

⑤ Minute Walk & Wheel to School  
UNSUPERVISED STUDENT DROP-OFF & PICK-UP SITE

KISS & GO • PARK & STROLL • MEET UP & GO

## What is 'Walk & Wheel for 5' ?

**Walk & Wheel for 5** is designed to support student safety by easing vehicle congestion at the school during arrival and dismissal, while saving you time, building student confidence, and enabling more families to be active.

These unsupervised sites are five minutes (500 meters) from the school and may be used as **alternative drop-off and pick-up sites for households that drive, walk, wheel, bike or take public transit together.**

Use these sites to **Meet-Up & Go, Park & Stroll or simply Kiss & Go** on your way to school. Supporting safety in numbers on common routes to school ultimately creates safer active travel conditions for everyone.

## Your choice makes a difference

When you choose not to drive door-to-door you help reduce road congestion and support safety in numbers.
