

Halloween Tips Just for Dogs

Protect Your Pet

While you are getting ready for Halloween remember to take a few minutes to make sure your dog is well protected. Halloween can be a dangerous time for your beloved animal!

8 Easy Steps To Protect Your Dog This Halloween:

- Walk your dog before trick-or-treaters start their visits.
- Find a secure place indoors to keep your dog safe.
- Ensure your dog is wearing an up-to-date Licence.
- Crate your dog to provide increased security.
- Comfort your dog with their favorite toy.
- Play soft music or a recording of soothing sounds.
- Keep your dog on its leash to greet visitors.
- Keep candy, decorations and jack-o-laterns out of reach.

Note: Remember chocolate contains theobromine, which can cause nerve damage and even death in dogs.
