Attention: Keltie Miles, President

Dear Keltie:

RE: GALIANO ISLAND ACTIVITY CENTRE – FUNDING APPLICATION

On behalf of the Galiano Island Parks & Recreation Commission (GIPRC), I am pleased to provide this letter of support for the proposed multi-sport court project.

The Commission recognizes the importance of accessible recreational infrastructure within our community and acknowledges that recreation is a core component of GIPRC's mandate. The development of a multi-sport court aligns with our commitment to supporting active, healthy lifestyles and providing diverse recreational opportunities for residents.

To demonstrate this commitment, GIPRC has allocated \$20,000 in its 2026 Capital Budget toward the construction of the multi-sport court. In addition, the Commission will include \$10,000 in its provisional 2027 Capital Budget to further support the project and its completion.

Furthermore, GIPRC is prepared to enter into a legal agreement that includes provisions assigning responsibility for the ongoing maintenance of the multi-sport court to the Commission. This commitment will help ensure the long-term sustainability and functionality of the facility for community use.

GIPRC strongly supports this initiative and looks forward to contributing to the successful development and ongoing stewardship of this valuable recreational asset.

Best regards

Paul Brent
