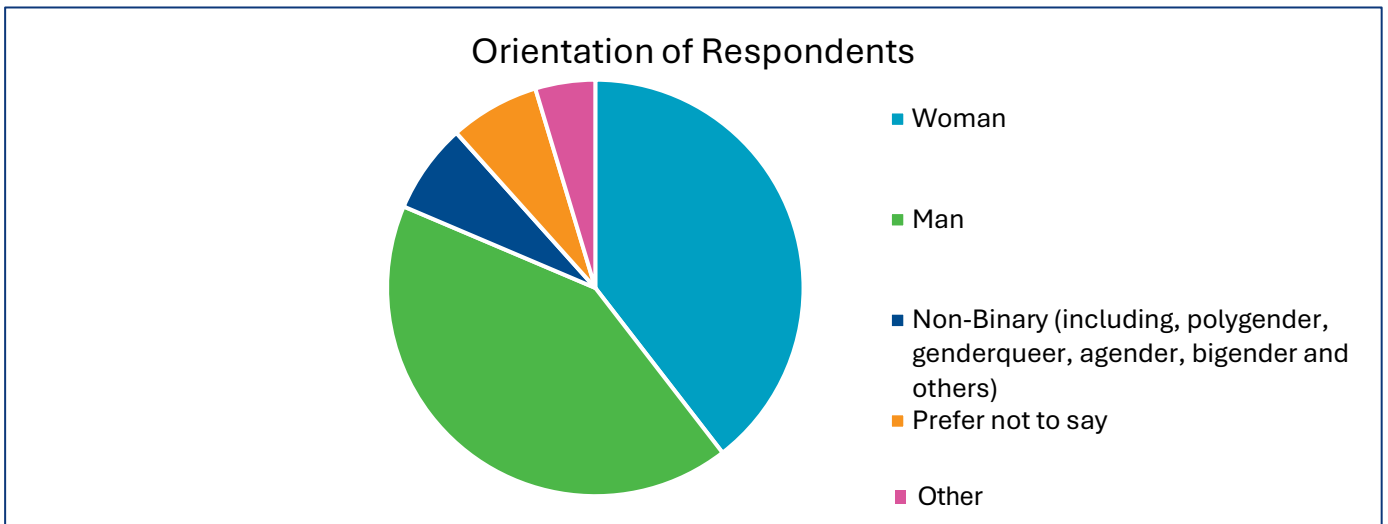

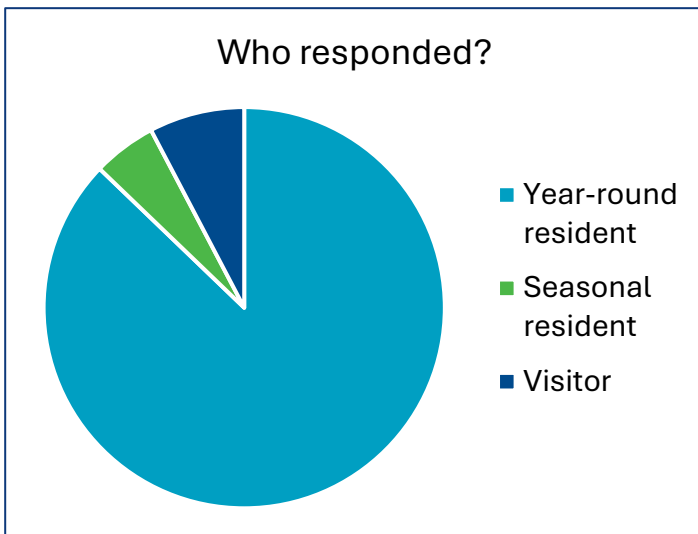

APPENDIX A – SURVEY RESULTS

- The survey was open from January 9th to January 25th, 2026.
- A total of 44 responses were received.

Most respondents identified as local residents, with a relatively even distribution across age, gender, and frequency of transit use. The majority of respondents were employed (59 per cent), either in-person or with flexible work schedules, followed by retirees (21 per cent) and students (9 per cent).

In terms of perspectives on transit funding, forty per cent of respondents preferred that a greater share of operating costs be covered through transit fare revenue rather than property taxes. Twenty per cent of respondents expressed a neutral view, while thirty-five per cent preferred a greater reliance on property taxes over fare increases.

Respondents identified increased service frequency, continued investment in service improvements, and maintaining affordable monthly passes for regular riders as the most important factors that would encourage them to use transit more often. A plurality supported Option 3 and about half indicated no expected change in frequency of riding transit with a moderate increase.

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, MARCH 19, 2026**

SUBJECT Requisition Increase to support SSI Transit Service Expansion and Long-Term Funding

ISSUE SUMMARY

To consider options to obtain consent to increase the maximum allowable requisition for the Capital Regional District (CRD) Salt Spring Island (SSI) Community Transit and Transportation Service.

