

Elsie King Trail

The image is an aerial photograph of a large, densely forested area. A thick green line traces a path through the trees, starting from the top center and curving towards the bottom right. A red line outlines a specific section of the forest, roughly in the middle-right of the frame. A road, labeled 'Munn Road', is visible as a thin grey line crossing the green path. Three text boxes are overlaid on the image: a red-bordered box with the text 'Elsie King Trail' pointing to the red outline, a dark grey box with the text 'FRANCIS/KING REGIONAL PARK' in the lower-left, and a dark grey box with the text 'Munn Road' oriented vertically along the road.

FRANCIS/KING  
REGIONAL PARK

Munn Road
