

What is 'Walk & Wheel for 5' ?

Walk & Wheel for 5 is designed to support student safety by easing vehicle congestion at the school during arrival and dismissal, while saving you time, building student confidence, and enabling more families to be active.

These unsupervised sites are five minutes (500 meters) from the school and may be used as **alternative drop-off and pick-up sites for households that drive, walk, wheel, bike or take public transit together.**

Use these sites to **Meet-Up & Go, Park & Stroll or simply Kiss & Go** on your way to school. Supporting safety in numbers on common routes to school ultimately creates safer active travel conditions for everyone.

Your choice makes a difference

When you choose not to drive door-to door you help reduce road congestion and support safety in numbers.

Reducing vehicle traffic during arrival & dismissal times makes school parking lots & streets safer for everyone.

Benefits of Active Travel

Create safer school streets

Spend time together outside

Build confidence & capacity

"I love the Walking School Bus, because now my Mom gets to work ON time!"

- Grade 3 Student Rogers Elementary

"It's really tough to walk or bike when both parents have full time jobs. The Walk and Wheel for 5 site has saved me getting stuck in congestion near the school. My child enjoys it too!"

-Millstream Elementary parent

TIPS FOR FAMILIES

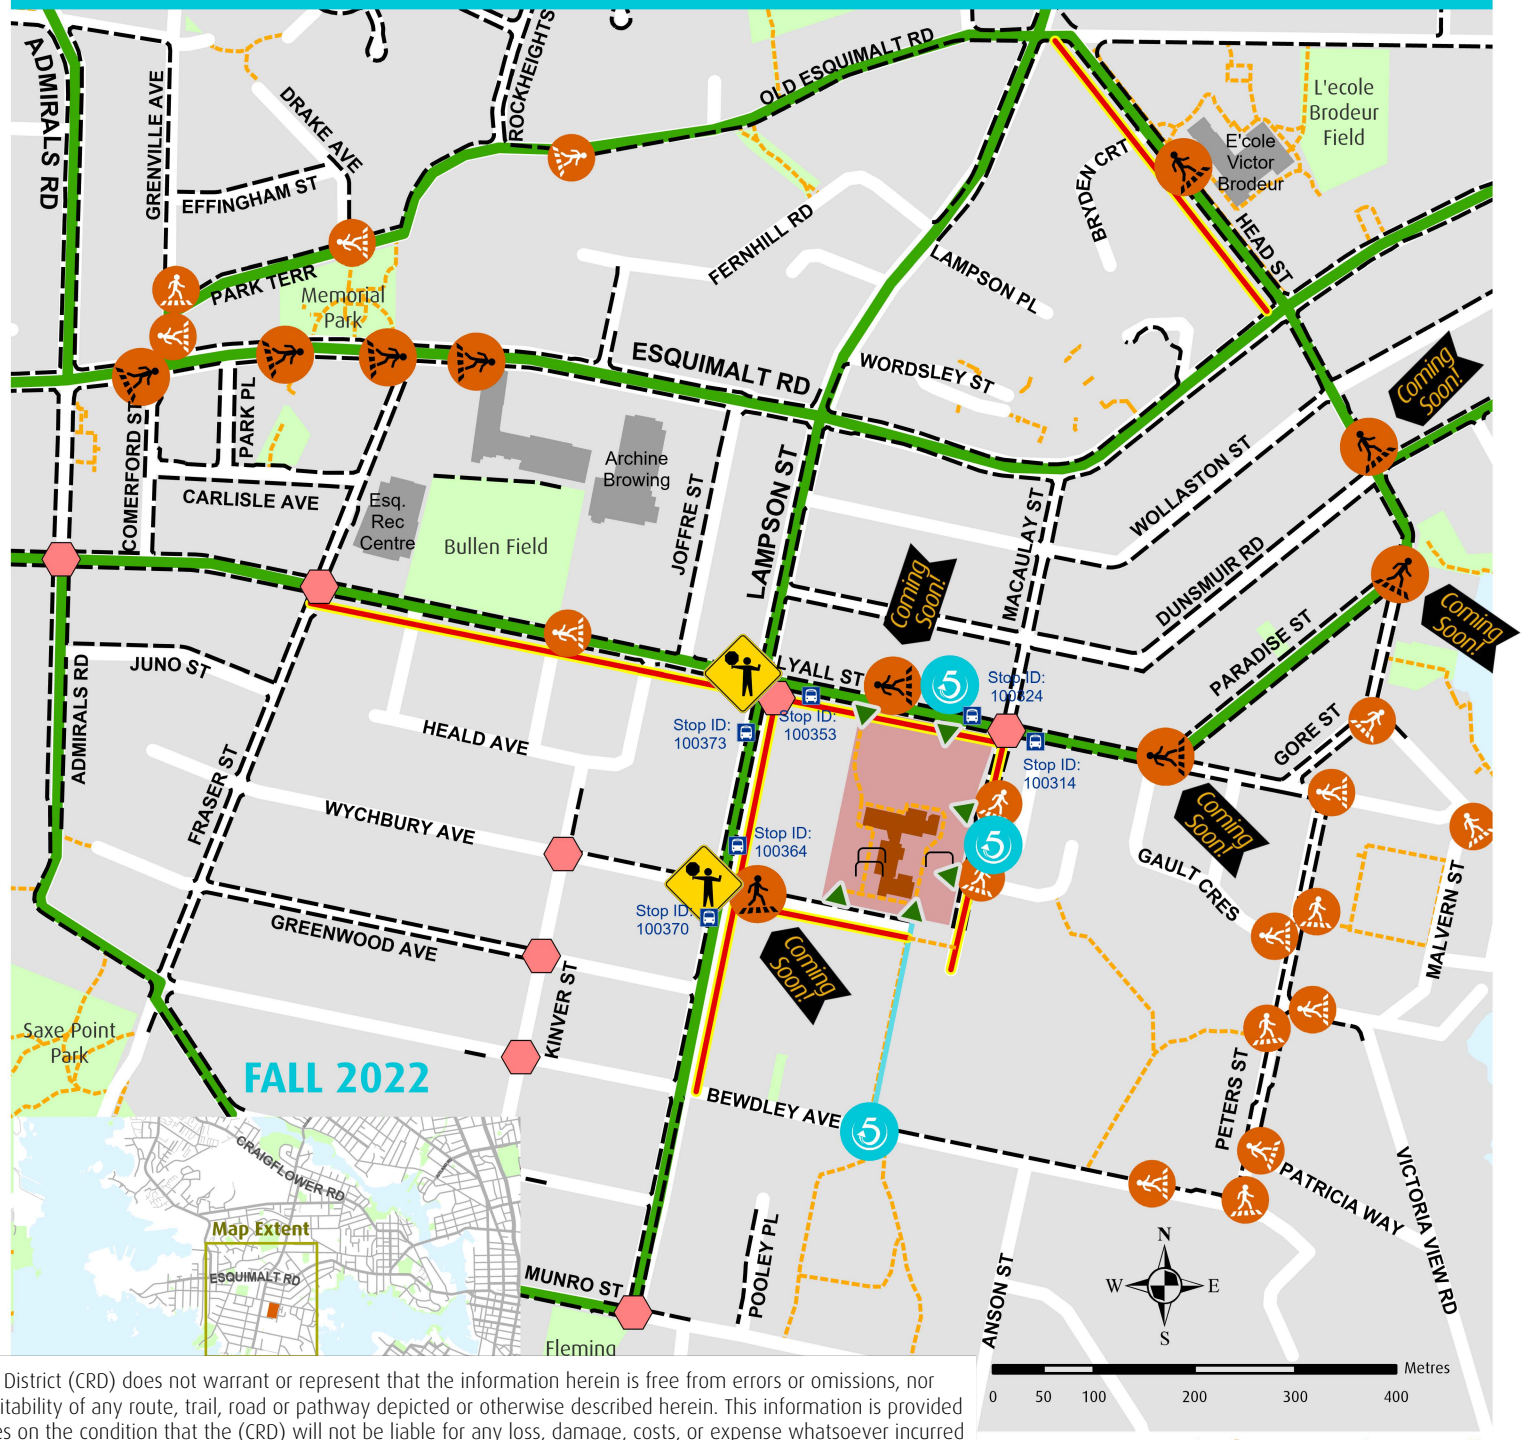

- ✓ Walking - use crosswalks, sidewalks & routes with crossing guards where possible. If there is no sidewalk, walk on the opposite side of the street to watch for oncoming traffic
- ✓ Cycling - obey the rules of the road. Wear a helmet, ride single file, when possible use a bike lane or ride near the curb, stop at stop signs and don't wear earbuds
- ✓ Build confidence by practicing as a family
- ✓ Let's get visible! Wear bright and reflective clothing and lights

Do you usually drive door-to-door?

- ✓ Try a "Walk & Wheel for 5" site to reduce school traffic congestion and benefit from active travel
- ✓ "Kiss & Go" by limiting your parking to 2 minutes maximum at arrival and dismissal