BACKGROUND

The Salt Spring Island (SSI) Community Transit and Transportation Service was established in 2007 through Bylaw No. 3438. The bylaw created two distinct services on SSI:

1. Community Transit Service (“Transit”) – Provides public transit on SSI, delivered by BC Transit.
2. Transportation Service (“Transportation”) – Supports transportation planning and the construction, installation, maintenance, and regulation of sidewalks, bicycle paths, parking facilities, pedestrian safety improvements, traffic-calming measures, and transportation demand management programs.

The SSI Transit Service budget (1.238A Community Transit) is primarily funded through the CRD tax requisition paid by SSI taxpayers, supplemented by transit user fees. BC Transit has provided cost estimates for each proposed service expansion as incremental costs above the existing service level.

In 2025, the budgeted requisition of \$454,571 for the existing service level represented 90% of the maximum allowable requisition of \$506,538, based on 2025 assessments. To maintain the existing service level, the maximum allowable requisition was increased by 25%, through Director consent, to \$633,172, based on 2025 assessments (under Bylaw 4647, adopted January 2026). An additional 41% increase to the requisition would be required to support the future service expansion proposal.

Under legislation, Director consent may be used to increase the maximum requisition by up to 25% every five years without referral to the Inspector of Municipalities. Director consent may also be used to approve increases above 25%; however, such increases require approval from the Inspector of Municipalities. The Inspector typically accepts the CRD’s choice of approval process, but it does retain the discretion to require a different form of elector approval. Alternate forms of elector approval may be obtained through a petition, an Alternative Approval Process (AAP), or assent voting (referendum):

- **Petition** – Requires signatures from owners representing at least 50% of parcels in the service area, collectively representing at least 50% of assessed land and improvements. This method is only used for small service areas and is not an option for island-wide services.

Salt Spring Island Local Community Commission – March 19, 2026
Requisition Increase to support SSI Transit Service Expansion and Long-Term Funding 2

- **Alternative Approval Process (AAP)** – Elector approval is achieved if fewer than 10% of eligible electors in the service area submit forms opposing the proposal.
- **Assent Voting (Referendum)** – Elector approval is achieved if more than 50% of votes cast are in favour of the proposal.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission directs staff to report back with bylaw revisions to increase the maximum requisition of bylaw 4647 by 41% to \$900,000 and recommend to the Regional Board that elector approval proceed by way of assent vote (referendum).

Alternative 1

That the Salt Spring Island Local Community Commission directs staff to report back with bylaw revisions to increase the maximum requisition of bylaw 4647 by 41% to \$900,000 and that elector approval proceed by way of Director consent and approval of the Inspector of Municipalities.

Alternative 2

That the report be referred back to staff for additional information.

IMPLICATIONS

Service Delivery Implications

Transit service expansion investments are important components to sustaining and growing a successful community transit system. The current system experiences capacity issues and users are often passed by during peak times. Additional peak service routes and extending an existing route is expected to mitigate these capacity issues and improve ridership.

Financial Implications

The transit system expansion options under consideration would require additional funding beyond the current maximum requisition permitted under the service establishment bylaw. While BC Transit has provided preliminary budget estimates based on a 2027 implementation timeline, Transit has since confirmed that expansion cannot proceed in 2027. To secure SSI in the queue for a future expansion the maximum requisition would need to be increased prior to entering into an expansion agreement.

Table 1 below summarizes the current maximum limit and proposed new maximum limit.

Assessment x (2a) Tax Rate			
-----------------------------------	--	--	--

**\$633,172 is the Maximum Rate established in the Bylaw 4647, however with the increase in house values the allowable Maximum Rate increased in a pro-rated manner to \$640,551 in 2026.*

***Future assessment will be applied to the tax rate to calculate the maximum limit annually.*

The proposed new requisition maximum limit of \$900,000 and \$0.1335 per \$1000 assessed value is mainly informed by the forecasted costs estimates provided by BC Transit. The new maximum limit is required to maintain existing service level, accommodate the new service expansions, mitigate the risk of fee revenue shortfalls and allow contingency for service growth and inflationary adjustments in the longer term.

Forecast costs of the increased Service level were provided by BC Transit in 2025 as follows. Since the actual start dates of the expansions are unknown, for simplicity and more feasible approach in costs estimation, it is assumed that both initiatives will commence in January 2028.

PROPOSED PARATRANSIT EXPANSION INITIATIVES – YEAR 1 (2026/27)

Salt Spring Island Local Community Commission – March 19, 2026
Requisition Increase to support SSI Transit Service Expansion and Long-Term Funding 4

Please refer to Appendix A for a detailed analysis and simulation of implications to the requisition and maximum levy for the expanded service level. This appendix also provides a summary of the forecasted costs, revenues and rationale for the proposed increase.

