

## CRD's Ready Step Roll School Application 2026-27

Please indicate your school's interest and capacity to participate in the CRD's 2026-2027 Ready Step Roll (RSR): Sustainable School Commute Planning initiative by [emailing](#) your completed application form no later than Friday, February 27, 2026. Please note that the CRD requires signatures from the Principal/Vice-Principal and a parent lead.

In order to maximize regional impact and ensure transparency, the CRD will select participants based on the [selection criteria](#) for this initiative. Applications will be prioritized for those who have not yet participated in the initiative; check [here](#) to see if your school has already completed Ready Step Roll.

Before submitting this application, school staff and/or a parent representative(s) are encouraged to [email](#) or call Regional Planning at 250-360-3160. We are happy to discuss the general suitability of this CRD initiative for your school and/or learn about how sustainable school commute planning could benefit your school community.

Yes, minor incidents (resulting in a school report)

Yes, near misses observed

No concerns/incidents of which we are aware

Our school is able to participate in the Ready Step Roll initiative throughout 2026-27. Though there is no cost to the school, we understand that in-kind support will be required, which may include but is not limited to:

- Attending up to five meetings with Principal/Vice-Principal, PAC/parent or guardian representative & RSR staff over the 18-month initiative
- Supporting data collection at your school using provided materials
  - Student HandsUp! surveys [in class for one week]
  - School Commute Survey [online]
  - Pre-walkabout and walkabout [2 hours each]
- Promoting updates to the school community (using RSR graphics as needed) and distributing supporting materials
  - For example, via e-mail, newsletter, website, social media, handouts, etc.
- Providing opportunities for RSR staff to present updates to the school community at up to three PAC meetings
- Supporting education/encouragement/equity/evaluation actions for the school as identified by RSR
- Coordinating at least one active and sustainable transportation activity/event at school with support from RSR staff
  - For example, Bike Skills Training, Pedestrian Education, Crossing Guard Appreciation, Let's Get Visible, Drive to 5 sites and routes, School Streets, etc.