Key assumptions used in this simulation are outlined below:

- The estimated net costs for two service expansions were provided by BC Transit in 2025 and assumed an implementation year of 2027. This estimated costs in 2025 have been implemented into the simulation for one year deferral implementation of 2028 as no new estimated costs provided by BC Transit .
- BC Transit costs and fee revenue are forecasted to increase annually at 6% and 2% respectively for existing service level. This is based on the average increases from 2026-2028 draft budget provided by BC Transit.
- CRD's other operating costs are forecasted to increase at an annual inflation rate of 2%.
- Reserve fund transfers are forecasted at a level required to maintain balances within CRD guidelines.
- The service expansion on Route 2, Fulford ferry to Ganges, is scheduled for implementation in January 2028. The estimated annual net cost of **\$108,160** in 2028 budget represents an increase of 17% over the current maximum requisition of \$640,551. Future inflationary adjustments are also considered in the simulation.
- The service expansion on Route 7, Cusheon/Beddis to Ganges is scheduled for implementation in January 2028. The estimated annual net cost of **\$32,320** in 2028 budget represents an increase of 5% over the current maximum requisition of \$640,551. Future inflationary adjustments and annualization are also considered in the simulation.

CONCLUSION

The SSI Community Transit Service is operating near its maximum allowable requisition and cannot accommodate the proposed service expansion without a significant increase to the requisition limit. While a 25% increase was approved through Director consent in 2025 to maintain existing service levels, the additional 41% increase required for expansion exceeds the threshold that can be authorized without Inspector of Municipalities approval. The Inspector retains the discretion to require an approval process other than Director consent, such as an AAP or referendum.

RECOMMENDATION

That the Salt Spring Island Local Community Commission directs staff to report back with bylaw revisions to increase the maximum requisition of bylaw 4647 by 41% to \$900,000 and recommend to the Regional Board that elector approval proceed by way of assent vote (referendum).

**REPORT TO SALT SPRING ISLAND LOCAL COMMUNITY COMMISSION
MEETING OF THURSDAY, MARCH 19, 2026**

SUBJECT **Grant-In-Aid Application – Transition Salt Spring Society**

ISSUE

To review one Grant-in-Aid application submission prior to the spring intake for the Salt Spring Island Electoral Area.

BACKGROUND

The Capital Regional District's (CRD) Grant-in-Aid (GIA) Program are one-time grants to fund special projects and activities, awarded to community non-profit organizations who deliver projects benefiting electoral areas (Juan de Fuca, Salt Spring Island and Southern Gulf Islands) that are not already funded by requisition.

Funding may be provided to non-profit organizations or community groups that are considered to contribute to the general interests, wellbeing, and advantage of the community. This governance framework ensures that public funds are allocated transparently, equitably, and in alignment with the CRD's mandate and the priorities of each electoral area.

In 2023, the Salt Spring Island Local Community Commission (LCC) directed staff to establish two annual GIA intake periods, one in the spring and one in the fall, to better support community organizations and provide predictable funding windows. This structured intake process helps ensure consistent evaluation, accountability, and alignment with community needs. However, the LCC also recognized that certain community initiatives may require consideration outside the standard intake timelines. The current request is being advanced ahead of the spring intake because Transition Salt Spring Society requires timely funding to deliver the Salt Spring Island Invasive Chipping event. Given the event's early-season timing and community benefit, the request is being brought forward for consideration in advance of the scheduled GIA distribution.

ALTERNATIVES

Alternative 1

That the Salt Spring Island Local Community Commission:

Approve the Grant-in-Aid application to Transition Salt Spring Society in the amount of \$3,500, pending eligibility and financial review.

Alternative 2

Alternative 3

That the Salt Spring Island Local Community Commission:

Approve a different amount in support of the Grant-in-Aid application to Transition Salt Spring Society, pending eligibility and financial review.

Alternative 4

That the Salt Spring Island Local Community Commission:

Refer the Grant-in-Aid application back to staff for more information.

IMPLICATIONS

Financial Implications

The purpose of this application is to request \$3,500 to support the SSI Invasives two-day Drop-off Program scheduled for late spring. The application includes a program budget and the Transition Salt Spring Society Statement of Activity.

Transition Salt Spring Society received \$3,500 in Grant-in-Aid (GIA) funding in 2025 to support this program, with additional funding provided through donations and other grants. The 2025 program was also supported by a significant amount of volunteer time.

Table 1: Salt Spring Island 2026 Grant-In-Aid Overall Summary

The approved 2026 Grant-in-Aid (GIA) budget for the Salt Spring Island Electoral Area is \$70,230 with a pending donation of \$20,000.

2026 GIA Overall Summary	Budget
SSI (\$)	70,230
SSI Foundation Donation (\$)	20,000

Table 2: Salt Spring Island Grant-in-Aid application for 2026

The Transition Salt Spring Society application is being brought forward in advance of the GIA spring intake at the direction of the LCC.

2026 Project Summary		
Applicant	Project Title	Award (\$)
Transition Salt Spring Society	To organize the collection and chipping of invasive plants in spring 2026	\$ 3,500
GIA Total		\$ 3,500

Table 3: Post Approval Funds Remaining

Approval of this request would leave a remaining GIA balance of \$96,730.

2026 GIA Overall Summary	Core GIA		
	Budget	Spent	Remaining
SSI (\$)	70,230	3,500	66,730
SSI Foundation (\$)	20,000		20,000

RECOMMENDATION

That the Salt Spring Island Local Community Commission:

Approve the Grant-in-Aid application to Transition Salt Spring Society in the amount of \$3,500, pending eligibility and financial review.

Application Summary

Project or purpose for which you require assistance:

Transition Salt Spring will act as fiduciary and organizer for an expansion of the invasives chipping program that will be led by a consortium of community organizations concerned with the fire risk posed by invasive plants. Together, we will hold two drop-off/chipping days in late spring for which we need financial assistance.

Amount of grant requested \$ 3,500.00

To the best of my knowledge, all of the information that is provided in this application is true and correct. Furthermore, I hereby certify that this application for assistance is:

- NOT being made on behalf of an industrial, commercial, or business undertaking
- NOT available for the personal benefit of any individual, proprietor, member or shareholder

Applicant Profile

1. Please describe the services / benefits that your organization provides to the community. Are these services / benefits available to the community from another organization or agency?

Transition Salt Spring (TSS) has been working since 1997 to empower Salt Spring Islanders to build a thriving community, resilient to climate change. We educate and empower islanders to eat locally, waste less, free up our energy systems and get from place to place with a lower carbon footprint.

Transition Salt Spring acts as an ally to existing groups, an initiator and incubator of new projects, and an umbrella organization for programs that foster local resilience and reduce fossil fuels dependence. This flexible support structure is unique on Salt Spring, and allows for new initiatives to emerge over time.

Mission: Respond to climate change. Restore ecosystems. Reimagine community. Together.

2. Describe the geographic area that receives services or benefits from your organization.

Salt Spring Island, BC

3. Is your organization voluntary and non-profit? NO YES

Please detail any remuneration paid, or funds otherwise made available to members, officers, etc. of your organization.

Officers of the organization receive no remuneration for their services. Members often form Working Groups to undertake projects and will, from time to time, apply for project funding support from TSS and other funders. These are granted for project purposes only and do not benefit any members directly.

Please indicate the number of members / volunteers in your organization and how long your organization has been in operation.

Transition Salt Spring was founded in 1997.
Currently there are 2500 members of the Society.

Project / Proposal Profile

1. Assistance is being requested for:

capital project and / or equipment

special event

other purpose (Two days of drop-off and chipping of invasive plants)

2. Please describe the proposal for which you are requesting assistance. Attach additional information if required.

For the past 16 years, the Native Plant Stewardship Group of TSS, has organized a popular rite of spring for our community - the drop-off and chipping of invasive plants that pose a great fire risk to our island. Funding for this program has come from various sources, with support through GIAs in the last two years.

With the successful implementation of a user fee that varies per size of the load, the program has the potential, with increased community support of becoming self-sustaining financially. An Advisory Council for this ongoing program has been assembled, with the key community groups concerned with the issue of invasive plants and their fire risk offering their assistance and support.

The SSIFR will join as a sponsor and participate in public education at the events. Farms are standing by to receive the chips. Also, businesses have expressed interest in sponsoring the events.

With this increased community involvement, this year will be the transition to a community-supported annual program. Yet, financial support is needed this year for organization of the drop-off days, as the evolution is established.

3. Please describe how this proposal will benefit the community.

Through the collection of highly flammable invasive species, TSS is focused on lowering the amount of residential open burning which reduces fire risks, reduces carcinogenic particulate matter in the air, slows the spread of invasives and provides local farms with an on-island beneficial use of the disposed plant material.

Hundreds of islanders do their part to help meet the goals of this initiative, further building the sense of commitment we need to address the climate risks we face. And farms receive valuable chips to help them grow local food for our community.

The invasives chipping days are what our island does best: a gathering of diverse people looking out for their families, their neighbours, and their island.

Funding and Financial Information

1. Attach supporting financial information, i.e., budget / financial report. Ensure the following information is clearly itemized;
 - project budget,
 - grants / funding from other sources,
 - funding contributed by applicant through fund raising activities or other sources of revenue and,
 - financial statement that itemizes total expenses for the fiscal year, including any monies and/or benefits paid to members or officers.

2. Have you applied for a grant / funding from another source(s)? NO YES

If yes, complete the following chart. **If no**, please explain _____
